Workshops enable staff to explore options with elected members before ideas are fully developed, and to receive feedback and guidance on policy development or project design. No resolutions or decisions are made by elected members at workshops and so the requirements of the Local Government Official Information and Meetings Act 1987 relating to local authority meetings do not apply.

Note: The reports contained within this agenda are for consideration and should not be construed as Council policy unless and until adopted. Should Members require further information relating to any reports, please contact the relevant manager, Chairperson or Deputy Chairperson.
