<p>Frances Swann and Julie James Helensville Budgeting Service</p>	<p>To provide an update on the Helensville Budgeting Service</p>	<p>The local board thanked Ms Swann and Ms James for their presentation. They were very impressed with the work and commitment the team do for the community and acknowledge the sad fact for the need of this type of service in the Auckland Region. The local board were also interested to hear about the collaboration between the budgeting service, other community groups and government agencies. Whilst the local board are unable to provide direct funds to the Helensville Budgeting Service, they can continue to support via a community lease arrangement.</p>
<p>Linda Clapham and Clyde Tukaiaora Connoll Te Hana Charitable Trust</p>	<p>To provide an update on activities of the Te Hana Charitable Trust and the Te Ao Marama Cultural Centre.</p>	<p>The local board thanked Ms Clapham and Mr Connoll for their update. They were very impressed with the presentation and with the work you do promoting Te Ao Māori. The local board are also looking forward to reconnecting with the Trust and are interested in holding a future meeting at the centre.</p>
<p>Grant Fahey and Sean Connolly Fulton Hogan Development Ltd</p>	<p>To provide an update progress of the Milldale Subdivision</p>	<p>The local board thanked Mr Fahey and Mr Connolly for their presentation. They appreciated the time taken to come and present the current and future progress of this development and look forward to continued engagement to ensure a good outcome for the residents of Milldale. The local board were also encouraged to hear that there is continuous communications with NZTA and Auckland Transport regarding future transport options.</p>
<p>Kay Elliot</p>	<p>To discuss the 128-bus service timetable</p>	<p>The local board thanked Ms Elliot for her verbal presentation. They were very pleased to hear that this bus service has been a popular asset for the families and community of Waitoki. The local board advised they will be meeting with Auckland Transport regarding the bus services that are funded through the Rodney Local Board Transport Targeted Rate in the coming weeks where increasing the frequency of these services and will update with the outcome as soon as they can.</p>

Chris and Sarah Lloyd	To discuss issues happening at Hull Road, Waitoki	The local board thanked Mr and Mrs Lloyd for their verbal presentation. They were very concerned to hear of the anti-social behaviour some users of this paper road are causing and would encourage contacting emergency services if feeling threatened in any way. The local board advised that the project team lead for the Hull Road project has been directed by Auckland Transport to arrange a safety audit to be carried out prior to any consultation with stakeholders and also suggested an onsite meeting would be beneficial.
