18 Freedom Camping Bylaw Development
Resolution number RD/2018/1
MOVED by Member B Bailey, seconded by Member C Smith:

That the Rodney Local Board:

a) recommend to the Regulatory Committee that the 43 sites contained in Attachment A to the agenda report be prohibited through a bylaw under the Freedom Camping Act 2011.

b) recommend to the Regulatory Committee that the following restrictions be applied to the 19 sites contained in Attachment B to the agenda report through a bylaw under the Freedom Camping Act 2011:
   i) certified self-contained vehicles only
   ii) limited numbers of vehicles
   iii) only in identified parking spaces.

c) recommend to the Regulatory Committee that the following restrictions be applied to the 11 sites contained in Attachment C to the agenda report through a bylaw under the Freedom Camping Act 2011:
   i) limited numbers of vehicles
   ii) only in identified parking spaces.

d) confirm their general views on the management of freedom camping as follows:
   i) request that sufficient resource is made available to enforce the bylaw throughout Rodney
   ii) the time spent on a site by a freedom camper should be limited to allow for other users to access the area
   iii) the cost of signage should be paid for regionally and there must be sufficient, accurate, plain English signage incorporating internationally recognised graphics to make it clear to campers where they can and cannot camp, and how long for
   iv) signage should be installed at all reserves that are subject to the Reserves Act 1977 to make it clear that camping is not permitted in reserves (unless it is expressly permitted).

e) recommend there should be some flexibility to allow changes to the bylaw with sites able to be added as prohibited or restricted if issues arise as a result of freedom camping occurring there.
