Our Community needs Confidence!

Our youth need to build Confidence. In turn our Community need to build Confidence to succeed in life.

We all need Confidence in our Council, as this Project has been requested for 20 years.

Volunteer and Paid Employment

Sports and Recreation

= Confidence

How do we do that? We start a project with a "Doughnut Community" system as suggested by Professor Kate Raworth.

To achieve this for **Waiuku and the Surrounding Areas - approximate Population of 22,000**, we ask Council that they provide a **40 year renewable lease** guaranteed under Council’s umbrella.

So that we may start immediately, a Community/Business project on the O’Hara land, Property ID 11340202 Lot 1 DP 93210 on Constable Rd Waiuku 6.9346 Hectares

We are happy to work with Mr Sands who currently rents part of the land.

Once agreement’s achieved with Council, we shall commence Fundraising and utilise our full Committee.
