ACPN_13682	Inorganic collection services	Waste Management NZ Ltd	10 December 2020	\$39.9 million
ACPN_13682	Marketing and distribution of recovered Inorganic material	Zero Waste Network	31 October 2020	\$1.53 million

3

Review of the current inorganic service

- A review of the current service has been carried out – operational and strategic
- Priorities for the service going forward are:
 - high customer satisfaction
 - increasing waste diversion from landfill
 - increasing service awareness.
