<b>ITEM</b>	<b>TABLE OF CONTENTS</b>	<b>PAGE</b>
<b>3</b>	<b>Local Board Workshop</b>	
A.	Draft Waiheke Local Board Work Programme	3
B.	Draft Waiheke Local Board Work Programme spreadsheet	43
C.	Draft Waiheke Local Board Capex Work Programme FY 26-28	61
D.	Infrastructure and Environmental Services Local Board work programme 2025	65

The cover page features a dark blue background with a pattern of white circles and lines. The text is centered and reads:

# Draft work programmes

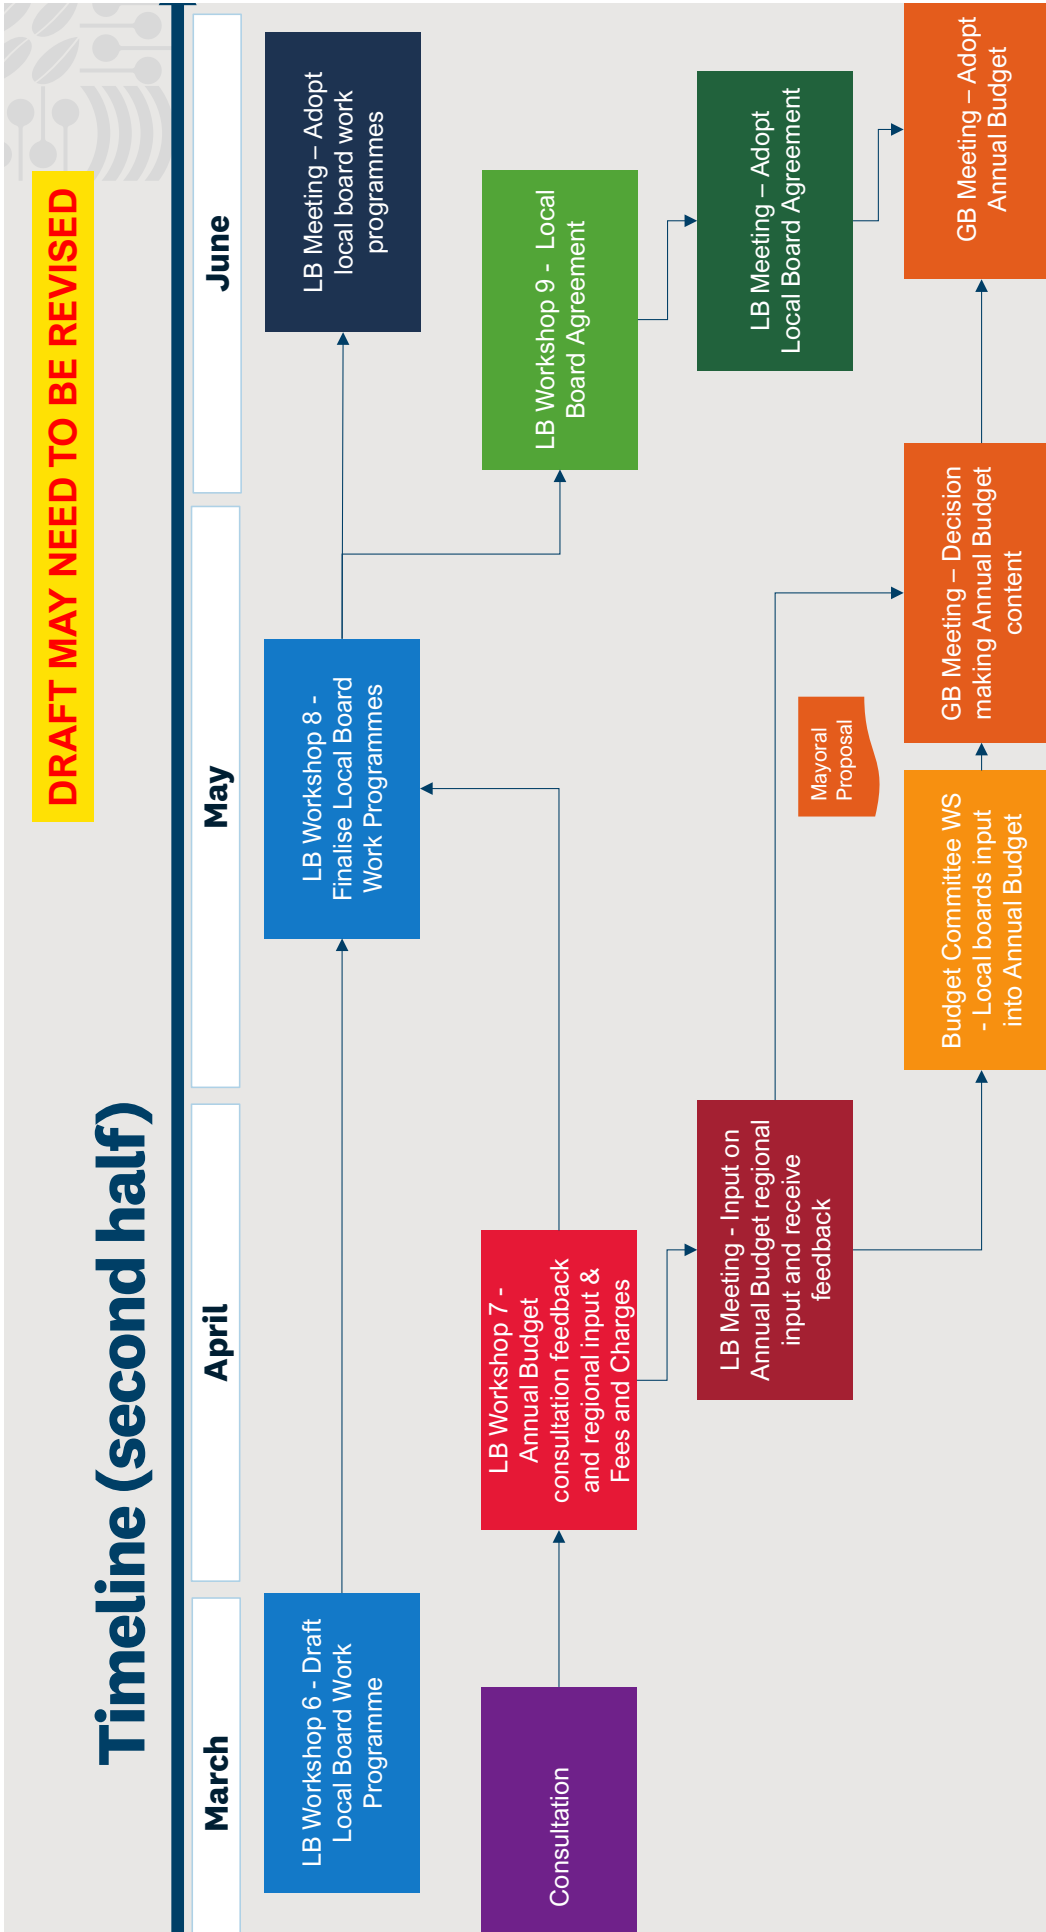

Waiheke Local Board

2 April 2025

# Timeline (second half)

**DRAFT MAY NEED TO BE REVISED**

## Purpose

- The purpose of this discussion is to provide feedback on the draft 2025/2026 work programme
- Staff have developed draft work programmes following direction setting workshops in October last year

Item 3

Attachment A

# OPEX Budget

	2025/2026
<b>BUDGET</b>	
LTP Budget – Year 2	\$4.6m
Additional funding – Fairer Funding	\$0.9m
Cost pressures	0
<b>TOTAL</b>	<b>\$5.5m</b>

## Ngā Tāngata / Our people -

ID	Activity	Amount	Department	Advice
412	Operational grant for Waiheke Community Art Gallery	\$70,000	Community Wellbeing	Proposed increase of \$50,000 to bring the gallery to a more equitable level as recommended by Place and Partner Specialist (Arts) and the Arts Partner Funding Framework.  Note: This increase will not be going towards additional projects or programmes as it is an increase to their operational grant
414	Operational grant for Artworks Theatre	\$40,000	Community Wellbeing	Proposed increase of \$20,000 to bring funding up to a more equitable level as recommended by Place and Partner Specialist (Arts) and the Arts Partner Funding Framework.  Note: This increase will not be going towards additional projects or programmes as it is an increase to their operational grant.

## Ngā Tāngata / Our people –

ID	Activity	Amount	Department	Advice

Rangihoua Onetangi Sports Park: Waiheke Island Rugby Club Incorporated

# Tō Tātou Hāpori / Our Facilities and Open Spaces - Opex

## Activity

### New lease / Lease renewal:

Rangihoua Onetangi Sports Park/Onetangi Historic Village: Waiheke Island Historical Society Incorporated

Te Huruhi Bay Reserve: Waiheke Island Pony Club Incorporated

Rangihoua Onetangi Sports Park: Waiheke Island Riding Club Incorporated

Rangihoua Onetangi Sports Park: Waiheke United Association Football Club Incorporated

Rangihoua Onetangi Sports Park: Waiheke Golf Club Incorporated

## Tō Tātou Hāpori / Our Facilities and Open Spaces - gaps

Direction	Advice
Anzac Reserve improvements - Opportunity to make it more accessible and all weather for the market. Supporting as vital economic incubator hub	If the board consider this a priority staff will reprioritise proposed capex funding lines.
Improve access to Onetangi Beach at the eastern end	Staff to include investigation within work programme.

**Refer also to Capex slides that follow**

**PLACEHOLDER: Service Levels (Libraries)**

## Te Taiao / Our Environment

ID	Activity	Amount	Department	Advice
586	Community Ecological Partnership - Love our Wetlands	\$180,000	P&CF	Fund Waiheke Resources Trust. Proposed increase of \$40k for increase planting & restoration activities.
588	Community Ecological Partnership – Ratbusters and community volunteers	\$88,440	P&CF	Fund contractor. Proposed increase of \$24,638. Increased hours & traplines
2955	Ecological Volunteers Programme (Local Parks) - volunteers and friends of groups	\$40,000	P&CF	Proposed increase of \$17,500 for tools, resources & plants for 9 local groups
624	The Waiheke Marine Education Initiative	\$43,000	Environment	Proposed increase of \$6,000.
626	Climate Action Activator - Waiheke	\$71,000	Environment	Fund Waiheke Resources Trust. Proposed increase of \$41,000. Includes refresh of the Waiheke Climate Action Plan

## Te Taiao / Our Environment

ID	Activity	Amount	Department	Advice
629	Waiheke Island Water Quality Project	\$61,000	Healthy Waters	Fund Waiheke Resources Trust. Proposed increase of \$31,000. A new project will be explored to give effect to Te Mana o Te Wai. WaiCare and EDNA monitoring and testing will be supported in campaigns to bring in the community.
675	Conservation Advocate – Waiheke Collective coordinator	\$49,400	Environment	Proposed increase of \$25,000.
798	Waiheke Environmental Fund	\$30,000	Environment	Continue from FY25
3039	Waiheke Construction Waste Leadership Programme	\$25,000	Waste Solutions	Continue from FY25
5020	Waiheke Weed Amnesty	\$15,000	Environment	New proposed - Support one week per year Weed Amnesty in April

## Te Taiao / Our Environment

ID	Activity	Amount	Department	Advice
5021	Kaitiaki Rangatahi– GIS Te Taiao	\$50,000	Environment	New proposed - This role will support a young Māori (Ngāti Paoa) individual to build hands-on experience in Geographic Information Systems (GIS), conservation and cultural practices.- will assist in the creation and management of a comprehensive data base to support a Biodiversity Strategy / Te Taiao plan for Waiheke Island
5025	Planting High Value Sites	\$30,000	Environment	New proposed - funding will enable planting to support ecological restoration and management outcomes. This includes support to community and landowner environmental restoration and management initiatives.

## Te Taiao / Our Environment

ID	Activity	Amount	Department	Advice
5036	Pest Plant -Community Advocacy	\$25,000	Environment	New proposed - the Islands Natural Environment delivery team will partner with community to enable an engagement, advocacy/promotion and response service for community affected by pest plants (specifically moth plant) in areas not currently funded/prioritised by Environmental services.
685	Urban Ngahere - Growing FY24	\$10,000	P&CF	Refer Capex programme

## Te Taiao / Our Environment - gaps

Direction	Advice
<p><i>Progress recommendations from the Rangihoua Reserve Onetangi Sports Park Reserve Management Plan:</i></p>	
<p>Consider increased WRT planting at Rangihoua in line with reserve management plan.</p>	<p>Confirm if proposed increase to WRT programme includes consideration of RMP recommendations</p>
<p>Objective 4, policy 7: Assess geomorphology to support the implementation of progressive removal of barriers to fish passage to restore migratory fish paths, in particular that of Kōkopu</p>	<p>SMEs are investigating likely costs</p>
<p>Objective 4, policy 11: Remove fill associated with Bund 2 (as identified on the “Riparian Planting” map at pages 32-33) subject to confirmation that there will be no significant negative environmental impacts as a result of its removal.</p>	<p>SMEs are investigating likely costs</p>

**Any further gaps?**

## Ngā Wāhi / Our Places - Opex

ID	Activity	Amount	Department	Advice
659	Waiheke Walking and Cycling Promotion	\$26,500	Community Wellbeing	Proposed increase of \$5,000 (to restore cycle promotion funding)
2773	Matiatia parks: Initiating a parks related Matiatia Gateway Masterplan	-	G&E	Carried forward from FY21

## Ngā Wāhi / Our Places – Opex gaps

Direction	Advice
Planning support/contractor to support progressing views of the board with integration of the HGIDP to the AUP	Under discussion with staff
Ostend concept plan	Streetscapes improvements will need to be AT led. Consider funding from LBTCF
Oneroa village beautification	Clarify scope. Capex improvements can be included within existing capex budget lines.
Finalise the Draft Waiheke Area Plan	Under discussion with staff
Service property optimisation - Desire to expedite process and investigate strategic opportunities for council assets to better support community aspirations, e.g. 6 Waitai Road (Eke Panuku), equestrian needs, health needs (possibly service centre and local board office – 10 Belgium St), housing needs	A review by staff is ongoing. To be discussed during portfolio review workshops.

**Any further gaps?**

## Te Taiōhanga / Our Economy

ID	Activity	Amount	Department	Advice
421	Sustainable community and tourism	\$10,000	Community Wellbeing	Continue from FY25

## Te Taiōhanga / Our Economy - gaps

Direction	Advice
<p><b>Economic diversification</b> - Staff to present options for programme ideas / economic development support – such as tech sector / art sector hubs, sustainable business network, Arts, filming and gaming, environmental education</p>	
<p><b>Economic research</b> - Staff to present options for completing an economic needs/capacity assessment for the island and advise possible budget, e.g. carrying capacity, visitor numbers, housing</p>	

**Any further gaps?**

## Proposed CAPEX budget allocation

Work programme Budget Summary			
	2025/2026	2026/2027	2027/2028
<b>Local CAPEX</b>			
Renewals - Budget	\$3,192,349	\$3,192,349	\$3,192,349
Renewals - Proposed Allocation	\$3,192,349	\$3,192,349	\$3,192,349
Advance Delivery (RAP) (28/02/2025)	\$0		
Renewals - Unallocated budget	\$0	\$0	\$0
<b>Regional CAPEX</b>			
Slips prevention - Allocation	\$50,000	\$10,000	\$70,000
Specific Purpose Funding - Allocation	\$0	\$20,000	\$105,000
<b>TOTAL Allocations (RAP excluded)</b>	<b>\$3,242,349</b>	<b>\$3,177,697</b>	<b>\$3,448,422</b>

## Risk-Adjusted Programme (RAP)

- Aim to deliver 100 per cent of the CAPEX budget in year one but need to be flexible due to unforeseen delays i.e., contractor availability, supply chain constraints or unexpected weather events.
- To do this, we plan to deliver some year two projects / spend a portion of year two's budget in year one to compensate for any projects experiencing delays in year one.

	Year 1	Year 2	Year 3
X Playground (Risk Adjusted Programme project)	\$x	\$x	\$x
Y Carpark	\$x	\$x	\$x
Z Hall	\$x	\$x	\$x
<b>TOTAL</b>	<b>100%</b>	<b>100%</b>	<b>100%</b>

- Utilising RAP some projects are delivered earlier than anticipated.
- Approving a project proposed as a Risk Adjusted Programme does not guarantee advanced delivery but it does reduce the risk of underspend in year one of the three-year work programme.

## Local CAPEX - Project Overview

Changes	ID	Activity Name	RAP	2024/2025 & prior years	2025/2026	2026/2027	2027/2028	Total

				\$87,771	\$50,000			\$137,771

# Regional Sustainability Projects

## Specific Purpose Funding – Allocation Projects Overview

### Solar Panel System Installation Rationale

- Reduce electricity costs and contribute to Auckland’s energy resilience and carbon profile.
- Electrification is increasing demand for electricity at a time of already high electricity prices with the electricity futures market trading at elevated levels until at least 2026.
- Electricity generation contributes 8% of Auckland’s regional emissions and 22% of Auckland Council’s operational emissions.

### Site selection

- Optimal roof slope and orientation.
- Installation can be integrated with a roof renewals project.
- A roof which is in good condition with a life expectancy of more than 10 years.
- Roofs which are large, for economies of scale.

Changes	ID	Activity Name	RAP	2023/2024 & prior years	2024/2025	2025/2026	2026/2027	Total
NEW	52669	Onetangi Sports Pavilion, Waiheke - install solar panel system	-	\$0	\$0	\$20,000	\$105,000	\$125,000

Local Environmental Management Work Programme 2025/2026 - Waiheke Local Board

ID	Activity Name	Activity Description	Activity Benefits	Further Decision Points for LB	LB Plan Outcome	LB Plan Objective	Lead Dept/Unit or CCO	Delivery Year(s)	Budget Source	2025/2026	WP Planning Status
624	The Waiheke Marine Education Initiative	To support experiential learning, citizen science and student-led action to restore and protect the marine environment from a maunga to moana perspective. Activities such as snorkel surveys, fish and shellfish monitoring, rocky shore studies, beach and snorkel clean-ups, bird or pest surveys will be undertaken, enabling student action to improve the marine environment. Training and support will be provided for teachers through four cluster meetings. A new cohort of students are engaged each calendar year for three years, increasing student numbers and actions to build momentum and engagement of the community.	<ul style="list-style-type: none"> <li>•Raise Waiheke student awareness of their local marine environment from a maunga to moana perspective.</li> <li>•Empower students to take action and to influence their families and wider community to adopt sustainable behaviours for the island and marine environment.</li> <li>•Support rangatahi to collaborate with the Waiheke community and amplify efforts to improve the health of the marine environment.</li> <li>•Enrich connection to place with local outcomes by collaborating with Ngāti Pāoa ki Waiheke is.</li> <li>•Youth leadership across the 4 schools providing a transition pathway between schools and into community groups.</li> </ul>	No further decisions anticipated.	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Sustainability Initiatives	2025/2026	Local opex	43,000	Continue
626	Climate Action Activator - Waiheke	The Waiheke Activator delivers a work programme reflecting the climate action priorities of the local climate action plan. Their role is to amplify local climate action and enable community initiatives that contribute to this. The activator work programme sets out detailed action. In 2025/2026, this work will continue to have a strong focus on building local knowledge and capacity to respond to the climate crisis, engaging with businesses and community groups, and seeking additional funding. Plan refresh: As requested by the Local Board, we are also proposing a refresh of the Waiheke Climate Action Plan with updated flagship actions, and updated and prioritised general actions, guided by data and community and stakeholder input.	<p>Benefits include:</p> <ul style="list-style-type: none"> <li>· Implement actions within the local board's climate action plan</li> <li>· Grow and amplifying climate action in the community</li> <li>· Support building community understanding of the climate crisis</li> <li>· Community groups and businesses are supported to take climate action</li> <li>· More sustainability events in the local board area.</li> </ul>	No further decisions anticipated.	2023WHK2 - Our environment	2023WHK2.2 - Respond to the challenge of climate change	Community: Environmental Services - Sustainability Initiatives	2025/2026	Local opex	71,000	Continue
629	Waiheke Island Water Quality Project	This program will continue to support The Waiheke Resources Trust to engage the community through structured workshops on Waiheke Island and Rakino Island, as well as the hosting of a community event during the year. Ongoing public engagement will address aspects of the programme, including septic tank checks and promoting septic-safe products. The programme will offer subsidised septic tank checks for up to 100 households, with promotional efforts through monthly newsletters, online media, and local newspaper coverage. Citizen science initiatives will continue with a focus on wastewater education. Further development of tools using GIS systems to monitor and track environmental values. A new project will be explored to give effect to Te Mana o Te Wai. WaiCare and EDNA monitoring and testing will be supported in campaigns to bring in the community. The Trust will conduct wetland water testing at over five sites, stream walks, and EDNA testing at nine sites, engaging the community on water quality concerns and solutions. 2025/2026 key catchments include Little Oneroa, Omiha, Palm Beach, Onetangi, and Blackpool.	<ul style="list-style-type: none"> <li>-Septic tank checks and promotion of septic-safe products will promote and assist with the reduction of contamination from untreated wastewater. Reducing pollutants entering water systems, can decrease nitrogen, phosphorus, and other contaminants commonly linked to septic tank failure.</li> <li>- GIS-based tools will track and monitor environmental values, providing critical data to improve water quality management and conservation strategies. The creation of a robust data set for future environmental planning and tracking of improvements in key catchments over time.</li> <li>- Citizen science initiatives and wastewater education assist to raise community awareness on the importance of proper wastewater management and its impact on the environment. An increased number of households participating in septic tank checks and adopting septic-safe practices, will lead to better stewardship of local water resources.</li> <li>- Wetland water testing and stream walks will provide valuable data on the health of local ecosystems, with a focus on identifying contamination sources and implementing solutions. Bringing about an increase in local involvement in freshwater protection and potential for new water restoration initiatives to be integrated into community planning.</li> <li>- Hosting workshops, community events, and ongoing public engagement will create stronger relationships within the community and a sense of collective responsibility for local environmental issues. Increased community participation in environmental initiatives and greater turnout at workshops and events, fosters a culture of collaboration.</li> <li>-Monthly newsletters, online media, and local newspaper coverage will raise public awareness about the importance of wastewater management and water quality. Increased understanding of environmental issues, lead to more sustainable behaviours within households and businesses.</li> <li>- Engaging local communities in wetland water testing, stream walks, and catchment monitoring empowers individuals to take an active role in protecting their local environment. Empowerment of community members to advocate for and implement local environmental solutions, strengths the resilience of communities in facing environmental challenges.</li> </ul>	No further decisions anticipated.	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Resilience & Infrastructure: Healthy Waters & Flood Resilience	2025/2026	Local opex	61,000	Continue

675	Conservation Advocate – Waiheke Collective coordinator	To contribute to the employment of the Waiheke Collective Co-ordinator for Waiheke. This position will <ul style="list-style-type: none"> <li>•Connect people and organisations together to uphold the vision statement and the Waiheke Collective charter.</li> <li>•Support the Waiheke conservation community to foster and maintain healthy relationships to work together collaboratively.</li> <li>•Support the Waiheke Collective to empower tangata whenua and mana whenua interests and participation.</li> </ul>	This position will increase community awareness of conservation values and threats and will supplement and amplify existing activity to protect, maintain, and enhance our unique islands' land, coastline, bush, wetland, and marine environments for future generations. By supporting the collaboration of individuals and groups undertaking restoration activities the following benefits are expected <ul style="list-style-type: none"> <li>•increased engagement support for landowners and community-led conservation activities</li> <li>•increase in the number/scale of high priority areas protected through pest control and restoration programmes</li> <li>•Capacity building and awareness raising for pest plant and animal control as guided by the new Regional Pest Management Plan will also be increased.</li> </ul> This role compliments the delivery of Resilience and Infrastructure, community and Local board outcomes which includes critical biodiversity and biosecurity programmes. Key projects supported through this Kaupapa are Waiheke Marine Project, Te Korowai o Waiheke including the aspirational goals for a Pest Free Auckland and Predator Free NZ 2050 Part of the responsibility of this role will be to engage with mana whenua and local iwi. This is important as there are the biodiversity values that need to be protected on Māori customary land which requires us to work with mana whenua to help manage threats and values.	No further decisions anticipated.	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex	49,400	Continue
798	Waiheke Environmental Fund	This fund supports ecological restoration and management outcomes, aligned with the local board's environmental priorities. This includes community and landowner environmental restoration and management initiatives. This budget will cover at least a once-yearly funding round, administered by the council's funding team alongside other Waiheke community grants, with Environmental Services coordinating assessment and grant allocation following the local board's grant funding guidelines.	This fund enables community groups and landowners to lead and undertake ecological restoration and protect native ecosystems. The assessment panel will ensure coordination and alignment across council departments and better monitoring of funding allocation and outcomes. Waiheke residents will be more engaged and partnering with the council to protect biodiversity. The fund supports increased engagement support for landowners and community-led conservation activities. This complements the delivery of IES, community and Local board outcomes which includes critical biodiversity and biosecurity programmes.	The board will be asked to approve grants.	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex	30,000	Continue
3039	Waiheke Construction Waste Leadership Programme	Construction and demolition (C&D) waste continues to contribute significantly to waste on Waiheke Island. Building activity remains constant/increasing, leading to growth in C&D waste volumes affecting resource consumption and climate impacts. This proposal seeks to continue the successful fixed-term role of C&D Waste Advisor to continue working with builders and developers to improve site practices, facilitate improved compliance and reduce the waste stream being generated by the C&D sector. The main areas of focus will be: <ol style="list-style-type: none"> <li>1.Working with all construction trades people on or entering Waiheke Island for the purpose of improving C&amp;D waste management practices.</li> <li>2.Developing and distributing educational material to assist C&amp;D operators with better ways of utilising C&amp;D waste and re-using where possible.</li> <li>3.Linking C&amp;D contractors in the island with existing systems and services for better managing C&amp;D waste.</li> <li>4.Quarterly and End of Term reporting to show all interactions with contractors both onsite and at the WCRRP.</li> </ol>	Environmental outcomes Reduced C&D waste to landfill, Availability of good reuseable materials for Waiheke residents and contractors, Reduced haulage (CO2 emissions) off island by reusing materials therefore lessening the number of trucks hauling product, Discourage littering and illegal dumping. Measurable improvements are; Reduce costs (Haulage), Reduced CO2 emissions, Availability of product at much cheaper rates to customers, Reduced issues from dumping and problematic materials such as polystyrene.	No further decisions anticipated.	2023WHK2 - Our environment	2023WHK4.4 - Sustainable living and healthy homes	Resilience & Infrastructure: Waste Solutions	2025/2026	Local opex	25,000	Continue

5020	Waiheke Weed Amnesty	To run a Weed Amnesty for the community once per year in April. To support and encourage the Waiheke Community to manage weeds (pest plants) Pest plants* will be accepted free at the Waiheke Community Resource Recovery Park at 108-110 Ostend Road. Limited to one load (approx.200kgs) per household, car, ute or trailer. Rates or utility bill will be used for confirmation. Non-pest plants, soil/stones and rocks, and anything longer than 1m will not be accepted. *Pest plants generally received and accepted are: agapanthus, agave, bamboo, climbing asparagus, gorse, ginger, moth plant, madeira vine, old man's beard, tradescantia, pampas, yucca, phoenix and fan palm and Japanese honeysuckle. Other pest plants accepted as listed on pest search Historically the largest amnesty was 126 tonnes but after the 200kg restriction was introduced, 40 tonne was the largest. Extra weed amnesties may be considered useful in an eradication scenario where removal of weeds and greenwaste material also supports better pest removal outcomes. A September amnesty may also be considered and linked to community fire awareness, regular bonfire night in November. Local Board to confirm.	Increased engagement and support for landowners and community-to undertake conservation activities. Increase in the number/scale of areas protected through pest control efforts. Capacity building and awareness raising for pest plant control as guided by the Regional Pest Management Plan will also be increased.	Consideration of funding based on number of amnesties per year	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex	15,000	New
5021	Kaitiaki Rangatahi- GIS Te Taiao	This role will support a young Māori (Ngāti Paoa) individual to build hands-on experience in Geographic Information Systems (GIS), conservation and cultural practices. This GIS Buddy will assist in the creation and management of a comprehensive data base to support a Biodiversity Strategy / Te Taiao plan for Waiheke Island to ensure the inclusive representation of Ngāti Pāoa and other iwi as key partners with Auckland Council and the Waiheke Collective. The role will assist with •Data Collection and Analysis: Gathering and analysing spatial data on biodiversity, habitats, and ecosystems interconnected with historic cultural knowledge layers. •Mapping: Creating detailed maps to visualize biodiversity and cultural hotspots and conservation areas. •Cultural Integration: Incorporating Mātauranga Māori and iwi perspectives •Collaboration: Working closely with Ngāti Pāoa, alongside other iwi, Auckland Council, and the Waiheke Collective. •Reporting: Preparing reports and presentations to support and communicate findings and recommendations. •Community Engagement: Facilitating workshops and	This role is pivotal in ensuring a balanced and culturally respectful approach to biodiversity conservation on Waiheke Island. The role will increase local capacity for Ngāti Paoa and empower them in their role as Kaitiaki and in the co-management of Waiheke's natural environment. A Digital Buddy will support the creation of a completed Biodiversity Strategy for Waiheke Island that appropriately and inclusively represents Ngāti Pāoa alongside other iwi as key partners with Auckland Council and of the Waiheke Collective. With this dedicated resource for GIS Ngāti Paoa will be able to record and potentially share (as appropriate) their te taiao knowledge to ensure the long-term protection of culturally and ecologically important sites. This role will foster a new generation of environmental guardians who are skilled in modern technology and deeply connected to their cultural heritage. It is anticipated this role will improve cultural competencies and bi-cultural practices and facilitate Te Tiriti Partnerships on Waiheke Island. This position is anticipated to help strengthen and deepen Ngāti Paoa's knowledge and the community awareness of cultural and conservation values and threats which will supplement and amplify existing activity to protect, maintain, and enhance our unique islands' land, coastline, bush, wetland, and marine environments for future generations. This role complements the delivery of Resilience and Infrastructure, community and Local board outcomes which includes critical biodiversity and biosecurity programmes.	Consideration for fully funded expanded full-time role to support wider collaboration and an expanded partnership to amplify positive environmental and Māori outcomes.	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex	50,000	New
5035	Planting High Value Sites	In the 2025/2026 financial year, funding will enable planting to support ecological restoration and management outcomes. This includes support to community and landowner environmental restoration and management initiatives. This budget will cover annual planting and labour required to maintain planting in high value sites until established. Environmental Services will oversee these planting activities in coordination with high value restoration programmes.	Planting will enhance ecological restoration outcomes for ecosystems which have been identified as a priority for protection for the region. Waiheke's wetlands will be the focus initially with planting supporting threatened species habitat recovery. Planting is anticipated to increase community engagement being supported by volunteers and community groups who will be partnering with council This work compliments the delivery of Resilience and Infrastructure, community and Local board outcomes which includes critical biodiversity and biosecurity programmes.	No further decisions anticipated	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex	30,000	New

5036	Pest Plant - Community Advocacy	In the 2025/2026 financial year, The Islands Natural Environment delivery team will partner with community to enable an engagement, advocacy/promotion and response service for community affected by pest plants (specifically moth plant) in areas not currently funded/prioritised by Environmental services. Annual promotional campaigns will be run from Labour weekend onwards in conjunction with ES compliance checks occurring on high value sites. Management advice and support will be provided to those facing physical or financial barriers. The weed amnesty (funded separately) will supplement disposal requirements particularly for moth plant pods remaining at the end of the season..	Advocacy will ensure ongoing Island wide awareness and education to promote pest plant management actions which support improved ecological restoration outcomes. Support to those facing hardship and/or physical challenges will ensure management is enabled and equitable across the island. This work compliments the delivery of Resilience and Infrastructure, community and Local board outcomes which includes critical biodiversity and biosecurity programmes.	No further decisions anticipated	2023WHK2 - Our environment	2023WHK2.1 - Restore, enhance, and protect our natural environment in partnership with our community	Community: Environmental Services - Natural Environment Delivery	2025/2026	Local opex;#Regional capex - OLI project	25,000	New
