- Community Projects
- Boomer Business
Boomer Business

Boomers contribution to “BUDDY BENCHES”

Manurewa High School students came to Boomer with a proposal to assist them in making Buddy Benches that will be supplied to Primary Schools around Auckland. It is their aim to have one of these benches in every school.

The benches teach young children about how important wellbeing and hauora is. It will provide students with a safe space where they will feel accepted and welcomed to talk about their emotions.
Another Boomer community project and mural for a town centre
For 2019 the Trust successfully held

- 4 Town Centre Clean Ups
- Eye on Nature
- Tiaki – Guardians of the Environment
- 29 Community Projects
- 1,723 volunteers 5,752 hours serving the community
- 9 Murals
March 26-30, 2019

Eye on Nature takes children and their families on an experiential journey through our native New Zealand forest, learning how the health of the forest and all its inhabitants impacts the health of us all.

- Three EON School Days
- EON Family Day opened to the wider community
- 45 Programme Partners Exhibited giving them the opportunity to engage with the public to grow their important messages
