## A LITTLE HISTORY OF TONGAN DAY FESTIVAL

‘unū Koula Global Academy has been operating since 1996 across the motu (island) teaching Tongan culture through singing, dancing, oratory and handicrafts classes. We were the first Tongan academy to be established in the community and we had more than 200 students in our branches in Auckland alone. So in 2018 we started our 1<sup>st</sup> Tongan Day Festival where 35 girls competed in our Tongan female dance competition and it brought almost a thousand people to support.
