Papakura Local Board input into the Emergency Budget 2020/2021

File No.: CP2020/09106

Te take mō te pūrongo Purpose of the report

1. To seek feedback on the proposed regional topics in the Emergency Budget 2020/2021.

Whakarāpopototanga matua Executive summary

2. Auckland Council publicly consulted from 29 May to 19 June 2020 to seek community views on the proposed Emergency Budget 2020/2021.
3. The Annual Budget 2020/2021 was first consulted on in February/March 2020 (Consultation part 1). Since this consultation was undertaken, the COVID-19 pandemic has exerted significant pressure on the council's financial position. This will have flow on effects for the proposed budget for the 2020/2021 financial year. The council has considered what those impacts are likely to be and have asked Aucklanders for their views on aspects of the proposed budget, now referred to as Emergency Budget 2020/2021, through a second round of consultation (Consultation part 2).
4. During the second round of consultation, Aucklanders were asked for their views on three key proposals:
 - general rates increase for 2020/2021 of either 2.5 per cent or 3.5 per cent
 - rates postponement for ratepayers impacted by COVID-19
 - suspending the targeted rate paid by accommodation providers.
5. The council received feedback through telephone interviews, written forms, including online and hard copy forms, emails and letters.
6. This report summarises the public feedback received through Consultation part 2 on the proposed Emergency Budget 2020/2021.
7. Local board views on these regional matters will be considered by the Governing Body (or relevant committee) before making final decisions on the Emergency Budget 2020/2021.
8. Out of the 34,915 submissions received on the regional proposals in the Emergency Budget 2020/2021, 890 submissions were from people living in the Papakura local board area.
9. In relation the general rates increase for 2020/2021, 168 submitters (28.2%) supported a 3.5 per cent general rates increase; 285 submitters (47.9%) supported a 2.5 per cent increase and 142 submitters (23.9%) were unsure which rate increase to support. Some submitters did not respond to this question.
10. In relation to the rates postponement for ratepayers impacted by COVID-19, 348 (66.0%) supported the proposal, 138 submitters (26.2%) did not support the proposal and 41 submitters (7.8%) were unsure whether or not to support the proposal. Some submitters did not respond to this question.
11. In relation to suspending the targeted rate paid by accommodation providers, 361 submitters (68.6%) supported the proposal; 102 submitters (19.4%) did not support the proposal and 63 submitters (12.0%) were unsure whether or not to support the proposal. Some submitters did not respond to this question.

Ngā tūtohunga Recommendation/s

That the Papakura Local Board:

- a) receive consultation feedback on regional proposals in the Emergency Budget 2020/2021 from people or organisations based in the Papakura local board area
- b) provide feedback on the proposed Emergency Budget 2020/2021.

Horopaki Context

12. Auckland Council publicly consulted from 21 February to 22 March 2020 to seek community views on the proposed Annual Budget 2020/2021 (Consultation part 1).
13. Since this consultation was undertaken, the COVID-19 pandemic has exerted considerable pressure on the council's financial position, which will have flow on effects for the proposed budget for the 2020/2021 financial year. Given the new financial realities facing Auckland, work has been undertaken to adjust the proposed budget, now referred to as Emergency Budget 2020/2021.
14. The council has undertaken further public consultation with Aucklanders for their views on Auckland Council's proposed 'Emergency Budget' in response to the financial impacts of COVID-19 (Consultation part 2) which included considering whether to adopt a 2.5 per cent rather than 3.5 per cent general rates increase for the 2020/2021 financial year, among a suite of other measures aimed at offering support to all ratepayers, including businesses, facing hardship. This was carried out from 29 May to 19 June 2020.
15. The Emergency Budget consultation asked Aucklanders for their view on three main proposals:
 - general rates increase for 2020/2021 of either 2.5 per cent or 3.5 per cent
 - rates postponement for ratepayers impacted by COVID-19
 - suspending the targeted rate by accommodation providers.
16. This report includes analysis of the consultation feedback on the regional proposals in the Emergency Budget 2020/2021 from people or organisations based in the Papakura local board area.

Local board input on regional plans

17. Local boards have a statutory responsibility for identifying and communicating the interests and preferences of the people in their local board area in relation to the context of the strategies, policies, plans, and bylaws of Auckland Council. This report provides an opportunity for the local board to provide input on the proposed Emergency Budget.
18. Local Board Plans reflect community priorities and preferences and are key documents that guide both the development of local board agreements, which are adopted every year as part of the Annual Budget, and input into regional plans.

Types of feedback

19. Overall Auckland Council received feedback from 34,915 submitters in the consultation period. This feedback was received through:
 - Written feedback –hard copy and online forms, emails and letters
 - Over the phone

Tātaritanga me ngā tohutohu Analysis and advice

20. The proposed Emergency Budget 2020/2021 sets out priorities and how they will be paid for. The regional consultation on the proposed Emergency Budget focused on changes to rates and fees; the key proposals were:
 - general rates increase for 2020/2021 of either 2.5 per cent or 3.5 per cent
 - rates postponement for ratepayers impacted by COVID-19
 - suspending the targeted rate by accommodation providers.
21. The submissions received from the Papakura Local Board area on these key issues is summarised below, along with an overview of any other areas of feedback on regional proposals with a local impact.
22. Sometimes the council receives submissions that have come via a platform created by an external organisation – these are referred to by the council as pro forma submissions. The council has received an unusually large number of pro forma submissions in this consultation process – a total of 9,793. These have primarily come from two organisations – the Auckland Ratepayers' Alliance (9,002) and Generation Zero (371).
23. When people submit via the council's official consultation platform (either the hardcopy feedback form or the digital form), they are directed to the council's consultation document and supporting information which are the statutory basis for the consultation process. People who submit via pro forma submissions often will not have had this same information presented to them when they submit, although each pro forma submission is different in its approach.
24. For example, the submission form set up by the Auckland Ratepayers' Alliance did not refer to the council's consultation material and did not ask the same questions that were included on the council's feedback form. Generation Zero's submission form also did not ask the same questions as the council's feedback form. However, Generation Zero did include links to the council's consultation material in the information supporting their submission form.
25. There was one other big pro forma that's not mentioned in paragraph 22 because it doesn't affect the main questions, which is the Animal Shelter PF. There were 420 pro forma submissions received from them.
26. As with all feedback, pro forma submissions must be given due consideration with an open mind, and it is up to elected members to determine the weight that is given to this feedback.

General rates increase for 2020/2021

27. Aucklanders were asked about a proposed general rates increase of either 2.5 per cent or 3.5 per cent for 2020/2021.

Item 4

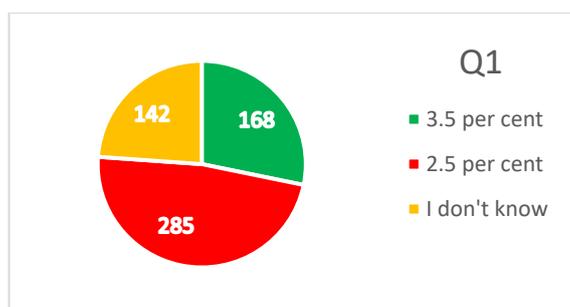

Question 1: We are proposing an average general rates increase of either 2.5 per cent or 3.5 per cent for 2020/2021. We looked at, but could not responsibly propose rates increases below 2.5 per cent because of the severe impacts that would have on council services, new infrastructure, our debt levels and employment and business activity in Auckland.

The scale of the financial challenge that we face for next year with a revenue loss of over half a billion dollars due to COVID-19 means that spending on some council services will need to be reduced and many capital projects will be delayed even with the 3.5 per cent increase we had previously planned.

With a lower rate increase of 2.5 per cent, we would need to further reduce spending on council services and further delay investment in transport, parks and community and town centre projects.

Which increase do you support?

28. The graphs below give an overview of the responses from the Papakura Local Board area.

Q1	Responses	Per cent
3.5 per cent	168	28.2%
2.5 per cent	285	47.9%
I don't know	142	23.9%
	595	

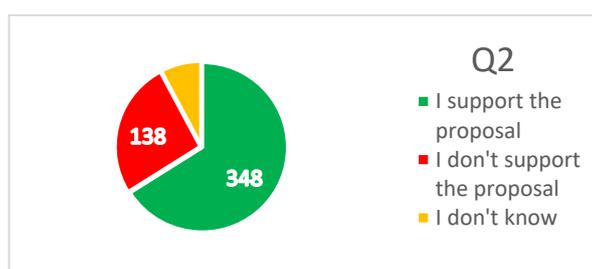

Rates postponement for ratepayers impacted by COVID-19

29. Aucklanders were asked about a proposal to introduce a COVID-19 Rates Postponement Scheme.

Question 2: We are proposing a COVID-19 Rates Postponement Scheme. This will allow ratepayers who are struggling financially as a result of COVID-19 to defer up to \$20,000 of their rates for the 2020/2021 year. At the end of the postponement period ratepayers would have to 30 June 2022 to pay off the balance (including interest and administration fees).

What do you think of our proposal?

30. The graphs below give an overview of the responses from the Papakura Local Board area.

Q2	Responses	Per cent
I support the proposal	348	66.0%
I don't support the proposal	138	26.2%
I don't know	41	7.8%
	527	

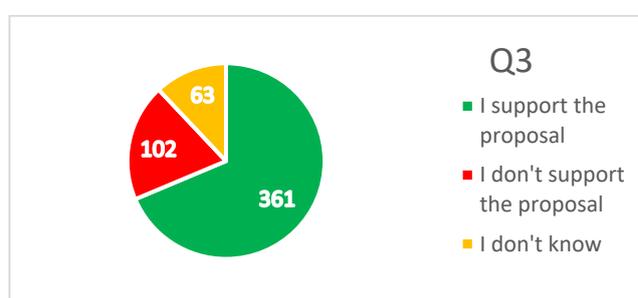

Suspending the targeted rate paid by accommodation providers

31. Aucklanders were asked about a proposal to suspend the targeted rate by paid by accommodation providers.

Question 3: *Suspending the targeted rate paid by accommodation providers Restrictions on travel and mass gatherings due to COVID-19 have resulted in us reducing our spending on visitor attraction and major events. We are proposing to suspend the Accommodation Provider Targeted Rate (APTR) which helps fund these activities until 31 March 2021. The APTR will only be charged for the last three months of the next financial year (2020/2021) as we increase our spending in this area. This proposal will assist the accommodation sector who are struggling financially.*

What do you think of our proposal?

32. The graphs below give an overview of the responses from the Papakura Local Board area.

Q3	Responses	Per cent
I support the proposal	361	68.6%
I don't support the proposal	102	19.4%
I don't know	63	12.0%
	526	

Other feedback

33. Aucklanders were asked if they had any feedback on any other issues including the in principle decisions made from the first round of consultation.

34. The proposals that we previously consulted on, and that have been agreed in principle, subject to consideration of any further feedback received in the Emergency Budget consultation are:

- Increase to the waste management base service targeted rate
- Increase to the waste management standard refuse rate in former Auckland City and Manukau City areas
- Discontinuation of the Waitākere rural sewerage service and targeted rate for ratepayers in the Upper Harbour Local Board area effective from 1 July 2021
- Introduction of a new targeted rate for Central Park Henderson Business Improvement District.
