Planet Youth Papakura

Planet Youth was first introduced to Papakura through [Kuracconnect](#), in conjunction with key partners such as

- CLM Community Sport
- NZ Drug Foundation
- NZ Police
- Touch NZ.

Kuracconnect is a community initiative comprised of local organisations and stakeholders with a vested interest in the wellbeing of the Papakura community.

Kuracconnect was established in 2018 to provide community support through the lens of sport, recreation, and creative arts.

Kuracconnect currently sits as one of the seven operating Community Connect programmes facilitated by Touch NZ in Aotearoa.
