ITEM	TABLE OF CONTENTS	PAGE
1	Ngā Tamōtanga Apologies	2
2	Te Whakapuaki i te Whai Pānga Declaration of Interest	2
3	Local Board Workshop	2

1 Ngā Tamōtanga | Apologies

At the close of the agenda one apologies had been received.

2 Te Whakapuaki i te Whai Pānga | Declaration of Interest

Members are reminded of the need to be vigilant to stand aside from decision making when a conflict arises between their role as a member and any private or other external interest they might have.

3 Local Board Workshop

Local Board Workshop

File No.: CP2025/05307

Note 1: This workshop has been called by the chairperson in consultation with the staff.

Note 2: No working party/workshop may reach any decision or adopt any resolution unless specifically delegated to do so.

Te take mō te pūrongo Purpose of the report

1. To present the Franklin Local Board workshop agenda for 1 April 2025.

Whakarāpopototanga matua Executive summary

2. Most workshops are open to the public to attend as observers in person or online.
3. Some sessions may not be open to the public. The staff / chairperson and deputy chairperson decide which sessions are open to the public, depending on the sensitivity of the information being discussed. If a session is not open, a reason will be provided below.
4. The public are welcome to attend in person.
Email franklinlocalboard@aucklandcouncil.govt.nz for a request to join the workshop online,
5. Local Board workshops provide an opportunity for local boards to carry out their governance role in the following areas:
 - a) Accountability to the public
 - b) Engagement
 - c) Input to regional decision-making
 - d) Keeping informed
 - e) Local initiative / preparing for specific decisions
 - f) Oversight and monitoring
 - g) Setting direction / priorities / budget.
6. Workshops do not have decision-making authority.
7. Workshops are used to canvass issues, prepare local board members for upcoming decisions and to enable discussion between elected members and staff.

8. Members are respectfully reminded of their Code of Conduct obligations with respect to conflicts of interest and confidentiality.
9. The following will be covered in the workshop:

Session 1 – 9.30-10.30am
<p>Franklin Local Parks Management Plan – Waiuku Subdivision</p> <p>Presenter/s: Nataly Anchicoque, Service & Asset Planner Kiri Le Heron, Service & Asset Planning</p> <p>Purpose: To present proposed classifications for parks and reserves in the Waiuku subdivision area as part of the Franklin Local Parks Management Plan and seek the board’s input.</p> <p>Governance role: Setting direction / priorities/ budgets</p> <p>Proposed Outcome/s: Board provide input to the proposed classifications</p> <p>Attachment A: Land Classification Review – Waiuku Area</p>
BREAK 15 minutes
Session 2 – 10.45-11.45am
<p>Consultation feedback – Colin Lawrie Park and Paparata Reserve</p> <p>Presenter/s: Kristen Greenfield</p> <p>Purpose: To provide the Franklin Local Board with consultation feedback undertaken on the Colin Lawrie Reserve concept plan and Paparata Reserve pre concept plan.</p> <p>Governance role: Setting direction / priorities/ budgets</p> <p>Proposed Outcome/s: Board consider consultation feedback to enable board views.</p> <p>Attachment B: Colin Lawrie Park and Paparata Reserve consultation results</p>
11.45 – 12 noon unassigned
LUNCH 12 -1pm
Session 3 - 1.00-2.00pm
<p>Parks and Community Facilities Work programme update</p> <p>Presenter/s: Moushmi Sharan Eli Ewens Kristen Greenfield Jenny Young</p> <p>Purpose: Monthly work programme update</p> <p>Governance role: Oversight and monitoring</p> <p>Proposed Outcome/s: Board kept informed of work programme and project progress and provide feedback.</p> <p>Attachment C: Parks and Community Facilities March work programme update</p>

Session 4 – 2.00-2.45pm

Papahua Master Plan consultation results / Belmont Park: Development of Sports Park

Presenters: Csongor Czegledi
Felicia Wood, Project Manager

Purpose: Present consultation results from Papahua Master Plan consultation for the board's information and consideration.

Governance Role: Oversight and monitoring

Proposed Outcome: Board kept informed and enabled to define board position.

Attachment E: Papahua Masterplan

Attachment F: Belmont Park – development of sports park

Session 5–3.30-4.00pm

General Business

Presenter/s: Georgina Gilmour, Senior Advisor
Chair

Purpose: Update the board on matters arising/seek direction where requested.

Governance role: Keeping informed/setting direction

Proposed Outcome/s: Board are updated

Franklin Local Parks Management Plan Land classification review - Waiuku Area

Nataly Anchicoque – Service and Asset planner
Jessica Morris – Service and Asset Planning Specialist

1 April 2025

Workshop purpose

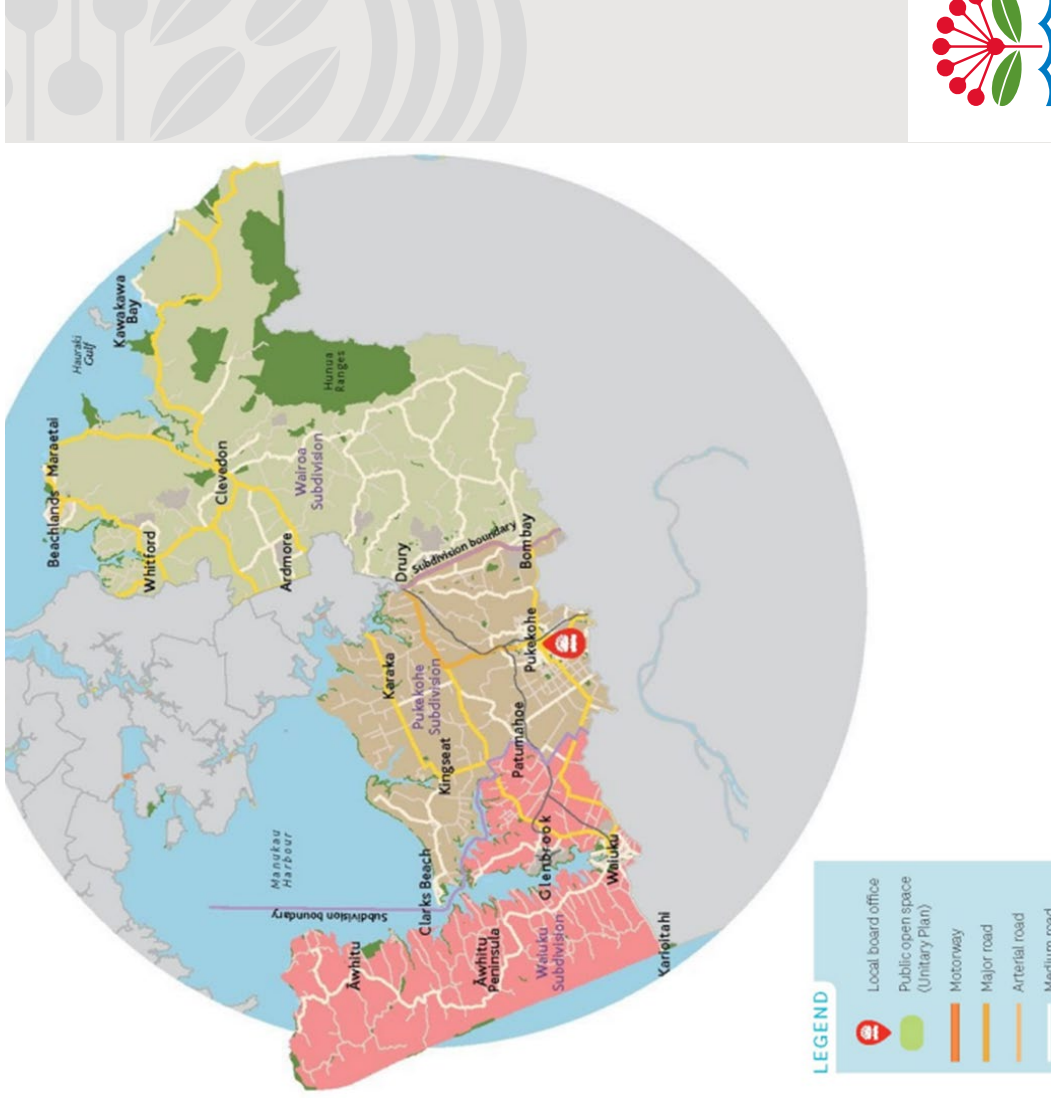

Discuss land classification recommendation proposals of the Waiuku area and gather feedback to inform the draft plan.

1. Local Parks Management Plan (LPMP) process and timeline
2. Overview of classifications
 - Consider Local Government Act (LGA) vs Reserves Act (RA)
3. Waiuku classifications - proposals for discussion
 - Park values and Unitary Plan
 - Review local examples of classification recommendations
4. Management focus areas (MFAs)
 - Overview
 - Review local examples of MFAs
5. Next steps

**1. Local Parks
Management Plan
(LPMP) process and
timeline**

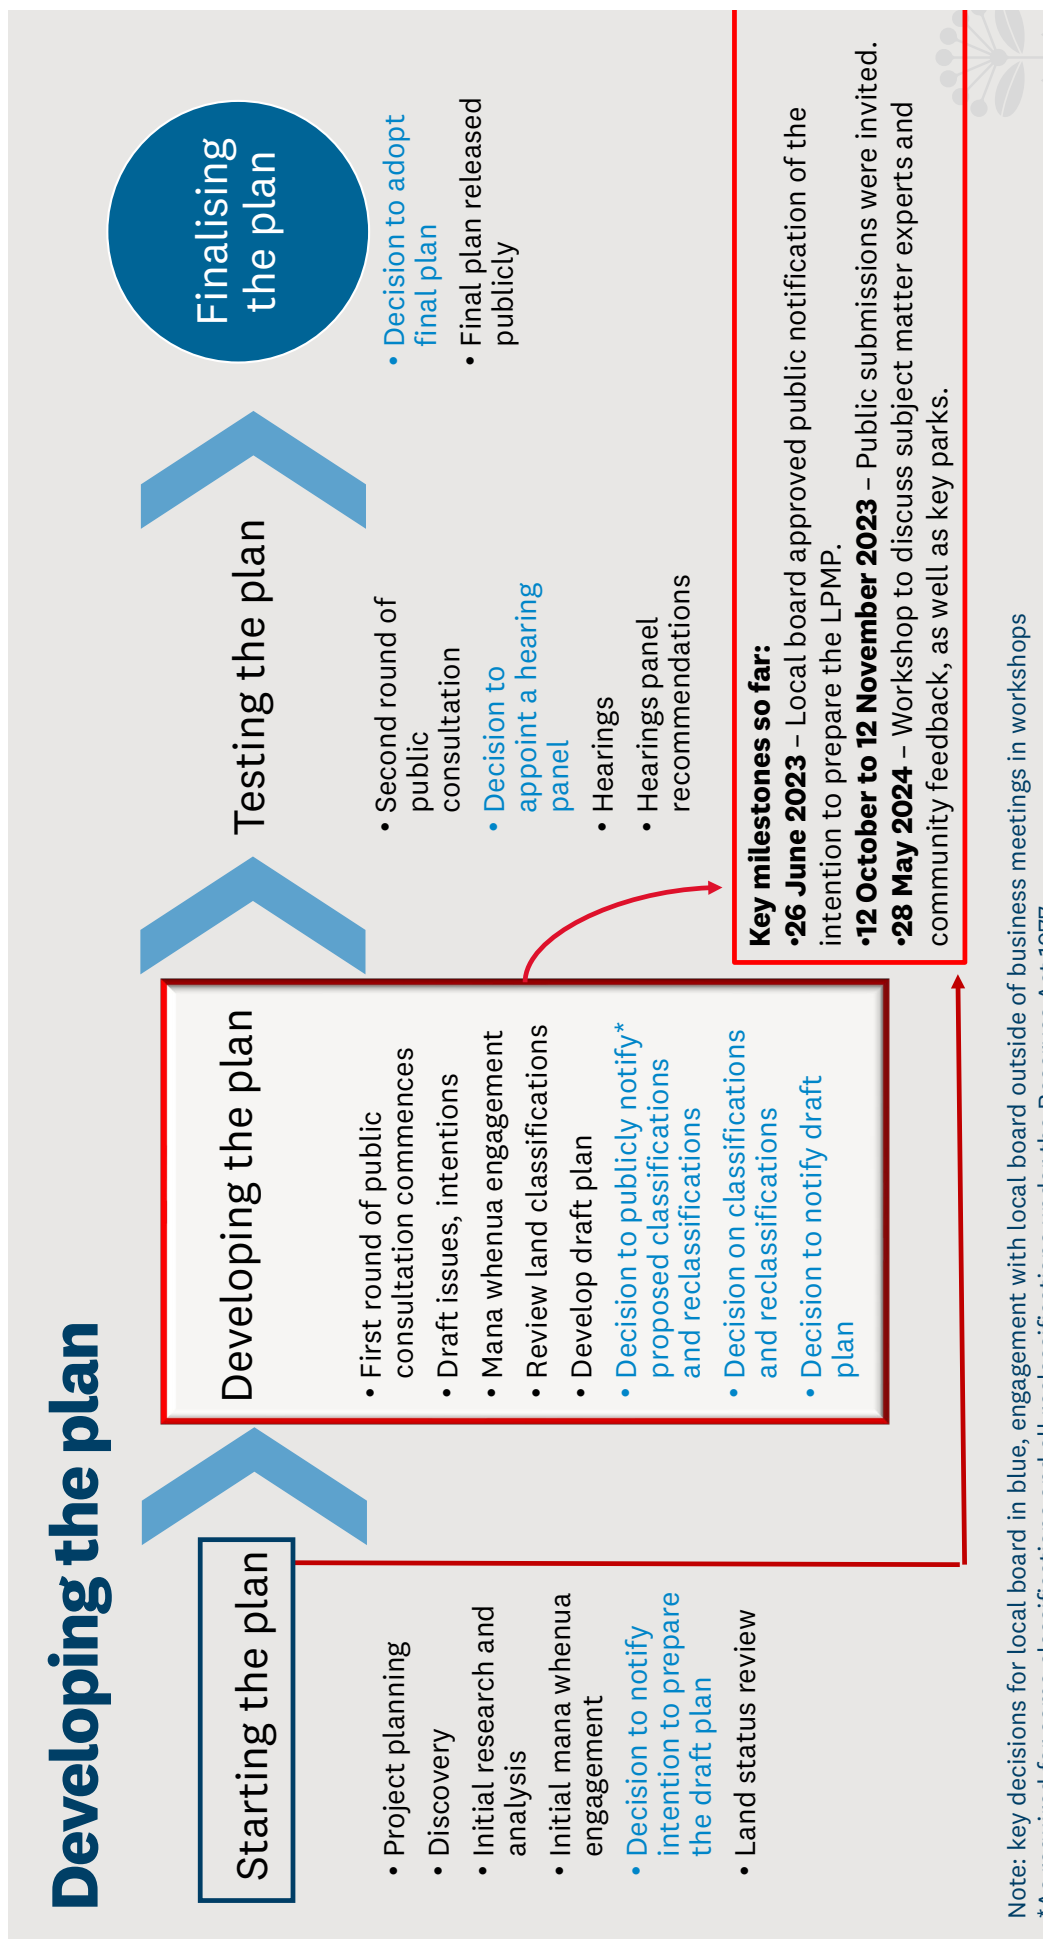

Project background

Franklin Local Board area has approximately **295 local parks** and **1,600 land parcels** across three distinct geographic areas.

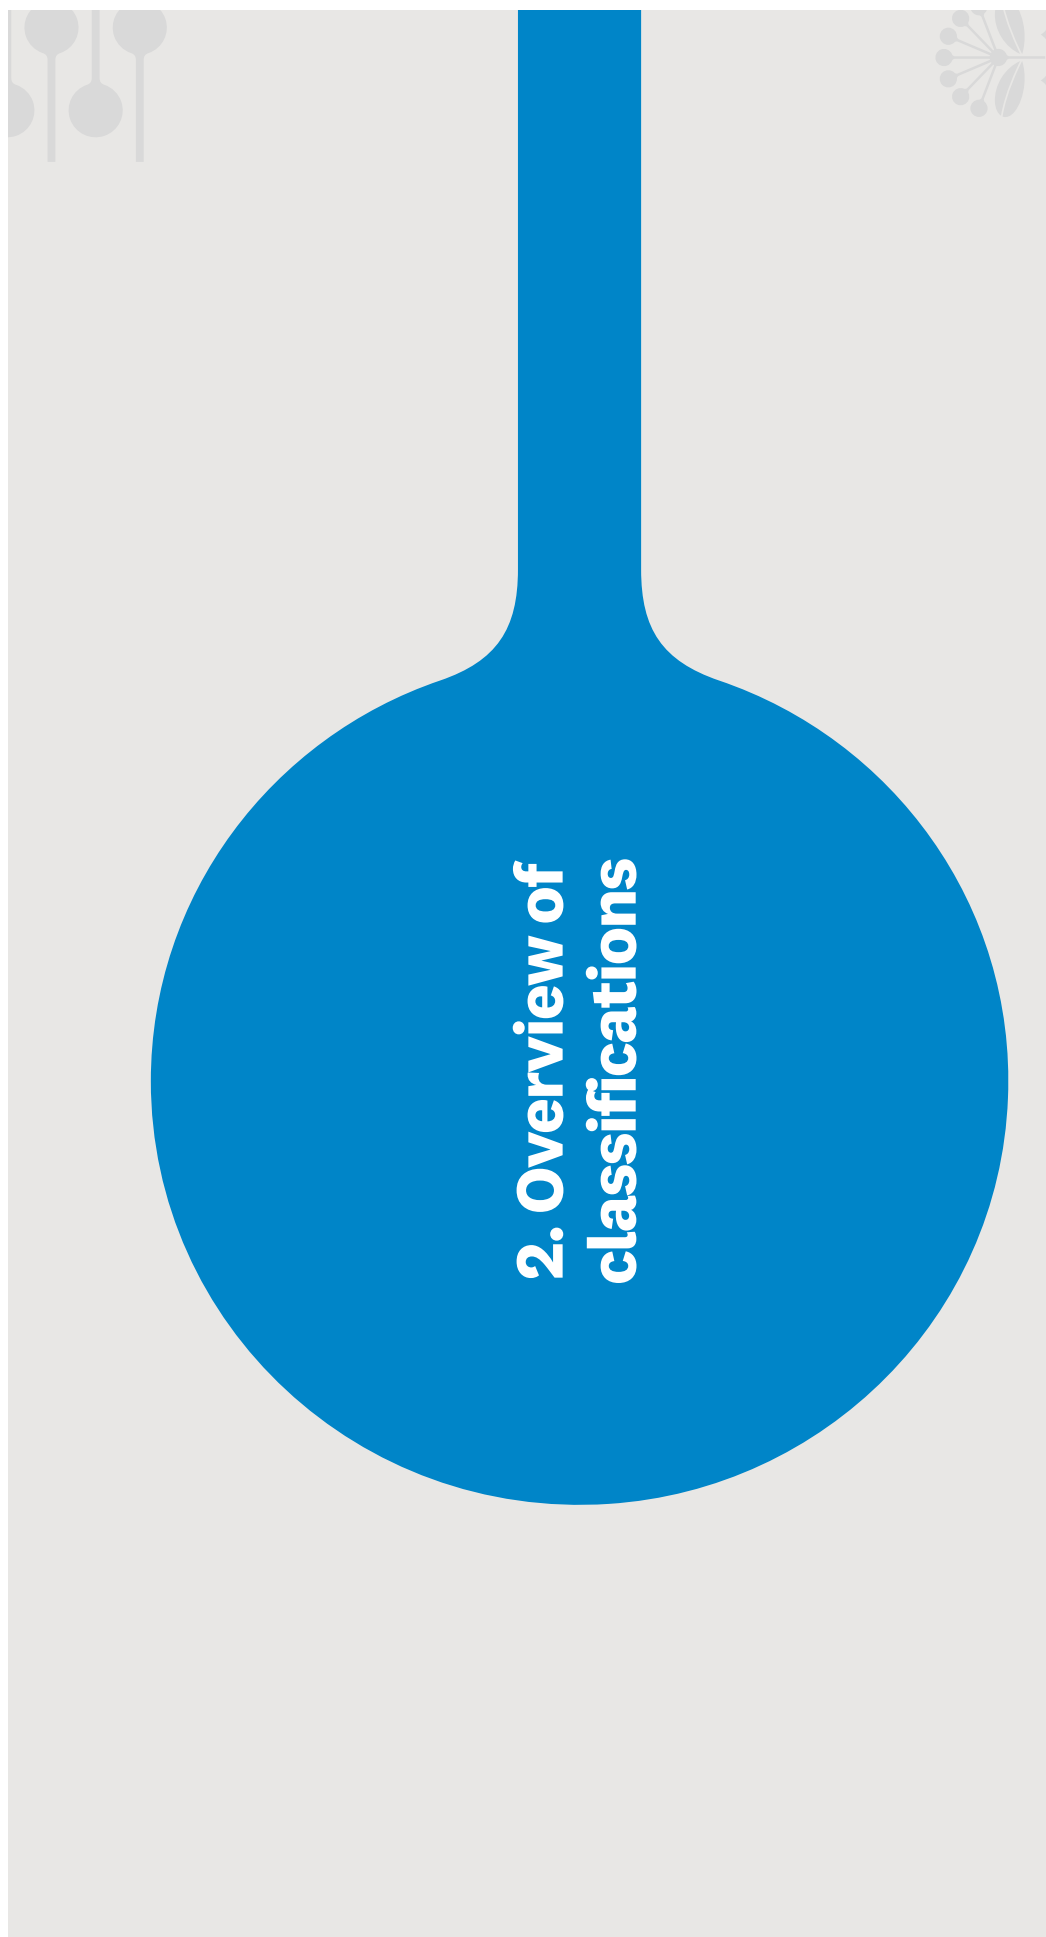

Local Parks Management Plan:

- Required under the RA.
- To guide use, management and protection of the land.
- Focus is on identifying opportunities and managing what can and cannot happen on parks.
- Once completed, the LPMP will replace all existing reserve management plans in the Franklin Local Board area.

Item 3

Attachment A

Land classification

Land classification under the Reserves Act 1977 (RA)

Objective: Classify land according to its primary purpose.

Why it matters:

- Guides future use and decision-making.
- Ensures compliance with the RA.

Key requirements:

- All unclassified RA land must be classified.
- Public notification is required for:
 - Reclassification proposals.
 - Declaration/classification of land under the RA.

Land under the Local Government Act 2002 (LGA)

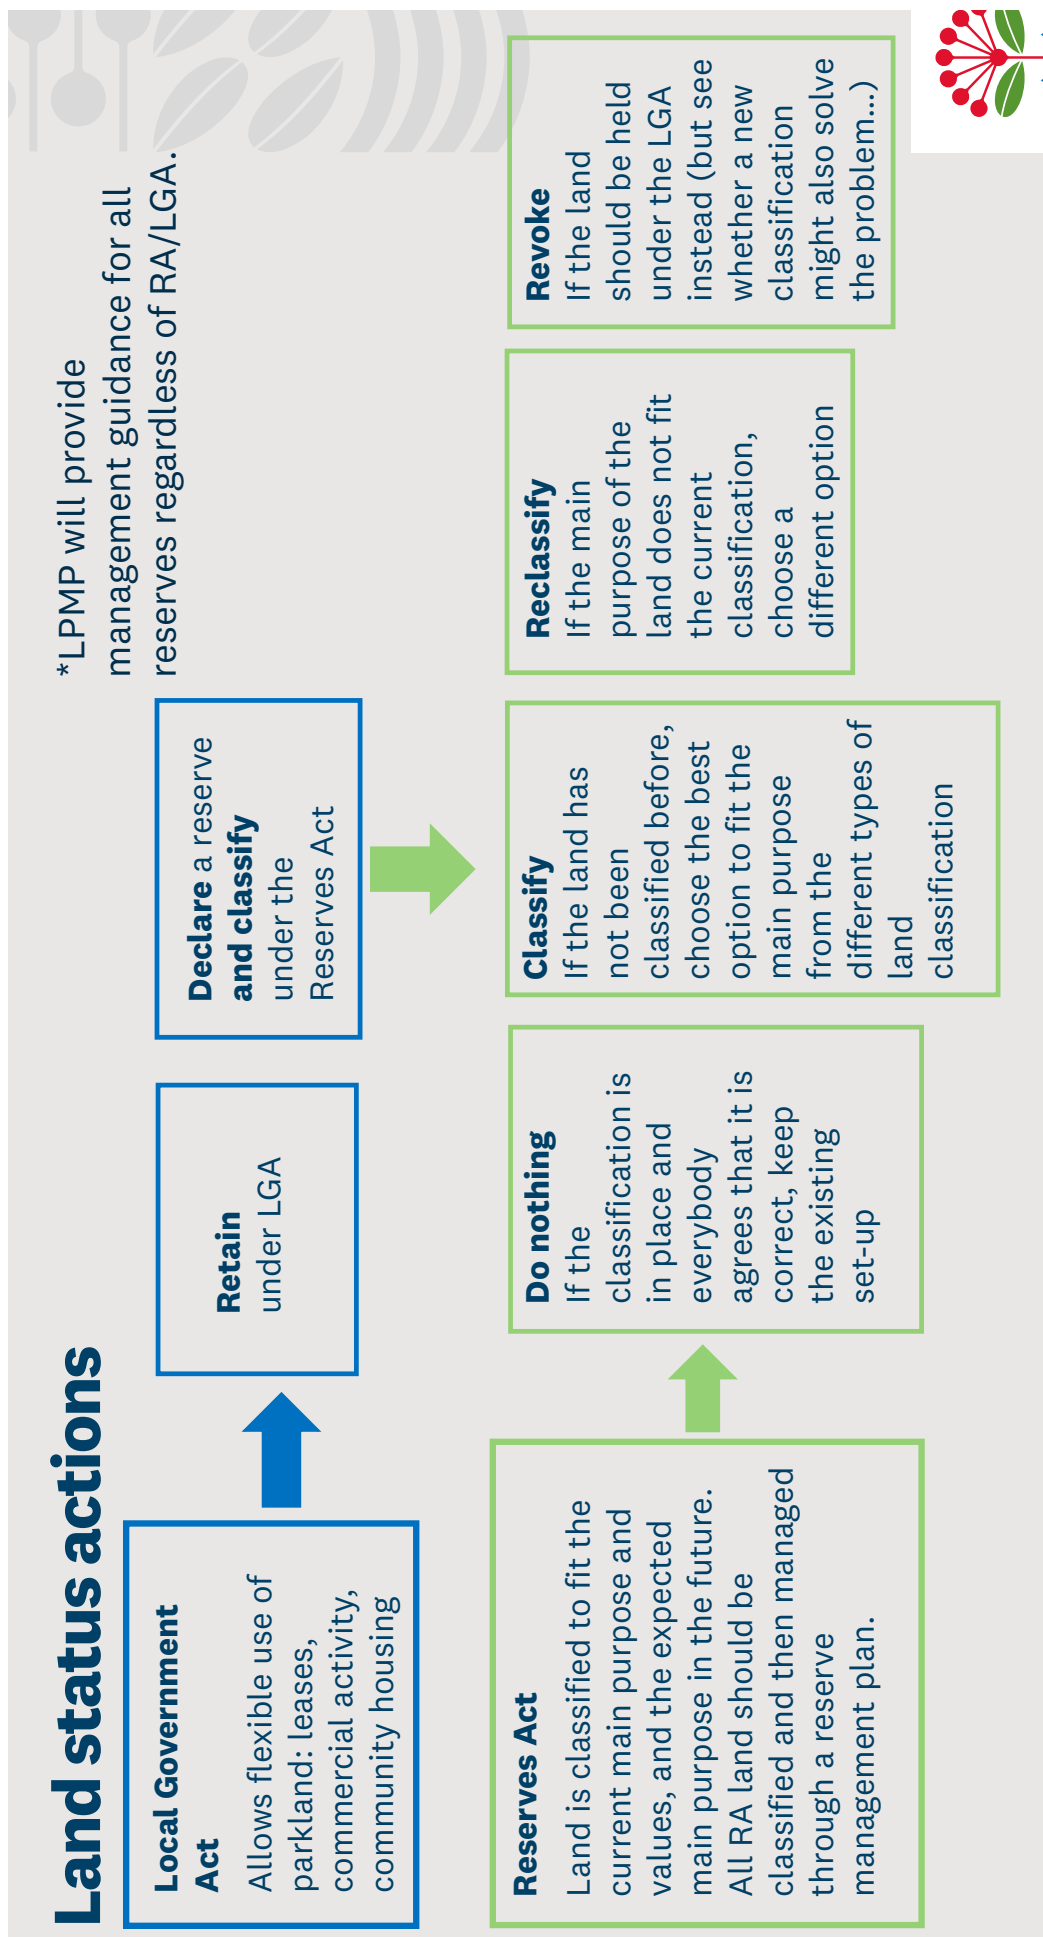

Local board may choose to move land held under the LGA to the RA for enhanced management and protection.

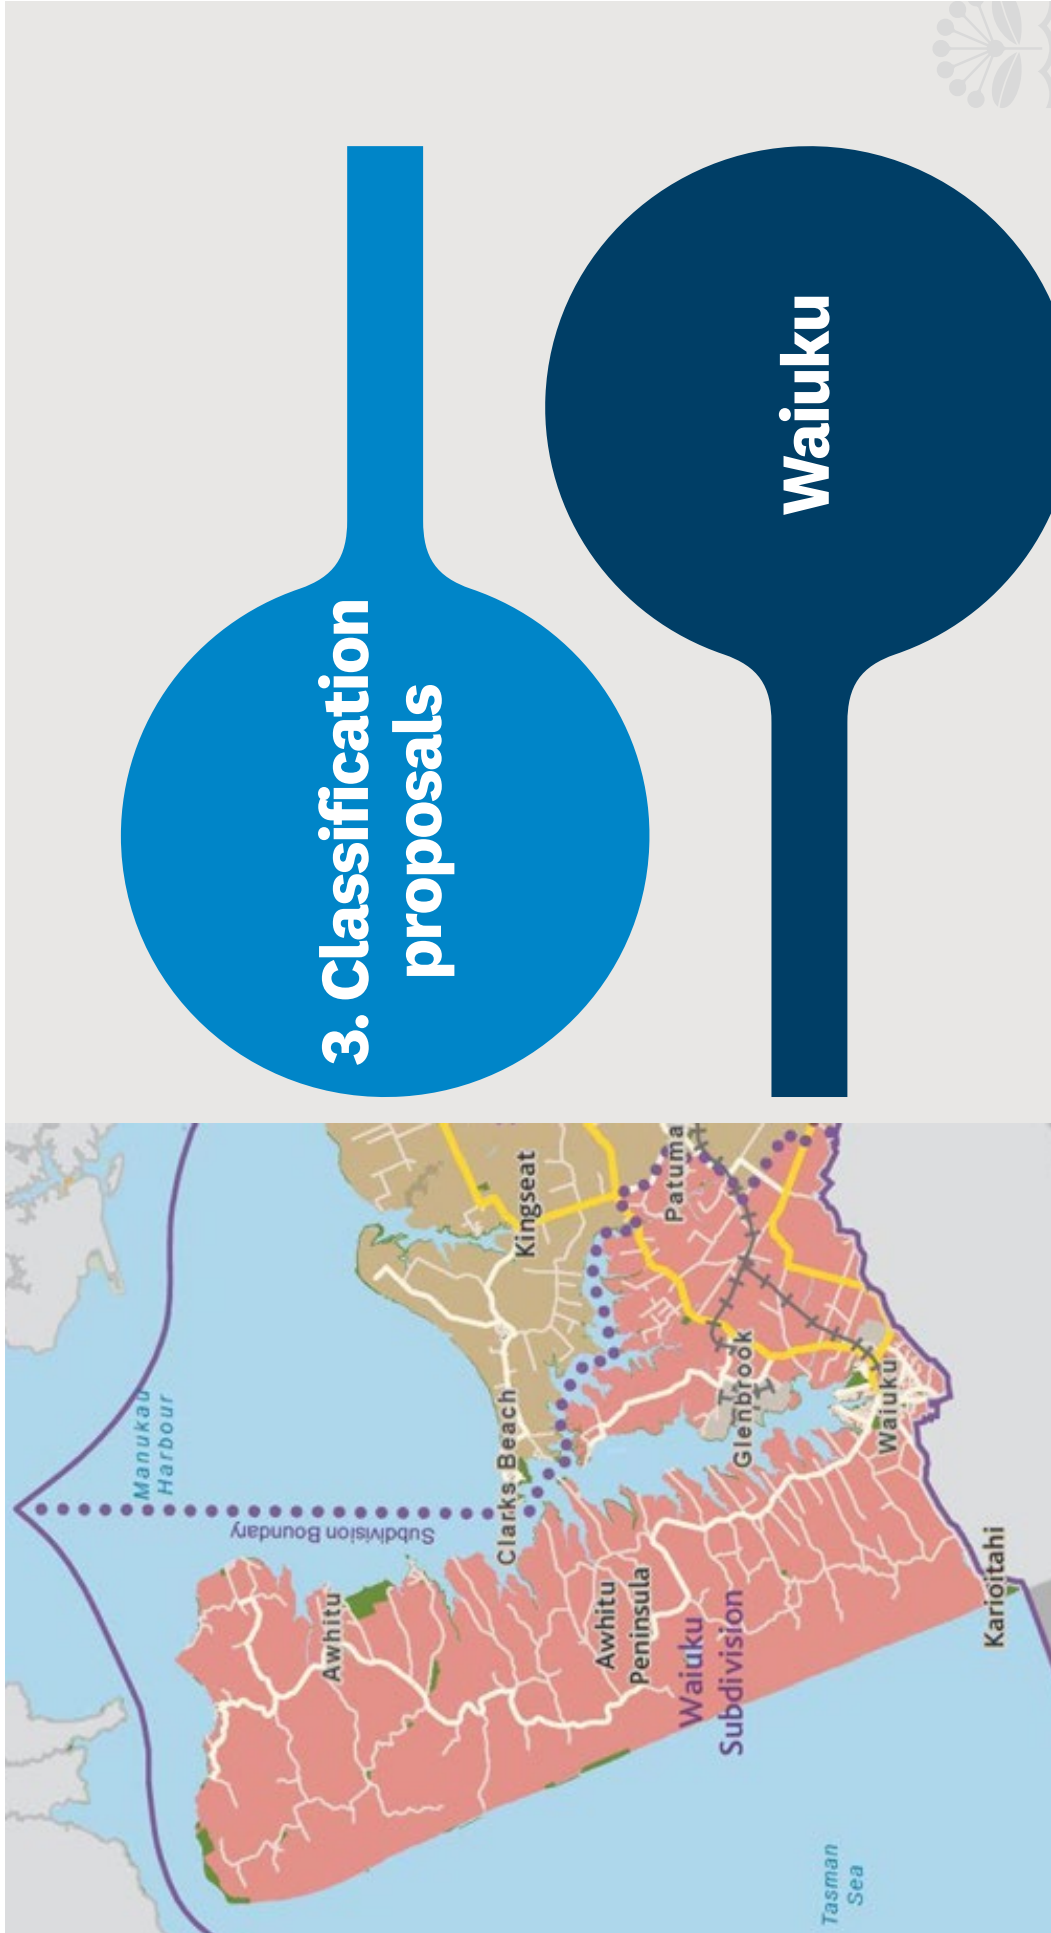

*Background GIS map, UPZ.

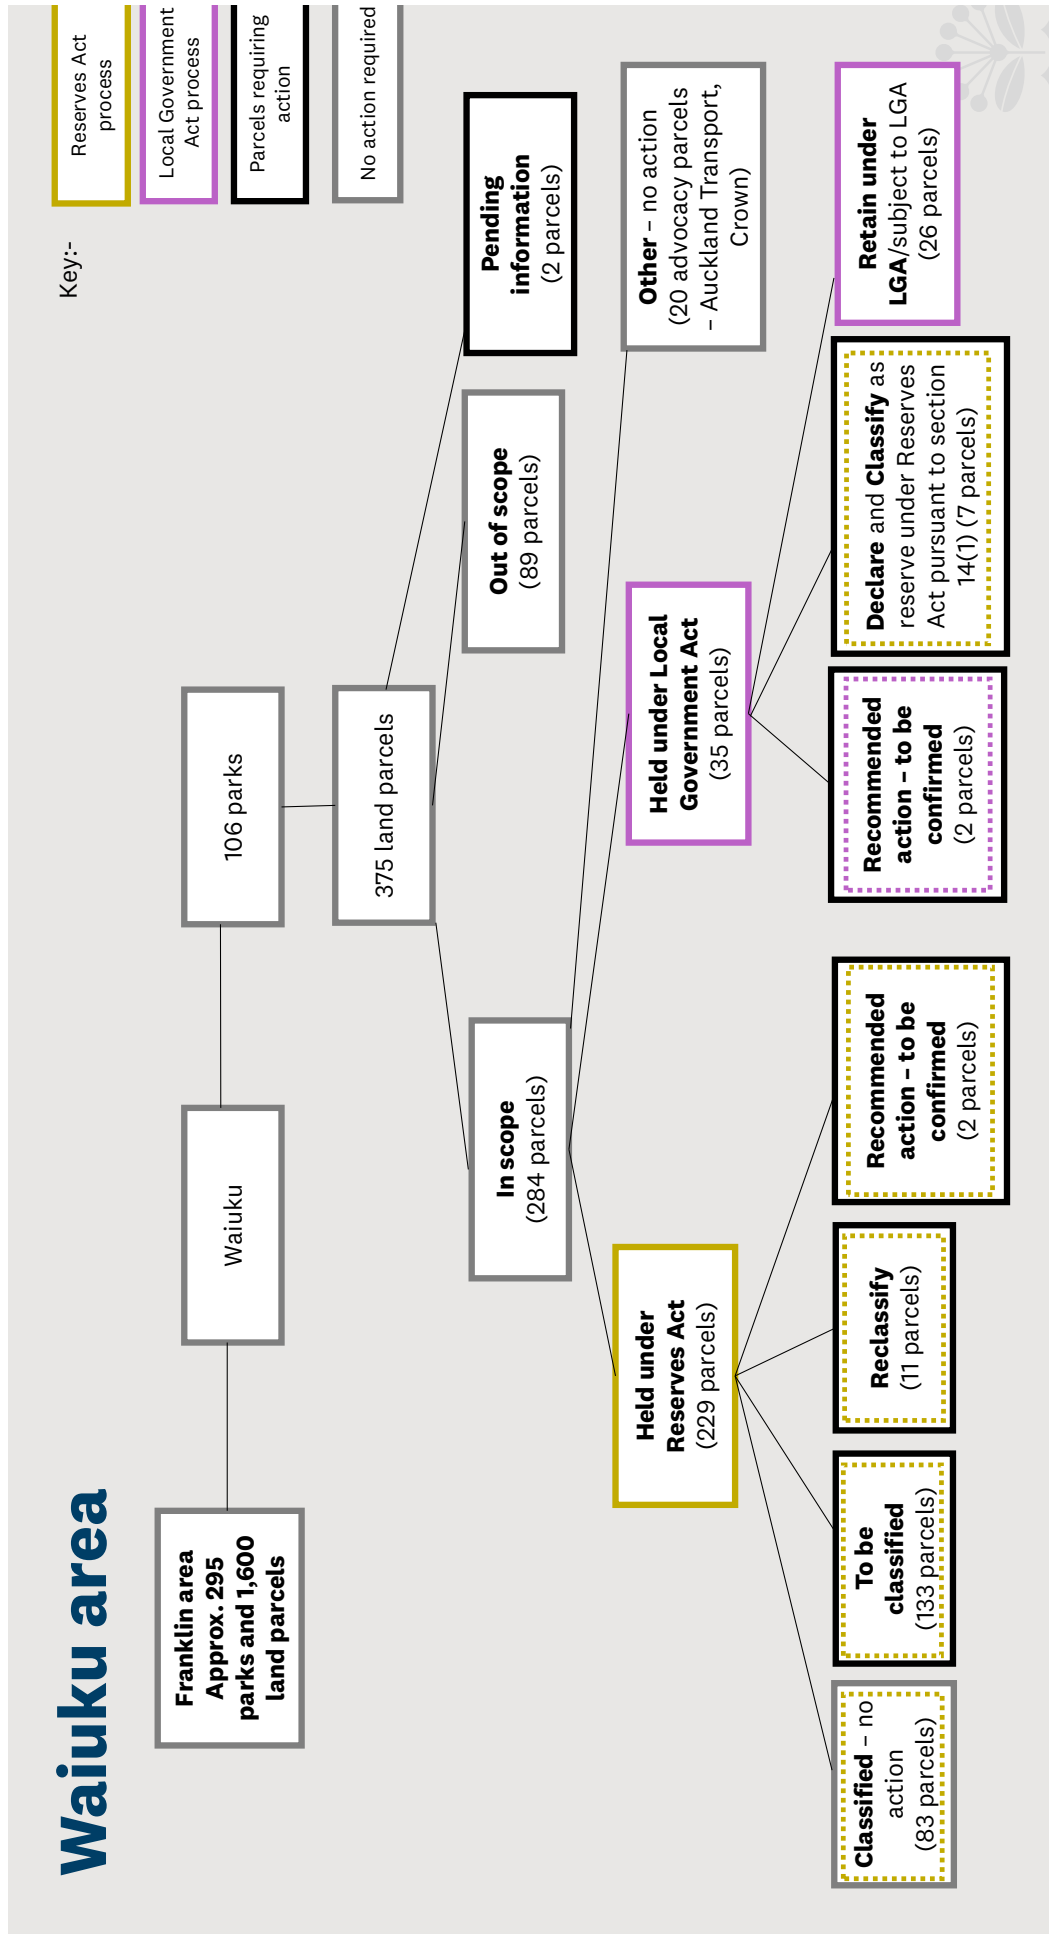

Key differences: LGA vs RA

Feature	Local Government Act (2002)	Reserves Act (1977)
Purpose	No statutory classification; managed as parkland Preference of Governing Body to hold newly acquired land under LGA	Giving each land parcel held under the RA a purpose
Flexibility	High – adaptable to future community needs	Limited – must align with classification
Legal Protection	Lower – less protection for significant ecological areas, open space or heritage values	High – strong protection, e.g. scenic and historic reserves
Disposal Restrictions	Section 138 restricts sale but allows changes	Stronger long-term protections against disposal
Management Guidance	Not legally required to have a designated primary purpose. Instead, we use a non-statutory tool called Management Focus Areas (MFAs) to guide management	Guided by statutory classifications
Leasing	Easier and more flexible	More regulated and dependent on classification

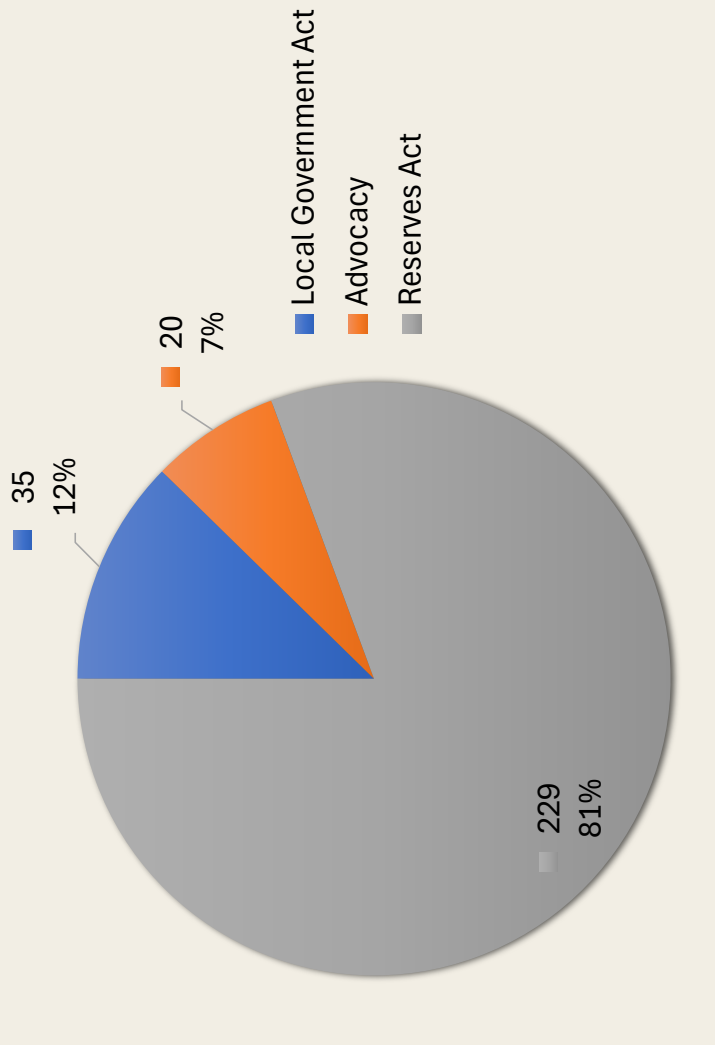

Land tenure

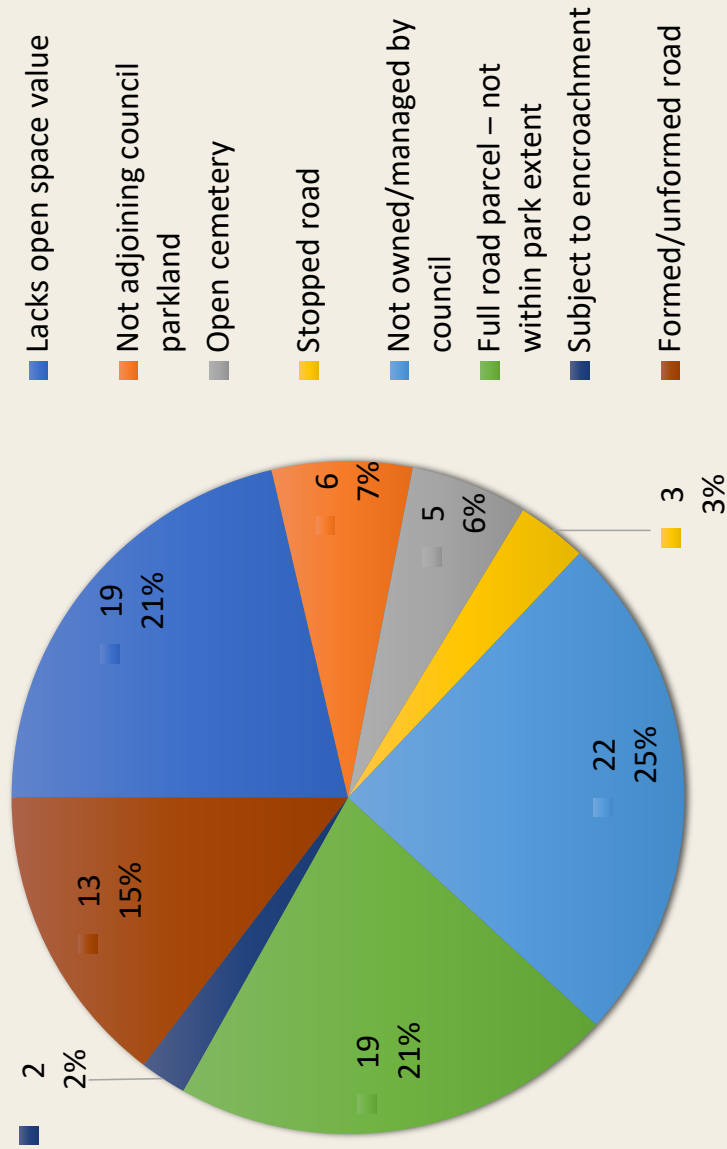

Land held in scope - 284 parcels

- Most of the land in scope is held under the RA (81%).
- 12% is held under the LGA, which could be declared and classified as reserves or retained under LGA.
- 7% consists of advocacy parcels (Crown or Auckland Transport land) which adjoin parkland.

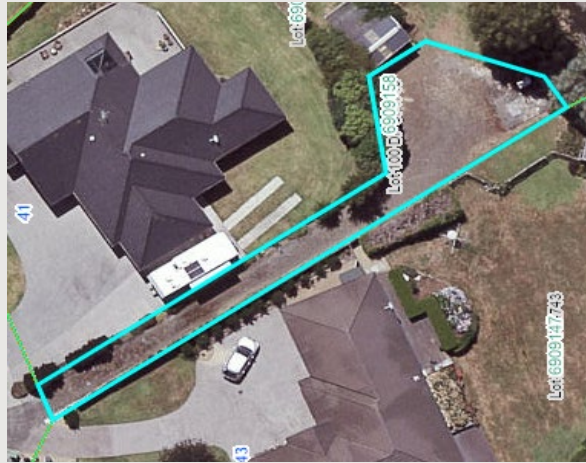

Out of scope parcel analysis

Parcels out of scope: 89 (24%)

- Majority of land out of scope is not owned/managed by council (25%).
- A significant portion of parcels, 39%, are road-related.
- Over 30% of parcels raise open space limitations, including lack of open space value, not adjoining parkland or subject to encroachment.
- Parcels designated as open cemeteries (6%) fall under distinct policy frameworks.

Out of scope parcel examples

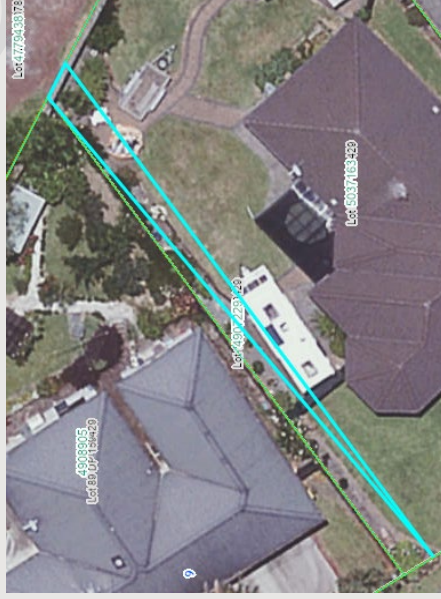

Not adjoining council parkland:

- Lot 100 DP 374743 held under RA – Vested as local purpose reserve.
- Zoning: Open Space - Informal Recreation Zone (UPZ).
- Located between private properties.

Lack of open space value:

- Adjacent to the Waiuku Railway Station (under construction).
- 1 (Lot 3 DP 1566663) and 2 (Lot 18 DP 119275) held under LGA.
- 3 (Lot 30 DP 119275) held under RA – classified local purpose (accessway) reserve.
- Zoning: Light Industry Zone (UPZ).
- Parcels appear to function as a recycling facility.

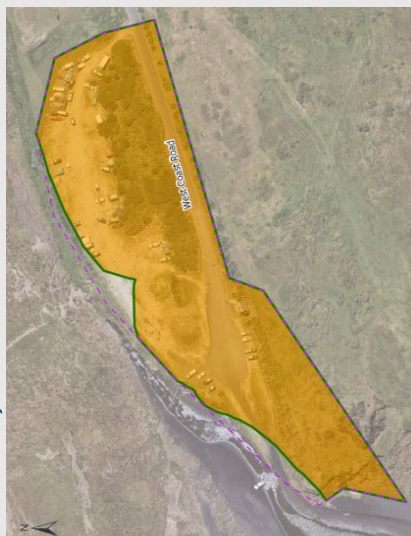

Subject to encroachment:

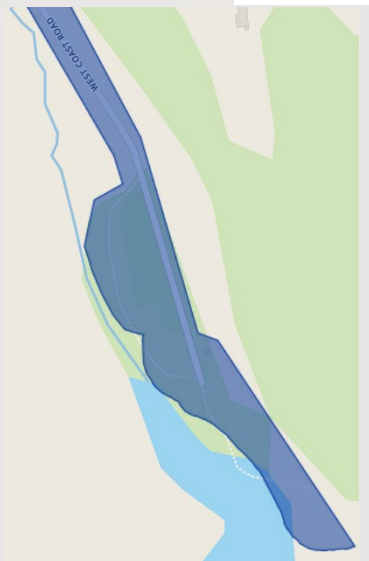

- Lot 143 DP 159429 – Located near Bayview/Elsie Drive Esplanade Reserve.
- Zoning: Residential - Mixed Housing Suburban Zone (UPZ).
- Held under RA, vested as a local purpose (accessway) reserve
- However, it does not connect to any open space or public road.

Waimatuku / Hamilton's Gap – Legal road

Part of West Coast Road,
Waiuku, Auckland 2684

LINZ ID: 5221652

Location: Part of West Coast Road, Waiuku, Auckland 2684
Current status: LINZ ID: 5221652 - Identified as a legal road in Land Information New Zealand (LINZ) data services, specifically within the NZ Primary Road Parcels layer. This layer identifies land that is officially recognised as part of the national road network.

Out of scope of the LPMP:

- Parcels identified as primary road corridors are generally **outside** the scope of the LPMP.
- The LPMP only maps legal roads if they **adjoin** parks or reserves, and these situations are described as advocacy parcels.

Auckland Transport's role:

- Auckland Transport (AT) is the primary agency responsible for managing and making decisions regarding the road corridor. This road corridor designation means it cannot be classified as parkland or reserve by Auckland Council.

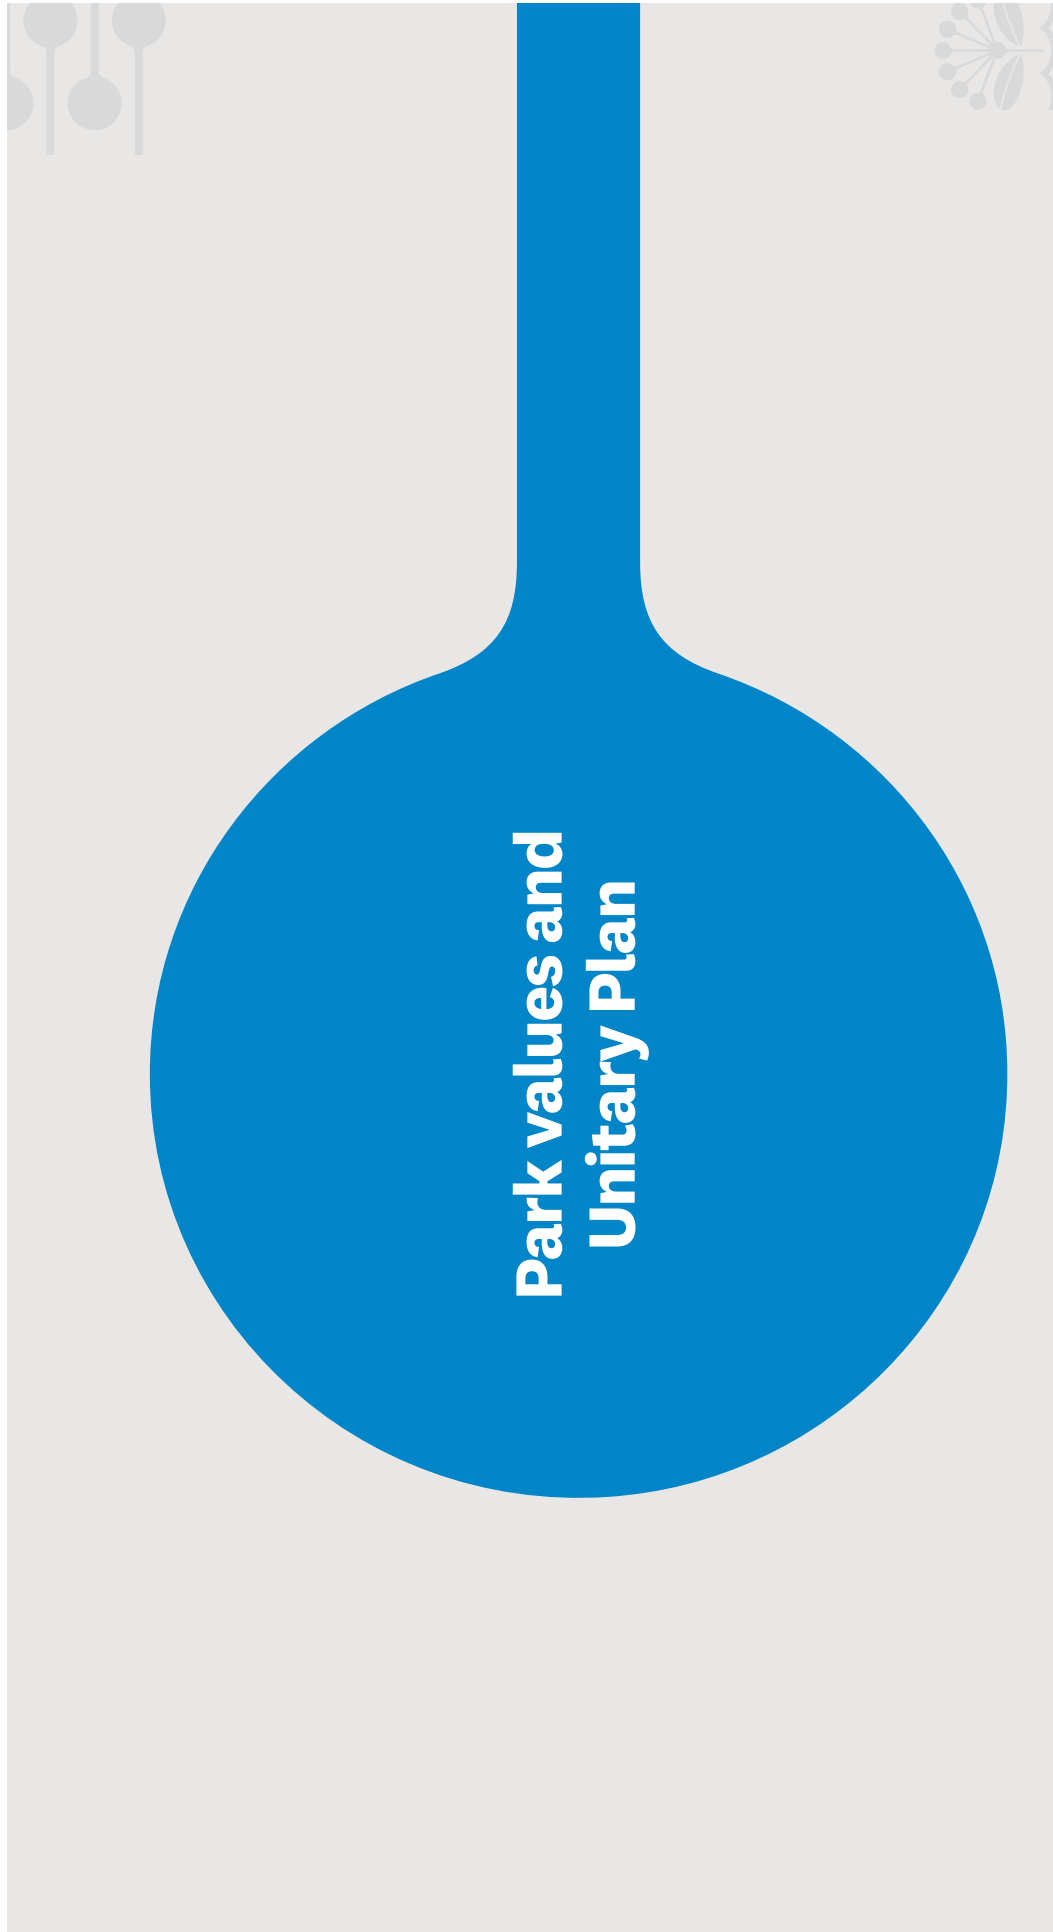

Classification	Current		Proposed	
	Count	%	Count	%
Crown land	4	1.41%		
Historic			1	0.65%
Local purpose (access) reserve	1	0.35%		
Local purpose (accessway) reserve	1	0.35%	6	3.87%
Local purpose (community buildings) reserve	2	0.70%		
Local purpose (community hall utility) reserve	2	0.70%		
Local purpose (community use)			1	0.65%
Local purpose (drainage) reserve			9	5.81%
Local purpose (esplanade) reserve	36	12.68%	104	67.08%
Local purpose (landing) reserve	1	0.35%		
Local purpose (plantation) reserve	1	0.35%		
Local purpose (public hall site) reserve	1	0.35%		
Local purpose (road) reserve	2	0.70%	1	0.65%
Local purpose (surf life saving, surf education accommodation, kiosk and community buildings) reserve	2	0.70%		
Local purpose reserve (site for community buildings)	1	0.35%		
Local purpose reserve (war memorial site) reserve			1	0.65%
Recreation reserve	45	15.85%	22	14.19%
Reserve for Borough Depot	1	0.35%		
Road	16	5.63%		
Scenic reserve s19(1)(a)			4	2.58%
Scenic reserve s19(1)(b)			2	1.29%
Subject to the Local Government Act 2002	35	12.32%		
Unclassified	133	46.86%		
TBC			4	2.58%
Total	284	100.00%	155	100.00%

Current vs Proposed classifications

- Parcels proposed for classification under the RA: **155**.
- Previously, **46% of land was unclassified**.
- **Esplanade reserves make up the largest category (67%),** reflecting the need to protect coastal and riparian margins.
- Recreation reserves remain the second largest category, ensuring active and passive recreational spaces.
- Drainage and accessway reserves are assigned where they serve stormwater management or connectivity functions.
- Scenic reserves are assigned to protect areas with high ecological, landscape or biodiversity value.

**Park values and
Unitary Plan**

Park values and land classification

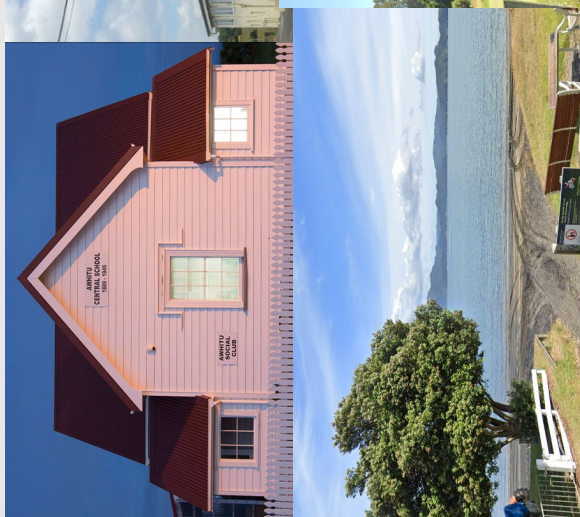

Park values										
		Ancestral sites								
Cultural	Landscapes/areas of cultural significance to Māori	Wāhi Tūpuna - ancestral sites: Including historical pā and places where other artefacts have been found indicating Māori settlement								
	Historic sites	Historic sites including archaeological sites, structures gardens and trees								
Natural	Ecological	Terrestrial /wetland	Notable vegetation	Stream	Fauna	Geological				
	Significant ecological and biodiversity areas	Terrestrial and wetland ecosystems present	Other notable vegetation	Park with stream running through or that is adjacent to the coast	Fauna e.g., birds, skinks/lizards, fish	Geological and landscape features				
Recreation	Water Access	Informal Recreation	Community facilities	Partnerships	Sport	Event	Play space			
	Water Access	Informal recreation	Community leisure and recreation facilities	Significant community partnerships	Organised sport and recreation	Event	Play space			
Hazards/ constrains	Coastal	Contamination					Other			
	Coastal hazards	Closed landfill and/or contaminated land					Other hazards or constraints			

- Values provide a starting point for assessing activities and development.
- Values identified across groups of parcels rather than individual land parcels.
- Park values help guide land classification and management decisions, for instance:
 - Cultural and heritage sites may require preservation-focused classifications.
 - Ecological and natural value areas may warrant scenic or esplanade classifications.

Overview of values identified

The classification process ensures alignment between values, the land's key features and purpose. In the Waiuku area:

- Significant natural values present in 26% of reserves, aligning closely with esplanade and scenic reserve classification, to preserve biodiversity and ecosystems.
- Recreation values present in 24% of reserves, aligning with recreation classification, to provide open spaces for passive/active recreation.

*Awhitu Hall, Glenbrook War Memorial Hall, Oorua / Orua Bay, Waiuku Golf and Squash Club.

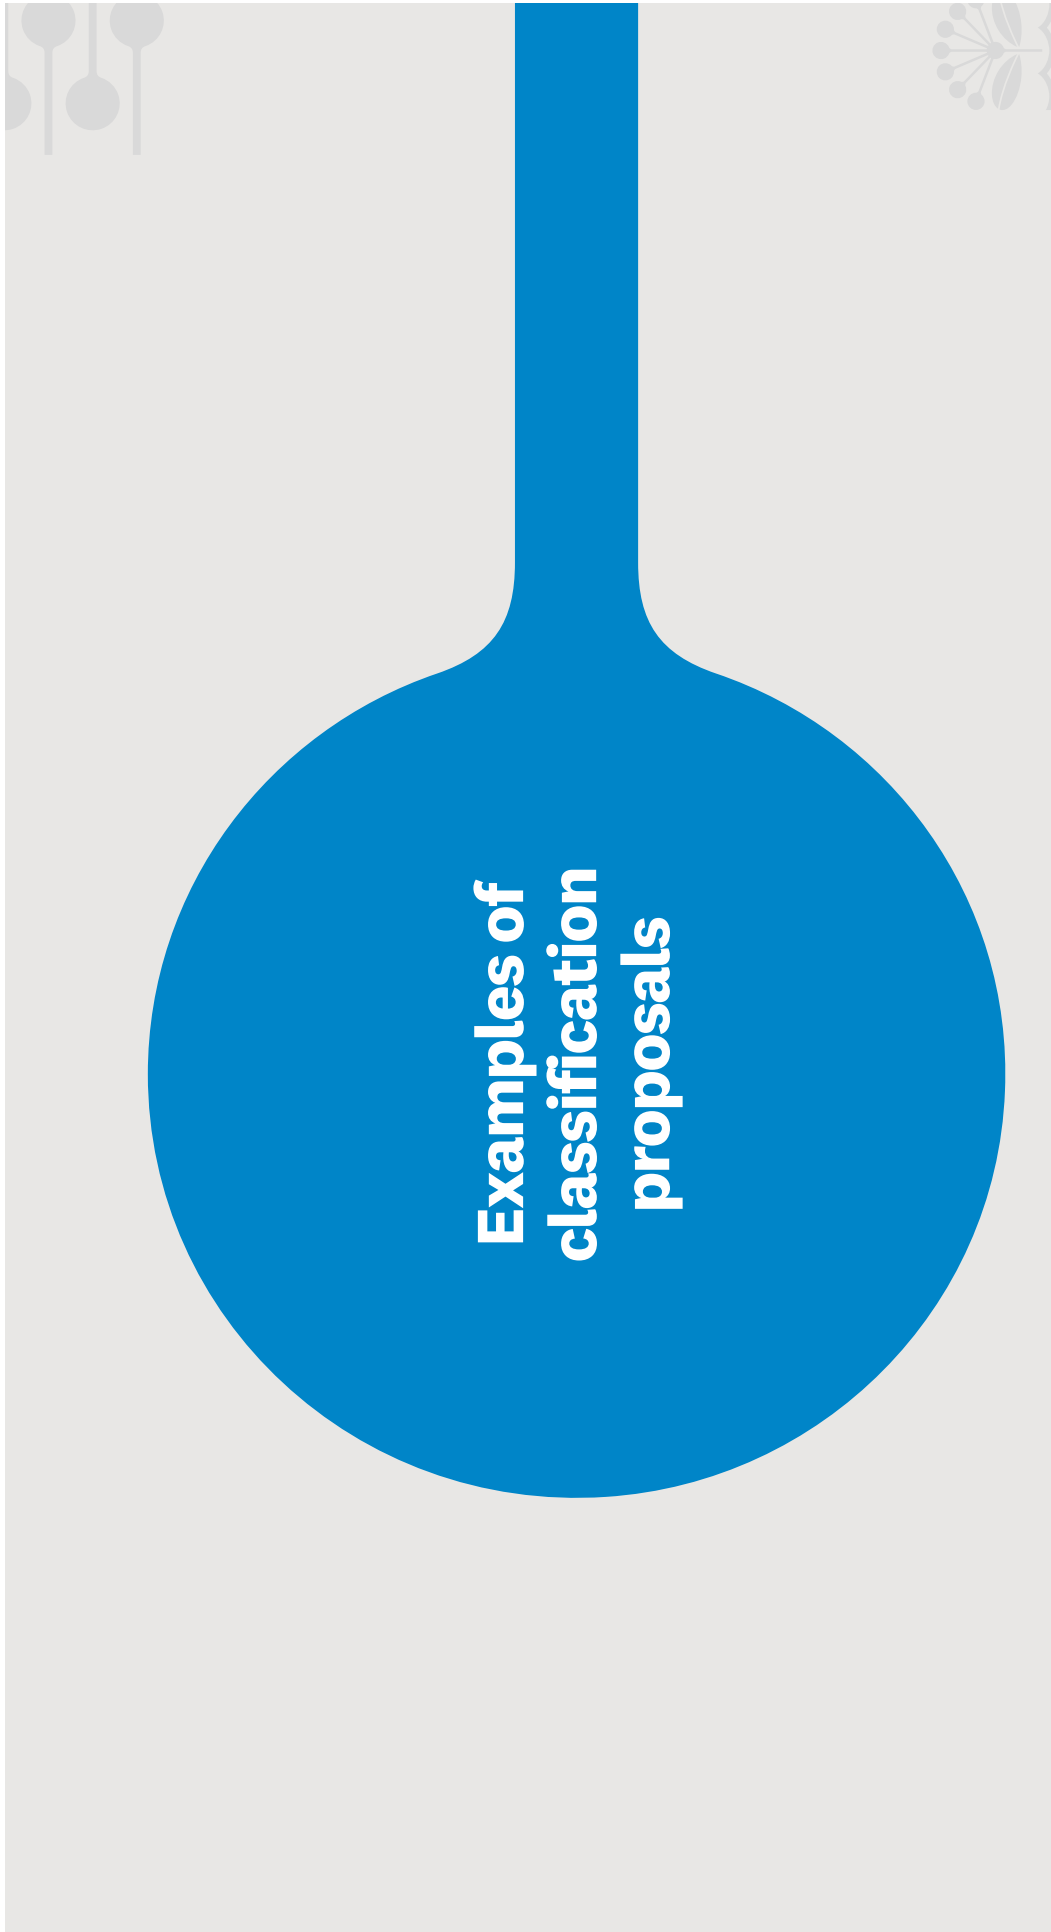

- Hazards (28%) are significant and influence classification decisions for protection purposes.
- Some values indicate a need for higher protection (e.g., historic, scenic).

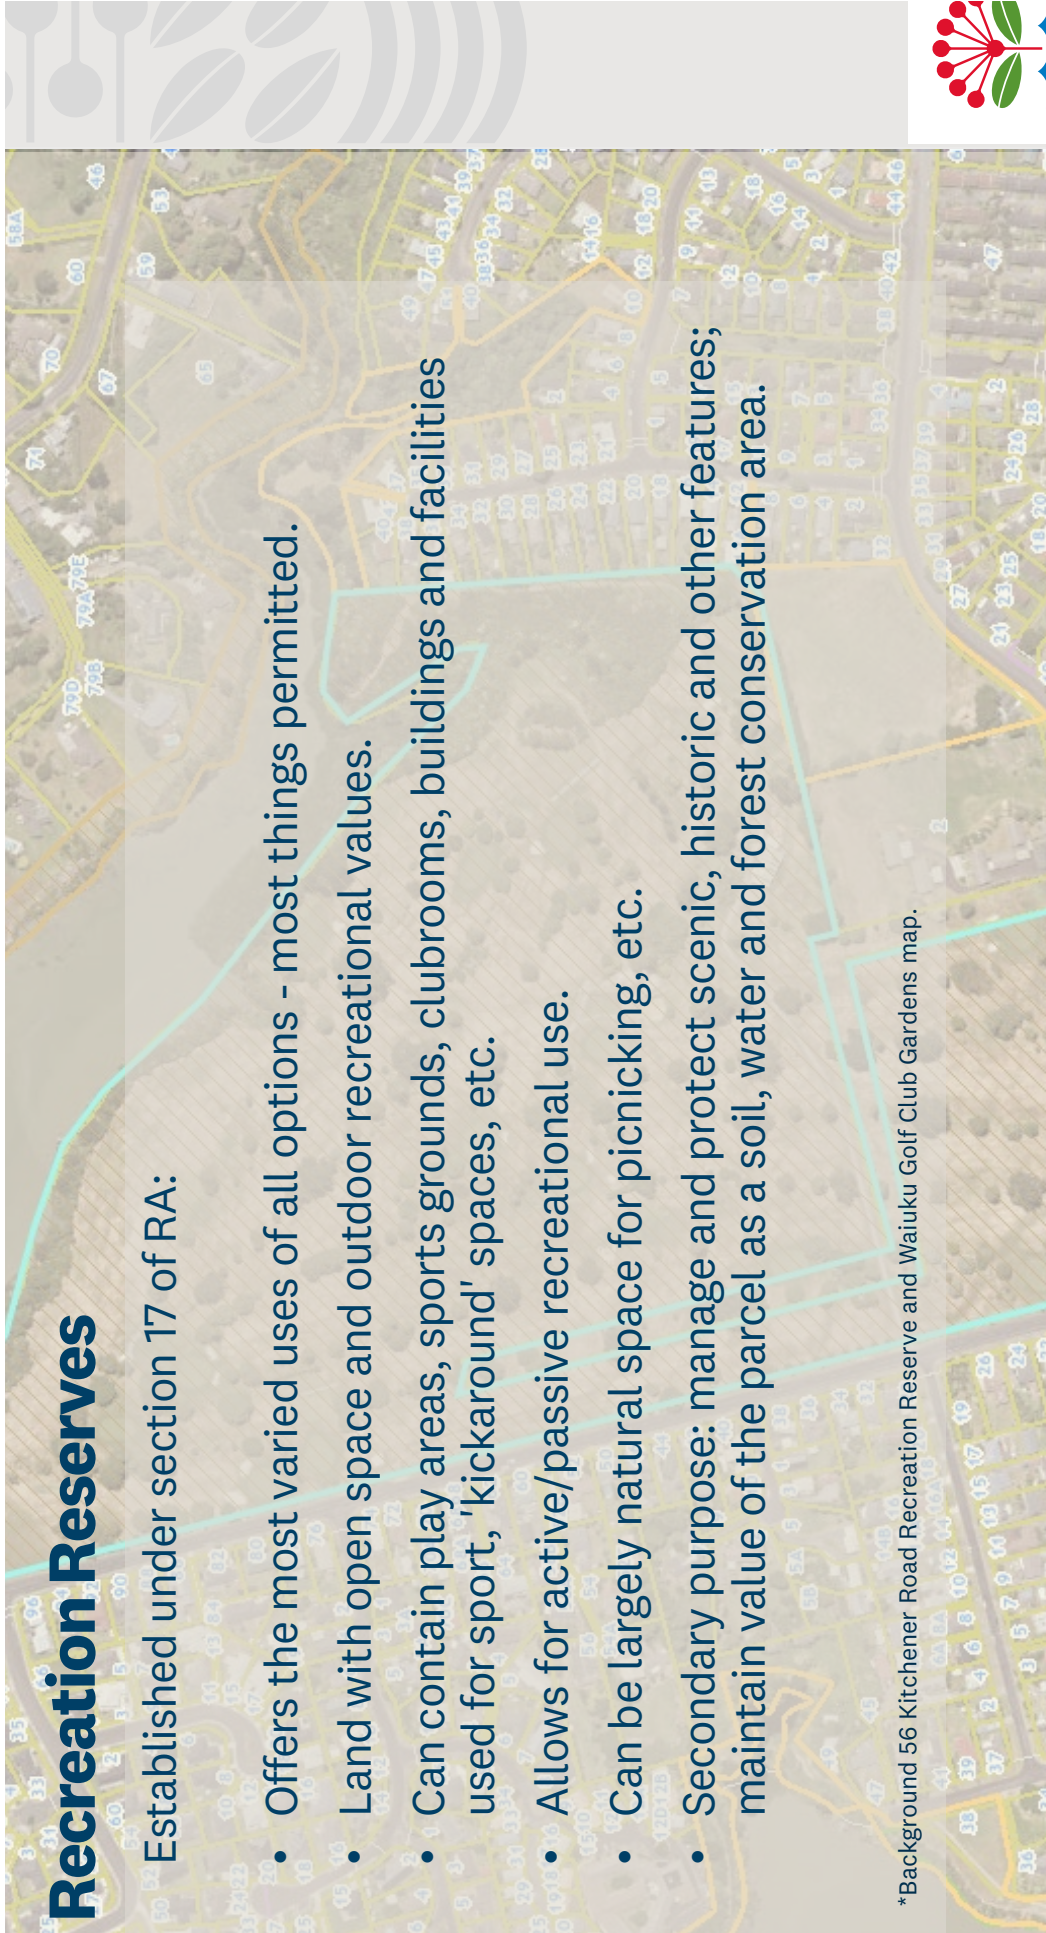

Land classification and Unitary Plan zoning

- 242 parcels are in Open Space zones, supporting Recreation and Local Purpose classifications.
- 83 parcels in Conservation and Coastal zones, supporting esplanade and scenic reserves classifications.
- 18 parcels zoned as Road— represent advocacy parcels and road reserves.
- 9 parcels in Rural, 6 parcels in Residential and 2 parcels in Business zones — could be retained under LGA or classified under the RA.

Unitary plan zones	Count	%
Business - Light industry zone	1	0.35%
Business - Local centre zone	1	0.35%
Coastal - Coastal transition zone	2	0.70%
Coastal - General coastal marine zone	5	1.76%
Open Space - Community zone	8	2.82%
Open Space - Conservation zone	76	26.76%
Open Space - Informal recreation zone	140	49.31%
Open Space - Sport and active recreation zone	18	6.34%
Residential - Mixed housing suburban zone	2	0.70%
Residential - Rural and Coastal settlement zone	1	0.35%
Residential - Single house zone	3	1.06%
Road	18	6.34%
Rural - Mixed rural zone	5	1.76%
Rural - Rural coastal zone	2	0.70%
Rural - Rural production zone	2	0.70%
Total	284	100.00%

Recreation Reserves

Established under section 17 of RA:

- Offers the most varied uses of all options - most things permitted.
- Land with open space and outdoor recreational values.
- Can contain play areas, sports grounds, clubrooms, buildings and facilities used for sport, 'kickaround' spaces, etc.
- Allows for active/passive recreational use.
- Can be largely natural space for picnicking, etc.
- Secondary purpose: manage and protect scenic, historic and other features; maintain value of the parcel as a soil, water and forest conservation area.

*Background 56 Kitchener Road Recreation Reserve and Waiuku Golf Club Gardens map.

Massey Park - Waiuku

	Land status		Recommended actions	Proposed classification	Unitary Plan zones	comments
	Land held LGA/RA	Current classification				
1 (Allot 361 PSH OF Waiuku East)	RA	Recreation reserve	no action	N/A	Open Space - Sport and active recreation zone	Recreation lease: Waiuku District Cricket Club and Waiuku Association Football club
2 (Allot 321 PSH OF Waiuku East)	RA	Local purpose (site for community buildings) reserve	no action	N/A	Open Space - Sport and active recreation zone	Waiuku Lions Club Hall carpark area
3 (Section 1 SO 60967)	RA	Unclassified	classify s16(2A)	Recreation Reserve	Open Space - Sport and active recreation zone	Features: Playground, skatepark, basketball court, picnic tables, sports field
4 (Part Allot 73 VILL OF Waiuku)	RA	Recreation reserve	no action	N/A	Open Space - Sport and active recreation zone	Recreation lease: Waiuku Bowling Club

Historic Reserves

Established under section 18 of RA:

- Land with places, objects or natural features that are of historic, archaeological, cultural, educational and other special interest.
- Typically used when historic features are still present.
- Incompatible with most sporting activities (fields, club rooms, etc.)
- Primary value should be traditional, historic or archaeological (via an association with major events or Māori tradition).
- Site should be of interest to visitors / allow public access.
- Secondary purpose: manage and protect scenic and other features; maintain value of the parcel as a soil, water and forest conservation area.

* Background Lake Pokorua.

Pokorua / Pokorua Historic Reserve

Pā site (area framed in red)
NZAA ID: R12/31

Land status	Land status		Unitary Plan zones	comments	
	Land held LGA/RA	Current classification			Recommended actions
1 (Lot 3 DP 171960)	RA	Unclassified	classify s16(2A)	Historic	In 1994 Franklin District Council acquired a 17.7-hectare tract of land near Lake Pokorua on the Manukau Peninsula in order to protect historic archaeological sites*

*Data source: Auckland Council Libraries, Kura Heritage collections online.

Scenic Reserves 19(1)(a) and 19(1)(b)

Established under section 19(1)(a) or 19(1)(b) of RA:

- Land with scenic interest, beauty or natural features or landscape worth protecting and preserving in the public interest.
- Incompatible with most sporting activities (fields, club rooms, etc.)
- Scenic 1a – very high natural or scenic values; subject to higher level protection requirements; requires removal of exotic vegetation; less capacity to add recreational features.
- Scenic 1b – develops areas of scenic value for public enjoyment; less rigorous protection requirements; some capacity to add recreational features.
- Secondary purpose: provide amenities and facilities to enable the public to enjoy the reserve; manage historic and other features; maintain value of the parcel as a soil, water and forest conservation area.

*GIS, Significant Ecological Area overlay – Terrestrial.

Te Paa Kehakeha Kauahi / Kemp Road Scenic Reserve

	Land status		Recommended actions	Proposed classification	Unitary Plan zones	comments

4. Management Focus Areas (MFAs)

Management focus areas (MFAs)

To provide further direction for the management of parks held under the **LGA** and those held under the **RA** as **recreation reserves**.

Why MFAs are used:

- Applied to land under the LGA to clarify the primary purpose of the parkland, as there is no statutory requirement for this.
- Applied to recreation reserves to guide the management of diverse activities and protect special features.
- Not applied to scenic, historic or local purpose reserves, as these already have clear statutory management guidelines.

*Images of MFAs from adopted LPMPs.

Types of MFAs

There are six MFAs:

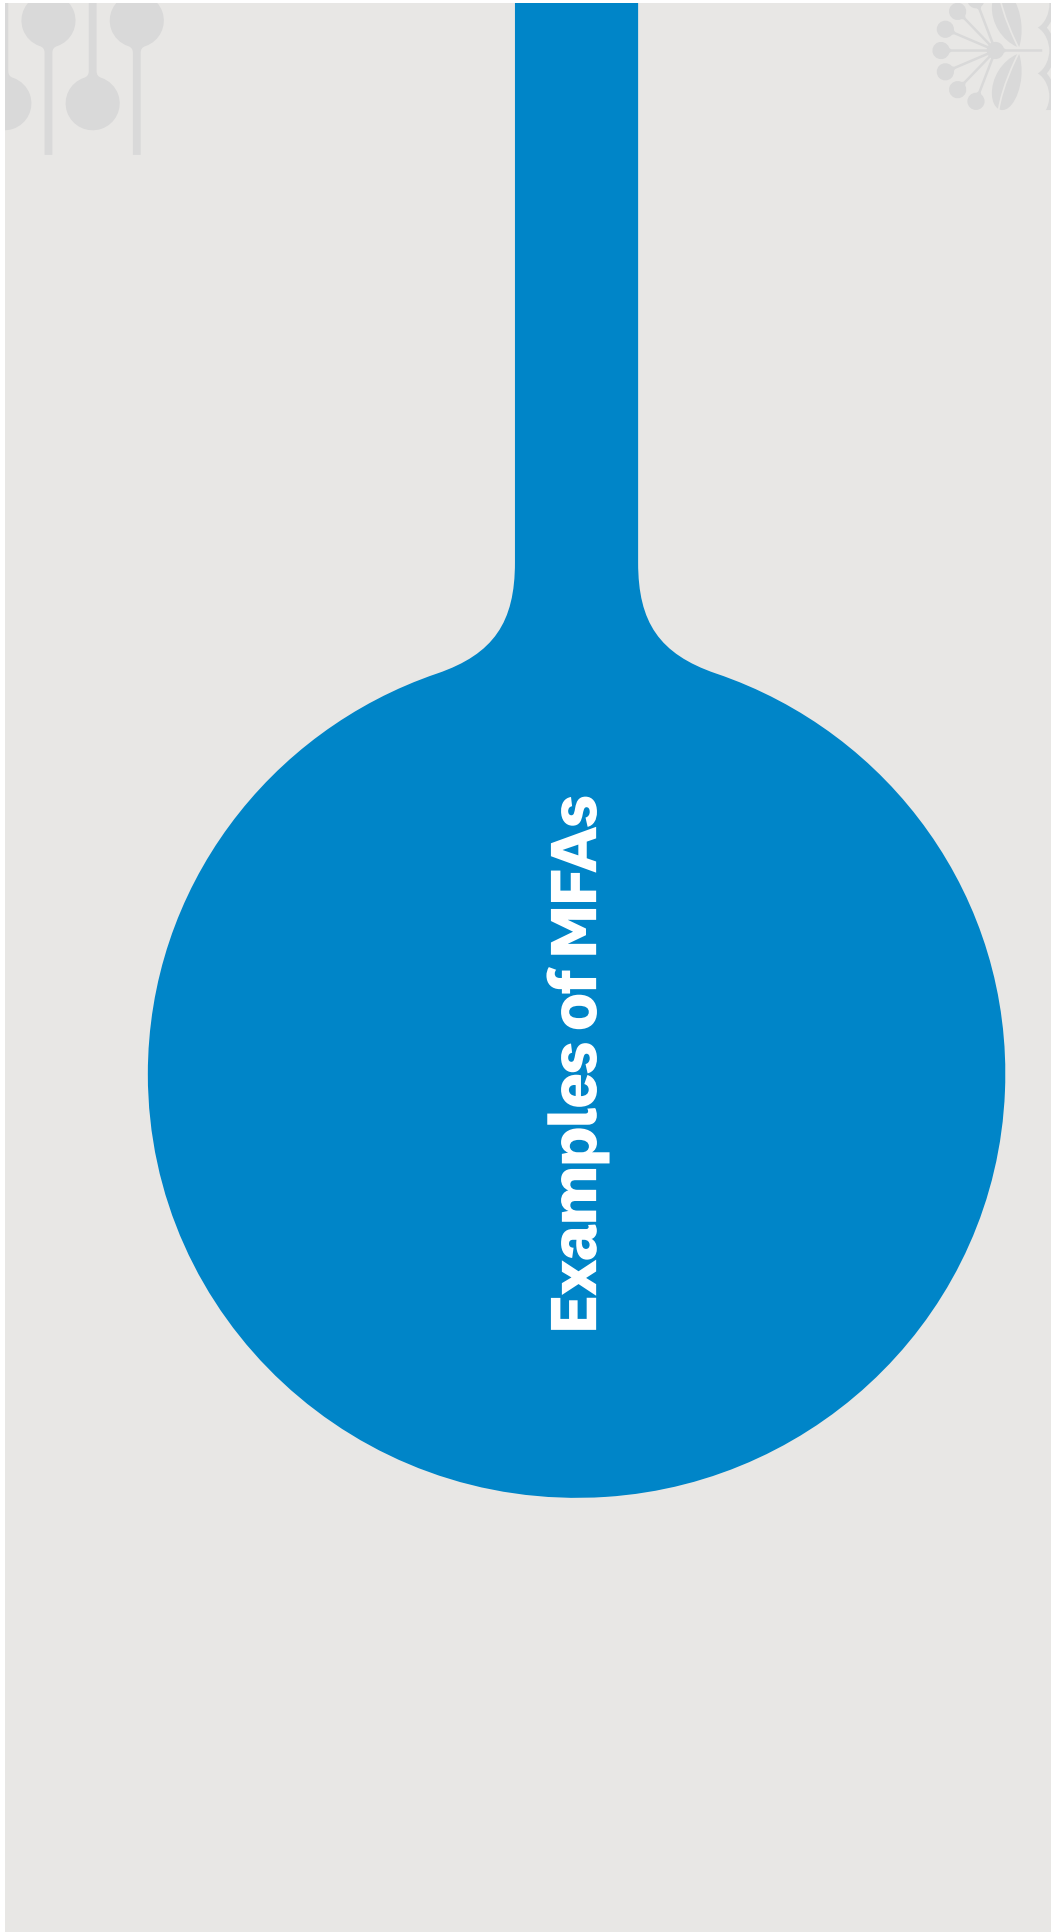

1. **Water and coastal access** – Provides access to coast/rivers and supports water-based activities.
2. **Informal recreation** – Focuses on casual public use and enjoyment.
3. **Protection of the natural environment** – Preserves and enhances ecological values.
4. **Recreation and ecological linkage** – Connects green spaces and enhances biodiversity.
5. **Organised sport and recreation** – Supports structured sports and recreation activities.
6. **Community use** – Provides spaces for community events and activities.

Management Focus Areas

-  Community use
-  Informal recreation
-  Organised sport and recreation
-  Protection of the natural environment
-  Recreation & ecological linkage
-  Water and coastal access

*MFAs iconography used in adopted LPMPs.

Grahams Beach Domain

	Land held LGA/RA	Current classification	Recommended actions		Proposed classification
1 (Allot 202 PSH OF Awhitu)	RA	Recreation Reserve	no action	N/A	MFA of organised sports and recreation Community lease: Grahams Beach Road - Bowling Club

Glenbrook War Memorial Hall

	Land status			Unitary Plan zones	comments
	Land held LGA/RA	Current classification	Recommended actions		
1 (Part Allot 147 PSH OF Waiuku East)	LGA	Subject to the Local Government Act 2002	*retain under LGA	N/A	MFA of community use Glenbrook's hall was built in the early 1950s
2 (SECT 1 SO 549943)	LGA	Subject to the Local Government Act 2002	*retain under LGA	N/A	MFA of community use Acquired by Auckland Council for community hall

*Retain under LGA: Provides greater flexibility for leases/licences and potential commercial activity associated with the operation of the hall.

Item 3

Attachment A

Next steps

- **Engage with mana whenua** on proposed land classifications.
- **June - July 2025:** Workshop mana whenua feedback on land classifications with the local board.
- **August - September 2025 Business Report** to provide classification recommendations on the Waiuku area:
 - Land parcels to be held under the Local Government Act (2002).
 - Parcels to be declared and classified with public notification.
 - Parcels to be classified without public notification.
 - Parcels to be reclassified with public notification.
- **Public notification** (required classifications).
- **Continue classification review** for the Pukekohe area.

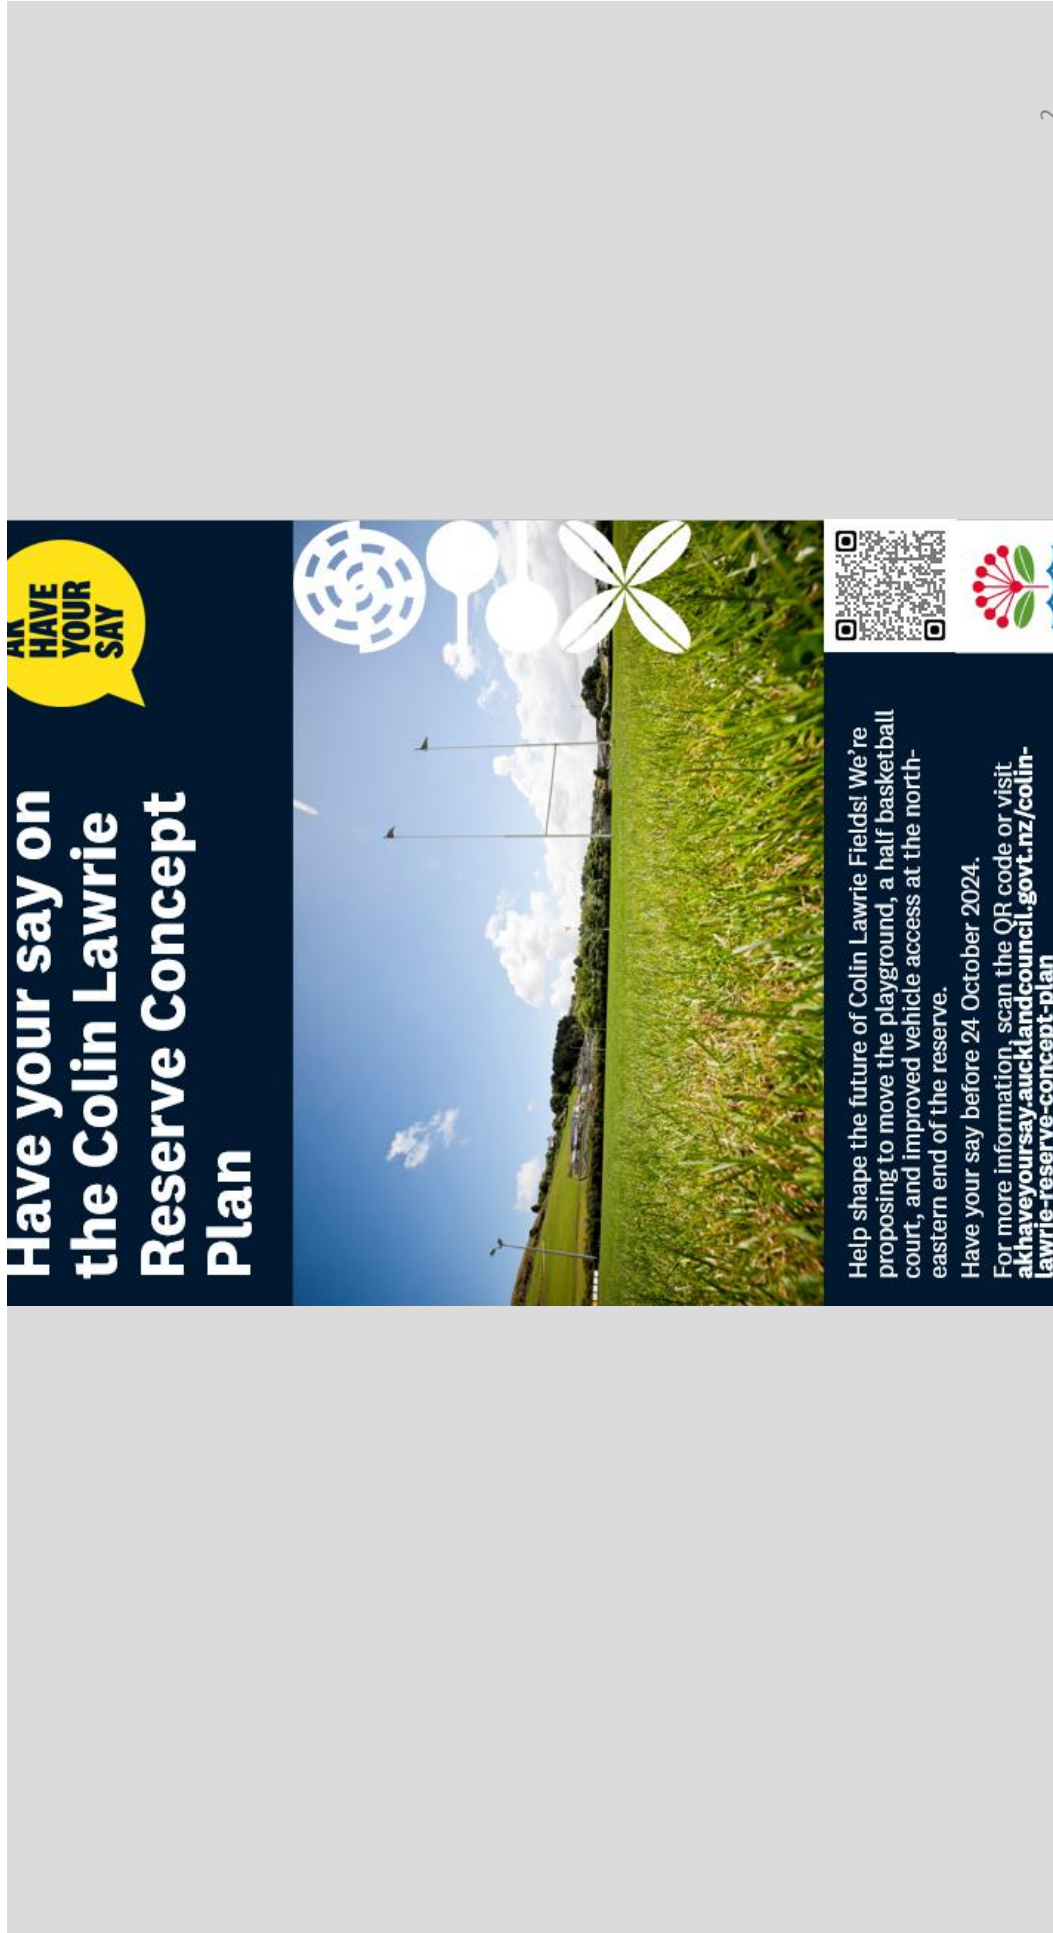

Colin Lawrie Fields & Paparata Reserve

Consultation Results

Franklin

Parks & Community Facilities

April 2025

Have your say on the Colin Lawrie Reserve Concept Plan

HAVE YOUR SAY

Help shape the future of Colin Lawrie Fields! We're proposing to move the playground, a half basketball court, and improved vehicle access at the north-eastern end of the reserve.

Have your say before 24 October 2024.

For more information, scan the QR code or visit aucklandcouncil.govt.nz/colin-lawrie-reserve-concept-plan

Colin Lawrie Fields – Consultation Overview

Franklin Local Board Business Meeting resolved: FR/2024/116 (24th August 2024)

To endorse the strategic service assessment recommendations and approve the draft concept plan with the inclusion of additional carparking spaces to accommodate growth for Colin Lawrie Reserve.

CONSULTATION

Objective: To seek wider community feedback on the draft concept plan for Colin Lawrie Fields

Approach: Distribution to neighbouring houses, club members, signage displayed on site, schools notified & flyers at local aquatic centre.

Duration: 4 weeks (24th September – 24th October)

Response numbers: 108

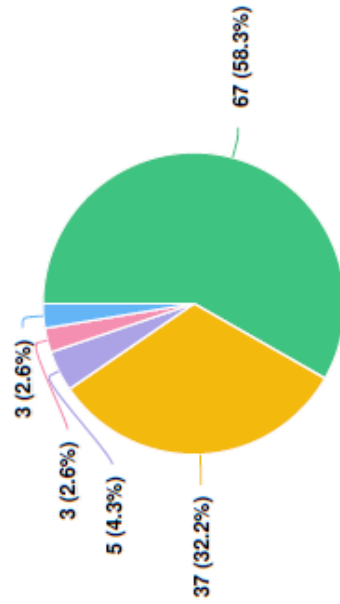

Colin Lawrie Fields & Reserve Draft concept plan

Colin Lawrie Park draft concept plan – general feedback

Q1 The draft concept plan outlines our key priorities to achieve our vision. What do you think of our draft concept plan/prior...

Question options

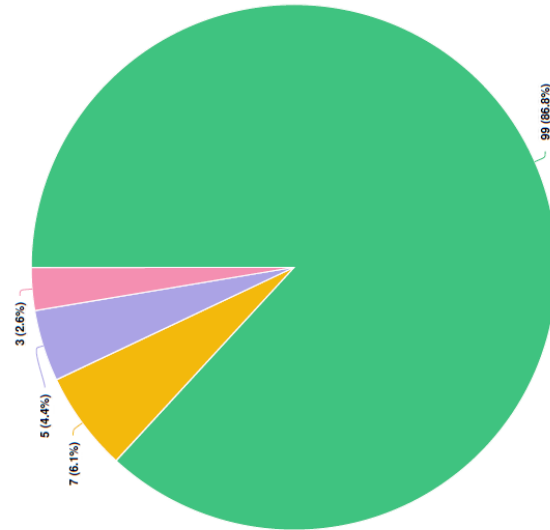

- I support all priorities in the draft concept plan
- I do not support most priorities in the draft concept plan
- Other (please specify)
- I support most priorities in the draft concept plan
- I do not support any priorities in the draft concept plan

Optional question (115 response(s), 2 skipped)
Question type: Radio Button Question

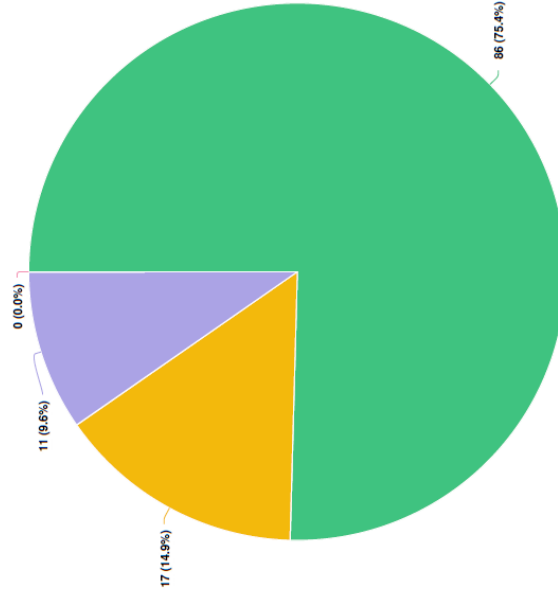

Colin Lawrie Park draft concept plan – playground and basketball feedback

Q3 Do you support the new playground location within the park? (Refer to the draft concept plan)

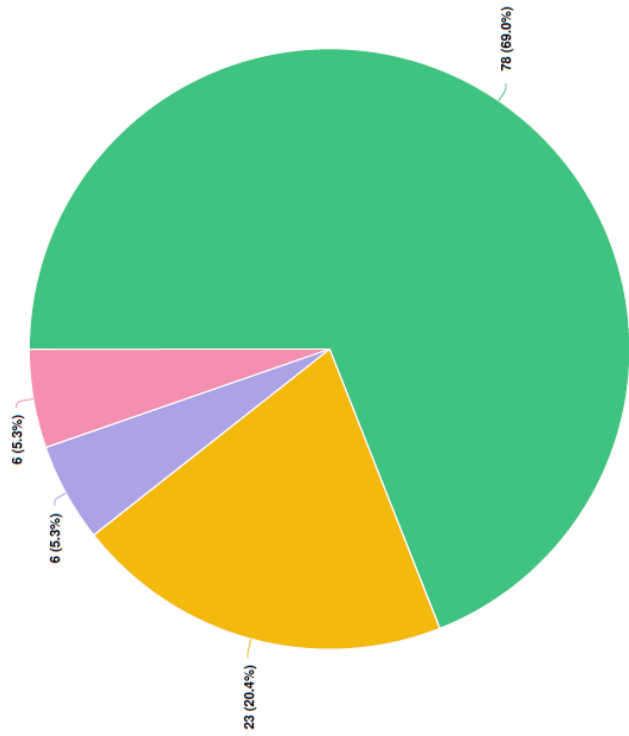

Q5 Do you support a new half basketball court? (Refer to the draft concept plan)

Colin Lawrie Park draft concept plan – carparking & toilet feedback

Q7 Do you support additional carparking in the park? (Refer to the draft concept plan)

Q9 Do you support a new accessible toilet block in the park? (Refer to the draft concept plan)
