KAIPĀTIKI LOCAL BOARD CHAIRPERSON'S REPORT

17 APRIL 2023 – JOHN GILLON

Item 14

Kauri Glen Reserve bridge and track now open

The wait is over and the Kauri Glen Reserve treetop bridge and boardwalk is NOW OPEN to the public!

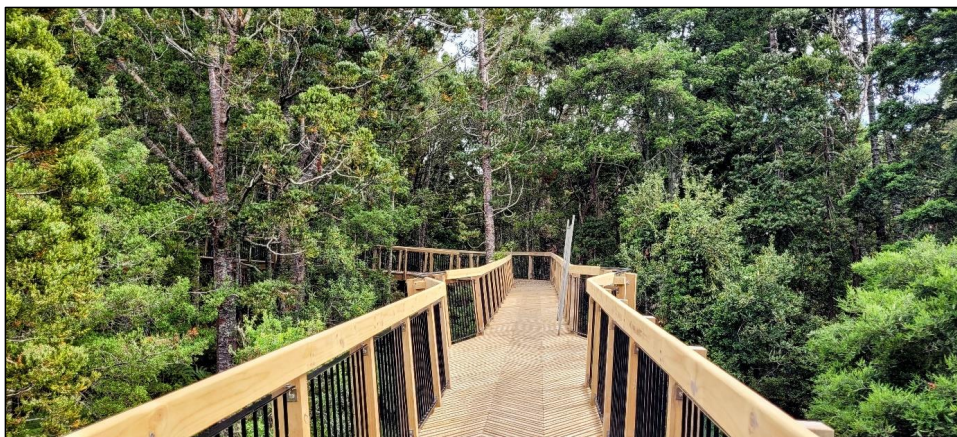

The decision was made to allow the public access earlier than expected to prevent further damage to the forest by those who were throwing the fences into the trees 😞

Our official opening/celebration will be at 12pm Sunday 28 April.

This is a new step-free route between Kauri Glen Road and Tui Glen Road, with a refurbished track (including steps) to Raymond Terrace. The new bridge is around 6 storeys high with a very impressive view of the forest tree tops.

The new tracks, bridge and boardwalk have been built to a standard to help prevent the spread of kauri dieback disease, which is especially important in this park.

- Funded by the Kaipātiki Local Board and Natural Environment Targeted Rate.
