Attachment B: Arts and Culture Regional Project Grants Assessment

Eligibility Check		
Regional Status Activities spread across the regional Or that are niche /specialised enough to draw audiences from across the region	Yes proceed	No ineligible
Red Flag Status Any red flags on the grants management system for past grants including overdue reports, failed projects	No Proceed	Yes investigate
Project Quality		Score
0= no evidence 1=Little evidence 2= Some Evidence 3= Satisfactory evidence 4=Good evidence 5=Excellent Evidence		
Kaupapa/ Concept/ Strategy The concept is sound, well considered and plausible with demonstrated need and demand		
Staff/People Involved/Organisation Qualified, experienced staff with proven ability, the organisation performs well and has a stable governance and management structure		
Process/ Methodology/ Planning Evidence of best practice, risk assessment and timeframes/ milestones		
Audience -centric Design The audience is understood and at the centre of the design		
Venue/ Place/ Geographic Spread The venue or location of the events or activities supports high quality outcomes. The geographic location within the region is accessible		
Budget and Finances Budgets are realistic, accurate financial processes are in place and past financial performance informs forecasted targets		
Māori Outcomes Mātauranga Māori: Has Māori values, Kaupapa Māori or Mātauranga Māori considerations. This will include activities that have strong Māori Storylines and themes, that educate or allow the participants to experience Māori traditions and world views. Specific Response: Has existing clear objectives and measures pertaining to Māori outcomes on a specific issue or focus. These activities could include things like targeted programmes for Māori youth or community literacy. Providing Opportunities for Māori : Has a significant level of participation and support by Māori even though the nature and type of genre may not necessarily be Māori in nature.		
Regional Outcomes Specific focus as defined through work shopping the regional programme		
Sustainability Outcomes Evidence of long term sustainability strategies		
Raw Score		

Prioritisation Score	+1
1. We will prioritise engaging Aucklanders who are currently unengaged.	
2. We will prioritise offerings that remove accessibility barriers. For example: <ul style="list-style-type: none"> Social accessibility (e.g. cost) Cultural (inclusiveness) Physical (children, older people and people with disabilities) Geographic (easy access, everyday places, public transport or easy parking etc.) 	
3. We will ensure a balance of provision across the Auckland Region.	
4. We will prioritise opportunities that reflect Auckland’s diverse population and/or produce content that reflects Auckland’s unique identity including Māori.	
5. We will ensure a balance, in relation to demand, of provision across artforms and areas of practice.	
6. We will prioritise new ideas in artform, cultural expression, engagement strategies and delivery mechanisms.	
7. We will prioritise strategic investment that transparently complements the work of other funding organisations.	
8. We will prioritise the building of capacity and capability across the sector.	
9. We will prioritise collaboration. For example: <ul style="list-style-type: none"> Sector mentoring Shared operational services Co-creation of art Private and commercial sector Marae venue partnerships 	
10. We will ensure that the quality of outcomes matches Aucklanders’ investment.	
Priority Score	
Overall score	

**Komiti mō te Whakarite Mahere, te Taiao, me ngā Papa Rēhia / Planning, Environment and Parks Committee
Forward Work Programme 2024**

This committee deals with setting the direction for the physical development and growth of Auckland (focussing on land use, planning, policies, growth, infrastructure, housing and strategic projects) and community, social, cultural, environment and climate change policy. The full terms of reference can be found here: [Auckland Council Governing Body Terms of Reference](#)

Note: Annual Budget decisions may affect the work programme. In addition, the programme underpinning the long-term scope of work following the 2023 flooding events also mean this programme will need to be reprioritised and updated.
