HRG MEMBERS

The **Hakanoa Recovery Group** is made up of local residents who have worked on the reserve and are active in discussions regarding the future use of Council owned land which has become 'vacant' as a result of the flood recovery processes in the Grey Lynn / West Lynn area.

Thank you to Waitemata Local Board for your support by paying for trees, shrubs and groundcover to complete our plantings and maintenance plan since 2022.

West Lynn recovery areas
concerned include:

*the current Hakanoa
Reserve;

*the land at 33 Cockburn
Street

*newly vacant land between
Cockburn, Dryden and
Tutanekai Streets (clip
1906)
