Subject: Movies in Parks 2020 – Partnership opportunity with Regional Parks

This memo is a recommendation to the Local Board to carry forward into 2019/20, \$6,000 of funds recovered from the cancelled Movies in Parks event scheduled Saturday, 6th April 2019.

We recommend the total funds of \$6,000 be tagged to partner with Regional Parks at Ambury Farm and co-deliver the first screening of Movies in Parks 2020, on Friday 24th January of a special pre-selected film. The total cost of a series screening is \$13,500. Regional Parks will contribute \$7,500. This will be marketed as a co-delivered event where there is equal promotion and logo placement on local collateral.

This event will be in addition to the two movies already in Work Programme 2019/20. One in Māngere and one in Ōtāhuhu.
