Feedback summary of responses from people aged 15-34

## 1. Challenges & priorities

**2182**  
submissions overall

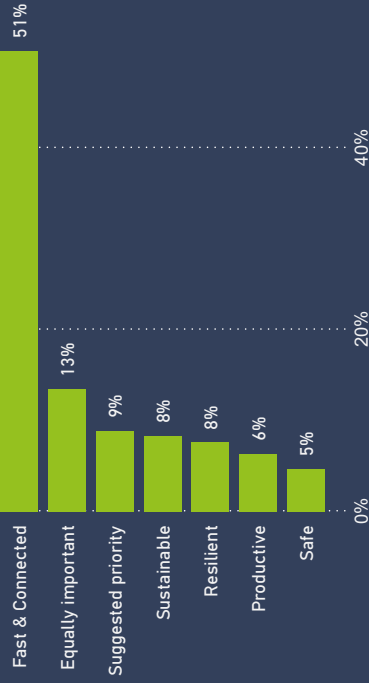

Has the draft RLTP captured the challenges?

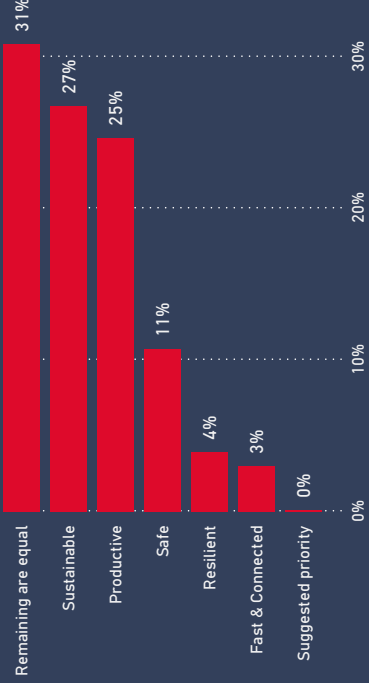

### Suggested missing challenges

Challenge	Count
Public transport affordability	26
Travel time / congestion	25
Public transport reliability and accessibility	24
Road maintenance	19
More roads / lanes	17
Improve - Road travel for private vehicles	12
Improve - Public transport	11
Improve - Rail travel	8
AT - inefficient	7

### Most important priorities

### Least important priorities

Any missing priorities?

### Suggested additional priorities

Priority	Count
Public transport - affordability	85
Travel choices should be a priority	37
Invest in/encourage public transport/active modes	32
Public transport - frequency & reliability	32
Extend Public transport reach - rail	28
Maintenance of existing infrastructure	23
More roads / widen roads	15
Prioritise / Improve private vehicle transport	15
Project	15
Listed priorities	14
Public transport - accessibility	14
Cycle lanes - expand	12
Transport needs to be affordable	12
Planning for future	11
Cycle lanes - protected/separated	8
Complete projects/road works quickly	7
Cost-effective/value for money	7

## 3. Additional comments & demographics

Do you have any additional comments about the draft plan?

Topic	Overall	15-34
PT - important, prioritise	484	134
Active modes - important, prioritise	281	65
Roads - important/prioritise	304	46
Cycling - important, prioritise	220	45
Fares - too expensive / make cheaper	142	44
Rail - important, prioritise	152	44
Cycling - not important/DNF	272	27
State highways - not important/DNF	52	26
Speed bumps/raised xing - remove/reduce	326	25
Maintenance - improve/increase funding	213	22
PT - improve frequency & reliability	96	20
Roads - not important/do not invest	58	20
Bus network - important, prioritise	96	19
Climate - important/prioritise	89	16
Private vehicle use - deprioritise	71	15
Safety - important, prioritise	99	15
