## **TERMS OF REFERENCE**

*(Excerpt – full terms of reference available as a separate document)*

The terms of reference set out the purpose, role and protocols of the Panel. Panel members abide by the Code of Conduct for members of Auckland Council advisory panels.

### **Purpose**

As one of council's engagement mechanisms with diverse communities, the demographic advisory panels provide advice to the governing body and council staff within the remit of the Auckland Plan on the following areas:

- Auckland Council's regional policies, plans and strategies
- Regional and strategic matters including those that Council-Controlled Organisations deal with any matter of particular interest or concern to diverse communities.

### **Outcomes**

The panel's advice will contribute to improving the outcomes of diverse communities and social cohesion as set out in the Auckland Plan. The panel will advise through their agreed strategic agenda and detailed work programme.

### **Strategic agenda and work programme**

The panel must develop a work programme and set a strategic agenda for the term. The agendas should be focused and integrated across the panels for collaborative input into shared agendas, particularly on the Auckland Plan, the Long-term Plan and annual plans. The panel should advise on council's organisational strategies relevant to diverse communities.

The governing body and council staff should work with the panel for the development of their strategic agendas and work programme. An appropriate committee will approve the panel's work programme and any subsequent major changes to it.

### **Submissions**

The panel must not make formal submissions to Auckland Council on council strategies, policies and plans, for example, the annual plan.

In its advisory role to the council, the panel may have input to submissions made by the council to external organisations but do not make independent submissions, except as agreed with the council.

This does not prevent individual members being party to submissions outside their role as panel members.

### **Review**

The form and functioning of the panels may be reviewed prior to or after, the end of the panel's term in September 2022.

## Election of Ethnic Peoples Advisory Panel co-chair

File No.: CP2022/01538

### Te take mō te pūrongo

#### Purpose of the report

1. To outline the process for electing a co-chair for the Ethnic Peoples Advisory Panel for the rest of the 2019 – 2022 term.

### Whakarāpopototanga matua

#### Executive summary

2. Following the resignation of one of the co-chairs the Ethnic Peoples Advisory Panel can elect a co-chair for the remainder of the term. Attachment A provides a description of the role of the co-chairs.
3. The election will take place at this meeting. The co-chair is expected to be in place until the end of the panel term on 8 September 2022.
4. The panel must also choose a voting system. Staff recommend that the panel adopt one of the two voting systems outlined in the Local Government Act 2002 (refer to paragraphs 8 and 9 of this report). Once the panel has made these choices, the Chair will lead the process for the election of the co-chair.
5. Any members who are unable to attend the meeting may be invited to vote by email before the meeting. Candidates can vote for themselves.

#### Open or closed ballot

6. The panel must agree to carry out the election of the co-chair by open or closed ballot. This decision will be taken at the start of the meeting.

#### Voting process

7. Panel members have been asked to put their names forward for the co-chair role by 21 February. Candidates can be self-nominated or nominated by another member.
8. In case of multiple nominations the panel needs to decide what voting system it wants to use:
  - System A: The voting takes place in rounds where each round of voting excludes the people with the lowest number of votes until the preferred people are identified.
  - System B: There is one round of voting whereby the people with the highest number of votes are elected – there are tiebreakers if nominees receive the same number of votes.
9. Further details are provided below.

##### System A –

- requires that a person is elected or appointed if they receive the votes of a majority of the members of the local authority or committee present and voting, and
- has the following characteristics:
  - there is a first round of voting for all candidates
  - if no candidate is successful in that round there is a second round of voting from which the candidate with the fewest votes in the first round is excluded

Item 5

- if no candidate is successful in the second round there is a third, and if necessary subsequent, round of voting from which, each time, the candidate with the fewest votes in the previous round is excluded
- in any round of voting, if two or more candidates tie for the lowest numbers of votes, the person excluded from the next round is resolved by lot.

System B –

- requires that a person is elected or appointed if they receive more votes than any other candidate, and
  - has the following characteristics:
    - there is only one round of voting
    - if two or more candidates tie for the most votes, the tie is resolved by lot.
10. The meeting will proceed as follows:
- The co-chair will call the meeting to order and deal with apologies and the initial procedural items.
  - The first item of substantive business will be the election of the co-chair.
  - The Chair will present nominees for co-chair who have expressed their interest prior to the meeting.
  - The Governor Advisor will call for a decision on the voting system, if necessary. Once a member moves one of the systems and is seconded, it will be put to the vote. A decision will be by voice or show of hands.
  - The election of co-chair will then take place by a show of hands, or if closed ballot in an online meeting via text or email to Governor Advisor.
  - Once the co-chair has been confirmed, the meeting will continue with the next item of business.

## Ngā tūtohunga Recommendation/s

That the Ethnic Peoples Advisory Panel:

- b) agree whether the co-chair will be elected using voting system A or voting system B (as described in Schedule 7, Clause 25 of the Local Government Act 2002)
- c) elect the co-chair

### Roles of Panel Co-Chairs 2019-2022

This note provides an outline of the roles of the co-chairs of the demographic advisory panels for the 2019-2022 term of Auckland Council.

The Mayor has recommended interim co-chairs at the start of the term. Co-chairs were selected to provide some diversity of thought and some previous experience of working with the council to provide support and guidance to new panel members.

The terms of reference encourage each panel to confirm these appointments or elect new co-chairs after the panel members have had a chance to get to know each other. It is recommended that this is considered by the panel at their first meeting in 2021. These co-chairs should be in place until the current term of Auckland Council ends.

The interim co-chairs are eligible for election if they wish to continue in the role.

#### The co-chairs will

- chair and facilitate effective panel meetings and workshops
- be the panel's spokespeople
- attend briefings to decide agenda items for panel meetings and workshops
- address any panel issues to council staff in advance or during panel workshops or meetings
- make sure that every panel member has his/her views expressed that are related to the agendas
- have a good understanding of the panel's expectations on agenda items
- build up good and strong relationships with the Liaison Councillor and council staff
- present panel's recommendations to governing body meetings
- be the contact people for any code of conduct issues with panel members.

At meetings only one Co-Chair will be the presiding Chair of the meeting at any one time. Co-Chairs will decide on this prior to the meeting.

#### Meeting fees

- Each of two co-chairs will be paid **\$456.25 less any withholding tax**.
