**Ngāti Whātua Ōrākei and Aaiotanga Trust  
Presentation / Deputation to the Waitematā Local Board (WLB)  
21st May 2024**

**Our Deputation will:**

- Celebrate the successful Hikoī and Hui we hosted together last year ([Link to Booklet](#))
- Promote our upcoming Heritage Hikoī around Ōrākei Marae and Pourewa nursery (date to be confirmed)
- Invite the local board to partner with us as a funder in the delivery of a one day wānanga at Ōrākei Marae at the end of August. This one day wānanga has the same kaupapa as the heritage hikoī and hui.
- Invite the Local Board to support the development of a project by Aaiotanga Trust called 'Papa Ngāhere' (our current working title is yet to be confirmed) [Concept draft in development linked here.](#)

**Our aim for these events and projects are to:**

- Highlight the inspiration of the Tuku Whenua, the founding story of Auckland as a call to 'prosperity in partnership'
- Bring together a cross-section of city centre leaders and community contributors in co-discovery and co-learning processes
- Amplify the potential of 'partnering' with our landscape and waterways to bring about health and wellbeing for all. An integrated approach from both a Te Ao Māori perspective and western 'living systems' lens, otherwise known as regenerative development.
- Actively contribute towards the regeneration of our city centre, through practical planting projects and nurturing of greenspaces and gardens in the city.
