82	Active Transport missing link - Musson Drive		14	-14	-3.11%
67	Road Calming - Coromandel Rd	4	19	-15	-3.33%
57	Road Calming - Manuka Rd	4	20	-16	-3.56%
63	Road Calming - Frank St	5	21	-16	-3.56%
104	Road Calming - Te Whau Dr	2	25	-23	-5.11%

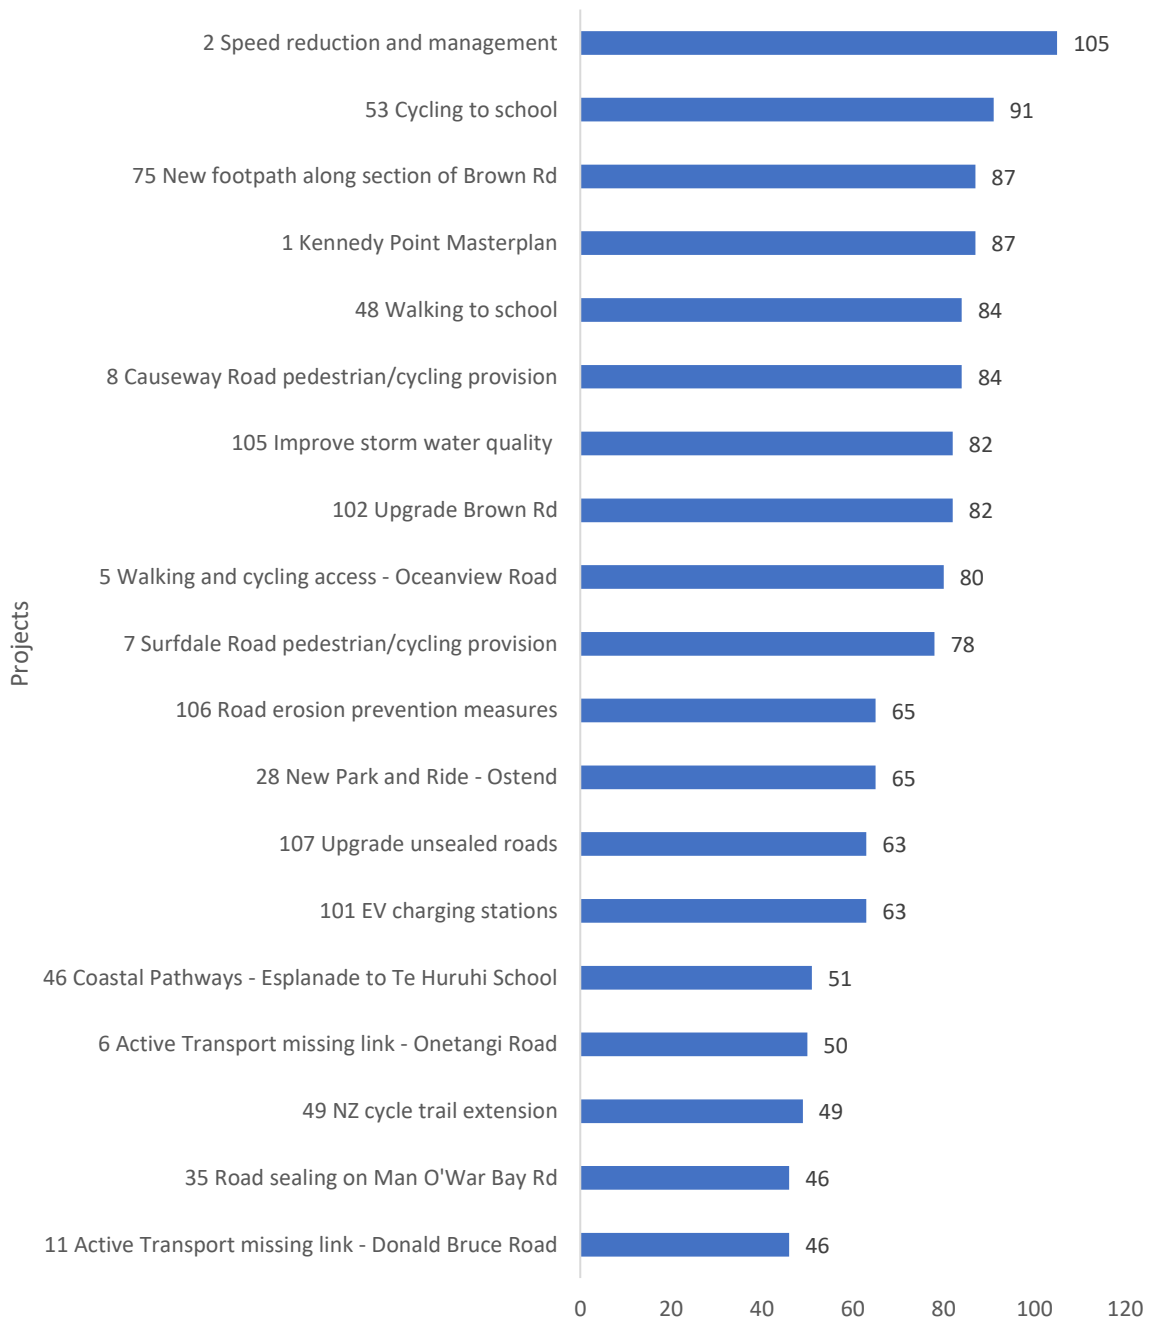

## Top 20 projects that experienced a significant fall in rank

Rank	Project Title	Description	New Rank
13	Active Transport missing link - The Causeway	Complete cycle lane on The Causeway and where possible split shared path	23
3	Active Transport missing links - Surfdale Road	Improve cycle lane markings on Surfdale Road and where possible split shared path	25
4	Active Transport missing link - Surfdale Road (near shops)	Investigate separated cycle lanes past the shops on Surfdale Road	26
16	New footpath on section of Onetangi Road	Install a new footpath between 75 Onetangi Rd and 103 Onetangi Rd	27
19	Road calming along Donald Bruce Rd	Implement traffic calming measures on Donald Bruce Road	28
18	Belgium St improvements	Safety and access improvements on Belgium St	29
14	Extend footpath on Donald Bruce Road	Install new footpath from 20 Donald Bruce Road to existing footpath	33
20	Active Transport missing link - Oceanview Rd	Complete missing sections of cycle lanes near Matiatia wharf and where possible split shared path	34
10	New footpath on section of Goodwin Rd	Install new footpath from 24 Goodwin Ave to Hekerua Rd	38
15	Active Transport missing link - Ostend Rd	Create cycle lane on Ostend Rd between Erua Rd & O'Brien Rd on inland side and where possible split shared path	47
12	Active Transport missing link - Goodwin Ave/Hauraki Ave	Extend concrete footpath and grass footpath	48
17	Active Transport missing link - O'Brien Road	Extend grass footpath where possible and complement with concrete pad for bus stops	58

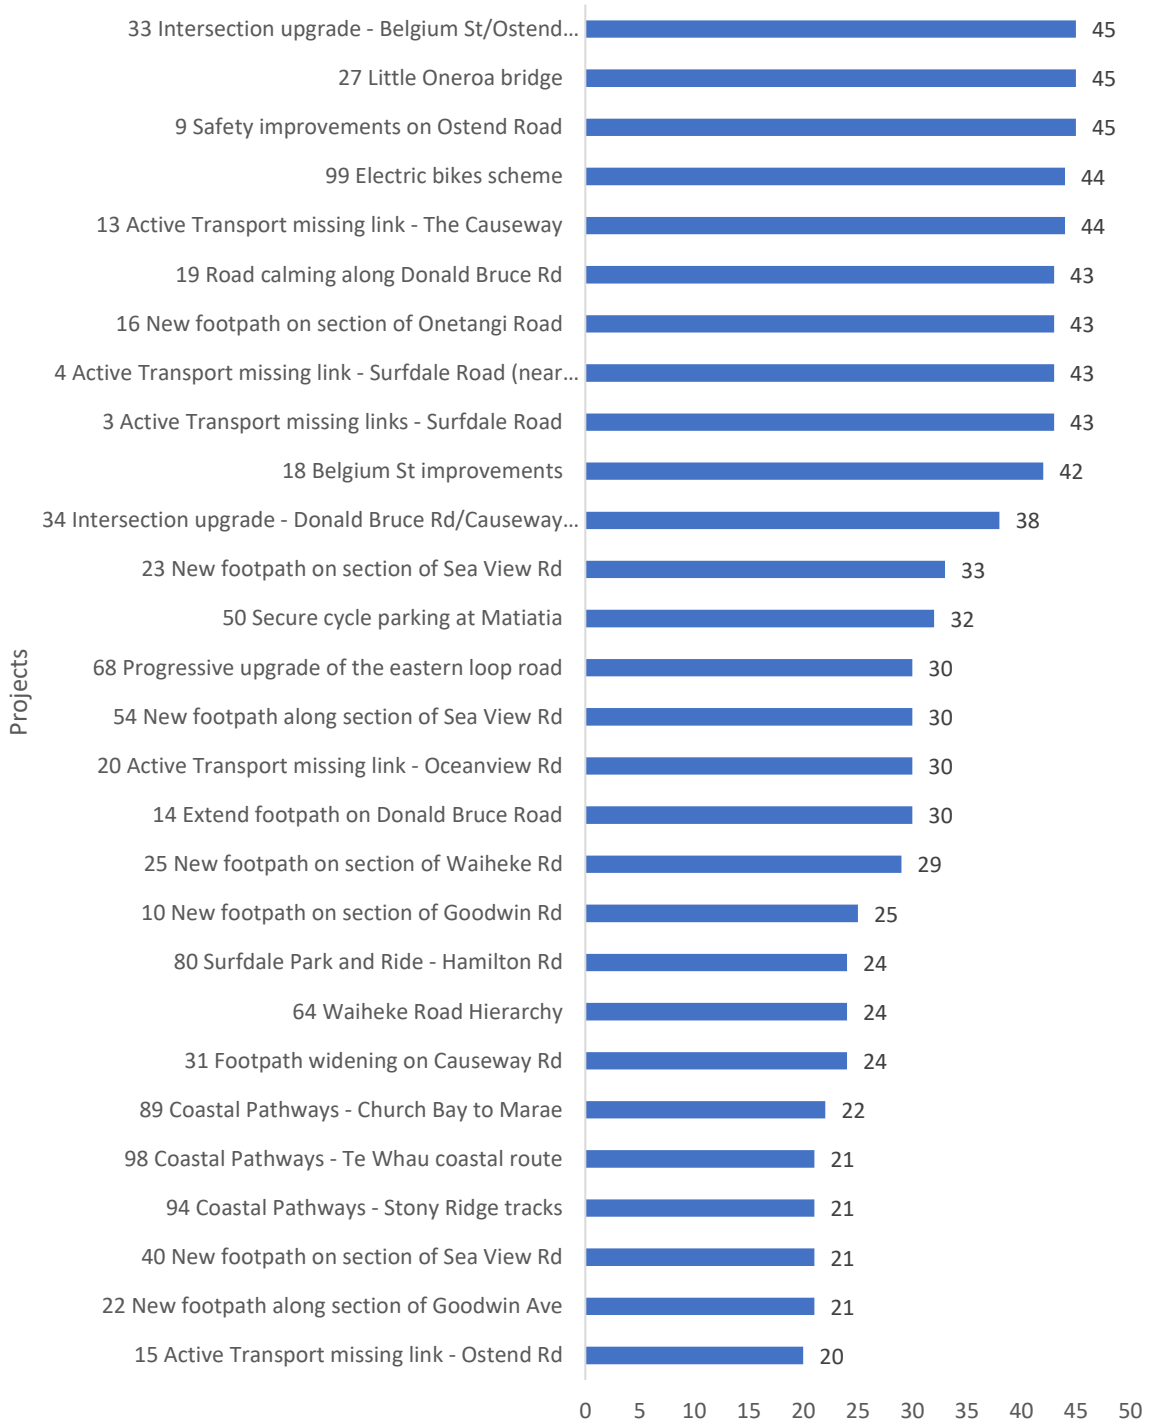

## Lower 20 projects that experienced a significant rise in rank

Rank	Project Title	Description	New Rank
102	Upgrade Brown Rd	Upgrade unsealed road to sealed road	7
105	Improve storm water quality	Improve storm water quality on the island	8
106	Road erosion prevention measures	Put measures in place to prevent road erosion and protect beaches	12
101	EV charging stations	Provide charging stations for electric vehicles at key points on the island	13
107	Upgrade unsealed roads	Improve the quality of various unsealed roads around the island	14
99	Electric bikes scheme	Facilitate the implementation of an electric bike scheme	24
89	Coastal Pathways - Church Bay to Marae	Upgrade pathway to concrete and widen to 2 metres. Re-gravel existing farm track from Marae	42
94	Coastal Pathways - Stony Ridge tracks	Install a new off-road gravel and grass path	45
98	Coastal Pathways - Te Whau coastal route	Upgrade the coastal pathway route	46
93	Coastal Pathways - Thompson's Point link	Install a new off-road connection path	53
88	New footpath along section of Waikare Rd	Install footpath along Waikare Rd (between Korora Rd and Oceanview Rd)	60
95	Coastal Pathways - Fisher Rd & Forest & Bird	Widen path to 2 metres and upgrade to compacted gravel with a separate bridle path	61
103	Road Calming - Mako St	Investigate traffic calming measures on Mako St (Oceanview Rd to Tui St)	62
100	Coastal Pathways - Central Track to Rocky Bay	Upgrade the pathway to a shared 2 metre-wide gravel path from Rocky Bay to Whakanewha	69
90	Coastal Pathways - High route past Church	Upgrade off-road pathway to concrete	78
91	Coastal Pathways - Junction Rd to Wilma Rd	Install a new off-road grass connection path	79
92	Coastal Pathways - Te Toki to Sports Club	Install a new off-road gravel and boardwalk path	80
96	Coastal Pathways - Sports Park to Trig Hill	Upgrade pathway	81
97	New footpath along section of Putiki Rd	Install a new footpath along Putiki Rd (Wharf Rd to Ostend Rd)	86
