Higher Priority

Lower Priorities

We will consider applications for other services, projects, events and activities outside the current priorities, however these will be considered a lower priority.

The Whau Local Board will consider the following activities as lower priorities:

- administration and salary costs
- events which charge an admission fee
- applicants that have already received one successful grant application within the current financial year
- where the applicant has a considerable cash surplus (relative to the amount applied for), unless they can verify that it is a tagged reserve and cannot be used as a contribution towards the submitted project
- applicants who have not considered other sources of funding for their project

Investment approach

The Whau Local Board will allocate budget annually to support the local grants programme which will be divided into three approaches:

- Quick Response Grants: for grants \$500 to \$2,000
- Local Grants: Generally for grants \$2,000 to \$5,000

Match funding

The Whau Local Board will prioritise grants with a strong “match funding” approach i.e. where groups can demonstrate significant community contribution in time, cash and/or in kind services.
