2024/2025 Manurewa Local Grants Round Four

LG2510-401

Counties Manukau Sport Foundation

Legal status:	Charitable Trust	Activity focus:	Sport and recreation
---------------	------------------	-----------------	----------------------

Project: Bike Bus Manurewa

Location:	190 Weymouth Rd (Terminal), Roscommon Rd, Wordsworth Rd, Rowandale Rd, Browns Rd, Sturdee Rd, Halsey Rd, Jellicoe Rd, through Jellicoe park, Across bridge to Gloucester Rd, Deveron Rd, Russell Rd, McKean Ave, And Weymouth Rd back to terminal.		
Summary:	To reduce morning congestion of traffic by utilising a Bike Bus as an alternative method to transport.		
Expertise:	We have piloted this program in Pukekohe at Tamaoho school.		
Dates:	21/07/2025 - 19/12/2025		
People reached:	30 minimum per day		
% of participants from Local Board	100%		
Promotion:	Through social media when sharing our bikebus journey, daily. The Newsletters within any school that participates.		

Community benefits

Identified community outcomes:

Improved traffic around morning peak times. Building community with other cyclists. Use of the cycleways.

Alignment with local board priorities:

Collaborating organisation/individual	Role

Demographics

Māori outcomes:	<ul style="list-style-type: none">Māori participation - Māori priority group, target group, high representation or Māori staff delivering Bike bus is developed and lead by Maori staff.
Accessible to people with disabilities	No -

Healthy environment approach: Promote smoke-free messages, Include waste minimisation (zero waste) messages, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*
Promoted in all marketing materials as well as during each Bikebus run.

Does your project support any genders, ages or ethnicities specifically?
Young people of Manurewa

Financial information

Amount requested: \$8458.00

Requesting grant for: Loan of CMS Bike and Helmet equipment hire, Instructors, Administration and Road-ready workshops across 8 weeks.

If part funded, how would you make up the difference:
Shorten the number of weeks to run the bikebus, shorten the route or limit attendees.

Cost of participation: No cost for participants

Total expenditure	Total income	Other grants approved	Applicant contribution
\$8458.00	\$0.00	\$0.00	\$0.00

Expenditure item	Amount	Amount requested from Local Board
Bikes & safety equipment	\$650.00	\$650.00

LG2510-402

Item 18

Habitat for Humanity Northern Region Limited

Attachment A

Legal status:	Registered Charity	Activity focus:	Community
----------------------	--------------------	------------------------	-----------

Project: Healthy Homes and Winter Warmer Packs

Location:	The project is delivered in the homes of the whanau we serve. Winter Warmer Packs are put together at various locations in the community for distribution to families		
Summary:	We are applying for funds to support the delivery of our Healthy Homes programme across the Manurewa Local Board area. As winter approaches, we work to ensure families have access to knowledge, tools and interventions that help them make simple behavioural changes to address causes of damp and mould and improve their homes' energy efficiency. The provision of Winter Warmer Packs (educational information, heaters, scoopys, hygrometers, door snakes, hot water bottles, blankets, energy-efficient light bulbs, and shower timers) are additional supports we offer to low-income whānau needing extra support. Funding will enable us to purchase these items and work with volunteers, local groups/providers to put together and deliver Winter Warmer Packs to local families identified as needing this support.		
Expertise:	Habitat is uniquely positioned as an existing provider to vulnerable families with making critical home repairs, healthy home assessments, and free best practice curtain making and installation. We have been delivering the Healthy Homes programme across Auckland and Northland regions since 2017 and have focused on working with local community groups to assist families access to Winter Warmer Packs since 2022. We have robust systems in place for managing referrals, volunteers, and reporting, and we have space to receive, store, pack, and distribute items. We are also well known and have strong existing partnerships with local community agencies that can support programme delivery.		
Dates:	01/07/2025 - 30/06/2026		
People reached:	500		
% of participants from Local Board	10%		
Promotion:	We will be promoting this to other organisations to refer families to us. Information may also be shared through Health NZ social workers, our own website and facebook, and through word of mouth. You would be publicly acknowledged on our website, facebook, and in end of year reporting.		

Community benefits

Identified community outcomes:

We know that improved health benefits of healthy homes reduces pressure on the medical system and increases attendance at work and school, and enables families to participate and contribute to community life. There are numerous studies (see <https://www.tewhatuora.govt.nz/publications/healthy-homes-initiative-five-year-outcomes-evaluation>) that demonstrate

the community benefits of healthy homes programmes. Our own evaluations demonstrate that for every \$1 spent the programme generates a social return of \$6.30. We deliberately work in partnership at the community level to provide the Healthy Homes programme, particularly the Winter Warmer Packs, as we value and invest in the networks and connections that exist at the grassroots which make our mahi and outcomes for families more efficient and effective, and also support and reinforce the local community's outcomes and relationships with families in need that they support.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Health NZ and Regional Health Groups (No ho Ahuru, AWHI)	
Various community providers	Referral partners/ Winter Warmer Pack delivery partners
Starship Hospital	Referral partners
Middlemore Hospital	Referral partners
Te Puna Manawa	Referral partners
Vaka Tuatua	Referral partners

Demographics

Māori outcomes:	<ul style="list-style-type: none">Māori participation - Māori priority group, target group, high representation or Māori staff delivering <p>A large number of families we work with identify as Māori, between 55-65%</p>
Accessible to people with disabilities	Yes - This is a programme that offers delivery to people in their homes, therefore we can deliver to anyone.
Healthy environment approach:	<p>Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*</p> <p>Through HHP and WWP, we will be supporting whanau with education about positive behaviours to maintain the health of their home, they will use their heaters more efficiently, retain heat better, and reduce electricity consumption. This means less reliance on nonrenewable energy sources and a decrease in carbon emissions. In addition, we provide power-saving light bulbs and water saving devices, supporting kaitiakitanga and good stewardship, thus enhancing community resilience.</p>

Does your project support any genders, ages or ethnicities specifically?

No it is for everyone

Financial information

Amount requested:	\$2000.00
Requesting grant for:	A contribution to the purchase of Winter Warmer Pack items to support up to 50-80 households in Manurewa Local Board area, alongside and in addition to Healthy Homes Programme support
If part funded, how would you make up the difference:	

For the WWP, as a minimum, the cost per family, for interventions only(not including operational costs to order and stock items, manage referral, driving time, printing costs etc) is between \$140 and \$300. If we do not get enough funding, we will reduce the families we support and seek funding from other sources

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$1868389.00	\$0.00	\$1363389.00	\$100000.00

Expenditure item	Amount	Amount requested from Local Board
Programme Costs (staffing, admin and overheads)	\$1254217.00	\$0.00

Ministry of Pacific Peoples	\$71874.00	Approved

Donated materials	Amount
-------------------	--------

Window and door furniture and paint (dulux partnership))	\$18000.00
--	------------

Total number of volunteers	Total number of volunteer hours
40	140

Additional information to support the application:	Based on FY25 data, some 45 families in the Manurewa Local Board area have been supported to date, we are working through a further 22 referrals to be completed by the end of June 2025. This will remain consistent in FY26 given that our referral partners are based in West/South Auckland. We are currently undertaking budget and operational planning for FY26. There is some uncertainty regarding renewals of existing contracts but recognise that the more funding we can receive means we can help more families. We deeply appreciate your support to deliver Healthy Homes to local whanau and community

2024/2025 Manurewa Local Grants Round Four

LG2510-403

School Start First Impressions

Legal status:	Charitable Trust	Activity focus:	Community
---------------	------------------	-----------------	-----------

Project: Items to start School positively for Tamariki in need

Location:	35 Wootten Road Bombay 2675		
Summary:	We are seeking funding for support to fund the school bags, lunchboxes and drink bottles that we distribute to Tamariki in need in the Manurewa community.		
Expertise:	Next month School Start First Impressions have been supporting Tamariki in Manurewa for 10 years. To date we have helped over 5000 Tamariki.		
Dates:	01/08/2025 - 01/12/2025		
People reached:	100		
% of participants from Local Board	100%		
Promotion:	We are very active on social media and also run a community newsletter.		

Community benefits

Identified community outcomes:

Our charity has had a lot of success in getting Tamariki from the Manurewa community who are not enrolled in school to become enrolled and start school for the first time. This benefits the community by ensuring better school attendance and lower truancy rates.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Pukekohe Knitting Group	Knitted slippers for Tamariki
KidsCan	Rain jackets and school shoes

Demographics

Māori outcomes:	<ul style="list-style-type: none">Māori participation - Māori priority group, target group, high representation or Māori staff delivering Approx 65% of the Tamariki we work with are of Māori descent.
Accessible to people with disabilities	Yes - Our project is accessible to people with disabilities.
Healthy environment approach:	Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

A number of the items in our packs are made with recycled materials including our swimming bags and pencil cases.

Does your project support any genders, ages or ethnicities specifically?

Our project supports all genders and ethnicities however we specifically work with 5-year-old Tamariki starting school for the first time.

Financial information

Amount requested: \$2117.00

Requesting grant for: Funding for School bags, lunch boxes and drink bottles for Tamariki in need.

If part funded, how would you make up the difference:

We would distribute a lesser number of packs to Tamariki in need in Manurewa.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$2117.00	\$0.00	\$12500.00	\$10000.00

Expenditure item	Amount	Amount requested from Local Board
School Bags	\$1450.00	\$1450.00
Lunch boxes (per box)	\$423.00	\$423.00
Drink bottles (per box)	\$244.00	\$244.00

Income description	Amount
	\$0.00

Other funding sources	Amount	Current Status
Foundation North	\$10000.00	Approved
Auckland Airport Trust	\$2500.00	Pending

Donated materials	Amount
Rain jackets and school shoes and socks	\$98000.00
Knitted slippers	\$4000.00

Total number of volunteers	Total number of volunteer hours
13	576

2024/2025 Manurewa Local Grants Round Four

LG2510-404

Royal New Zealand Plunket Trust

Legal status:	Charitable Trust	Activity focus:	Community
---------------	------------------	-----------------	-----------

Project: Manurewa Injury Prevention Programme

Location:	Family homes in Manurewa Local Board area.		
Summary:	We are seeking funding to purchase child car restraints for whānau in need in the Manurewa Local Board area. Our certified Injury Prevention team visits whānau referred by Plunket nurses, as well as other agencies such as NZ Police. Our team assesses the needs of whānau, provides child restraints where necessary (as funding allows) and delivers expert safety education. Whānau Āwhina Plunket is the only organisation in Auckland who takes referrals to provide child restraints, along with safety education, for whānau in need.		
Expertise:	For decades Plunket has been at the forefront of supporting children to be kept safe while travelling on our roads. Our Injury Prevention team are certified technicians who are experienced in connecting with whānau and assessing their needs. Their support includes education, helping with installation and safety adjustments, and gifting restraints to whānau in high need. The type of child car restraint service we offer varies by region, depending on the needs of the community and available funding. Services include child restraint checking clinics, educational visits to hospital neo-natal wards and early childhood centres in high-needs areas, service provider for the NZ Police AWHI programme and home visits by referral to support whānau in need.		
Dates:	01/07/2025 - 30/06/2026		
People reached:	120		
% of participants from Local Board	100%		
Promotion:	We will post a thank-you on our local community Facebook page. We will also acknowledge and thank the local board in our Annual Report.		

Community benefits

Identified community outcomes:

Vehicle crashes are the second-leading cause of fatal injuries for tamariki in Aotearoa. Yet our data shows that up to 90% of tamariki are not in correctly installed car restraints or are not using a restraint at all. Common errors include babies staying in capsules after they have outgrown them, siblings sharing one seat, and placing a rear-facing restraint in the front seat with active air bags - if the air bag goes off it risks serious injury or death.

Educating whānau is a key part of this project, particularly as many whānau we reach have low health literacy. With such a high error rate in the safe use of car restraints, it is vital to raise awareness about proper car restraint use and ensure whānau feel confident installing and using them correctly.

There are currently 4,598 children aged 0-5 enrolled with Plunket in Manurewa Local Board area. By preventing serious injuries and deaths among pēpi and tamariki, this initiative delivers lasting

benefits for families and the wider Manurewa community. The positive impact extends beyond individual whānau - when fewer injuries and fatalities occur, the entire community benefits.

Alignment with local board priorities:

Collaborating organisation/individual	Role
NZ Police	Referrals
Whānau Āwhina Plunket nurses	Referrals

Demographics

Māori outcomes:	<ul style="list-style-type: none"><i>Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering</i> <p>We support nearly 60% of all pēpi Māori. 22% of pēpi we see in Manurewa are Māori.</p> <p>We are on a pro-equity journey. Te Tiriti o Waitangi underpins our commitment as a treaty partner and our Māori Strategy Te Rautaki Māori – Ngā Pae o te Harakeke guides us.</p> <p>We have strong Māori representation in our leadership with three of seven Board members and three of seven ELT members Māori. Our Pou Whakarae position brings specialised focus to Te Ao Māori strategic relationships and cultural advice. Where possible we ensure kaimahi Māori are available to work with whānau Māori. We are committed to ensuring our kaimahi have the knowledge, skills and values that reflect being a tangata tiriti organisation.</p>
Accessible to people with disabilities	<p>Yes - The needs vary widely for the whānau referred and our Injury Prevention team aims to support whānau in a flexible and accessible way. Most whānau will choose to meet in their own homes. For others it can be via appointments at their local Plunket venue. Our 2024 Equities Plan states our commitment to ensuring all of our services are accessible and suitable for those with disability or complex clinical needs.</p>
Healthy environment approach:	<p>Promote smoke-free messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes</p> <p>Promoting positive healthy approaches is central to Plunket's mahi. All of our clinics, venues and playgroup spaces are smoke-free. Plunket kaimahi are skilled in helping parents with smoke-free and other healthy messaging, and take a respectful approach when in the homes of whānau in the community. We have launched an Environmental Sustainability Project to document current and planned environmental sustainability practices at Plunket. Understanding what we do now will help us identify gaps and develop a roadmap to achieve a more environmentally sustainable future. Our key areas of focus are: carbon footprint reduction across our transportation; energy efficiency and conservation; waste reduction and recycling; sustainable procurement; and education.</p>

Does your project support any genders, ages or ethnicities specifically?

Our project supports children under the age of seven (for whom using a car restraint is legally required) and their whānau. Our project supports all whānau and people of all genders and ethnicities who are identified as

high-needs, with a focus on supporting the following priority populations: - Whānau Māori*: Recognising tangata whenua of Aotearoa, we demonstrate Te Tiriti o Waitangi responsibilities and improving equity for whānau Māori.

- Pacific*, Asian, and Refugee and Migrant Families: Including diverse ethnic and cultural groups.
- Whaikaha Disabilities and Clinically Complex: Ensuring services are accessible and suitable for those with disability or complex clinical needs.
- Rural and Urban: Covering different geographical areas and population densities.
- Children in State Care: Focusing on some of the most vulnerable members of society.
- Younger Parents: Addressing the unique challenges and needs of younger parents.
- Rainbow Whānau: Families from the LGBTQ+ community.
- People living in areas of high deprivation: There is strong evidence that the social determinants of health have an intergenerational impact on health outcomes, which overlap with other priority populations.

*A particular focus is on Māori and Pacific people given the strong evidence of equity gaps.

Financial information

Amount requested: \$5000.00

Requesting grant for: The purchase of child car restraints to provide to whānau in need.

If part funded, how would you make up the difference:

Child restraints for our Injury Prevention programme in Auckland are funded exclusively by grants and donations. Any funding received through this application will go towards the purchase of car restraint resources for whānau in need in the Manurewa Local Board area.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution

2024/2025 Manurewa Local Grants Round Four

LG2510-406

Weymouth Residents & Ratepayers Association

Legal status:	Incorporated Society	Activity focus:	Community
---------------	----------------------	-----------------	-----------

Project: Publication of the Weymouth News

Location:	10 Lucas Place, Weymouth - this where the News is designed on computer. Printing and distribution occur elsewhere		
Summary:	Publication of editions of the Weymouth News. The Weymouth News is a free monthly community magazine printed and delivered to Weymouth residents, including residents in new Weymouth subdivisions		
Expertise:	Weymouth News has been in publication some 45 years. It is one of the oldest community newspapers in the country- The longevity of Weymouth News vouches for our expertise. We have successfully published and distributed the news for decades.		
Dates:	01/09/2025 - 01/12/2025		
People reached:	5,000		
% of participants from Local Board			
Promotion:	Via the Weymouth news itself, via ratepayer meetings and on the Neighbourly forum website.		

Community benefits

Identified community outcomes:

Weymouth News is an integral source of local information and an excellent tool of communications that conveys to residents local news, events, notices and items of interests, which we believe contribute to the well being and the unique quality that makes Weymouth town a pleasant and safe community to live in. The work we do is done using our own skills, time and resources and free of charge to the community. We fund our work through The advertising revenue and donations.

Alignment with local board priorities:

Collaborating organisation/individual	Role

Demographics

Māori outcomes: • No Māori outcomes identified

Accessible to people with disabilities Yes - Long term disability is defined as lasting six months or more and stops people from doing everyday things other people can do. The Weymouth News is distributed to people all people in Weymouth, including all people with disabilities.

Healthy environment approach: Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*
Weymouth News contains articles and waste management, news on crime and safety, gardening hints (including bird friendly strategies), handling loss and grief, progress on wastewater projects, news from the Humane Society, news for residents and ratepayers, and contact lists for all major community organisations dealing with Weymouth matters and issues. These are all important elements of our cultural environment and social environment and are particularly important for building a healthy community environment and are of vital significance to people's sense of well-being and feeling at home.

Does your project support any genders, ages or ethnicities specifically?

Our project supports all age, gender and ethnic groups in the greater Weymouth area

Financial information

Amount requested: \$4000.00

Requesting grant for: Part funding for the cost of publishing.

If part funded, how would you make up the difference:

The project will proceed for as long as funding holds out. For the balance of funding, we will find an alternative source of funding (if one exists and is willing to fund us) or scale back the project. Without full funding we may be obliged to cease publication

Cost of participation: No

LG2510-407

Life Education Trust Counties Manukau

Legal status:	Charitable Trust	Activity focus:	Community
---------------	------------------	-----------------	-----------

Project: Empowering Families Through Youth Wellbeing and Inclusive Education

Location:	Driven from the Momentum Hub, 770 Great South Road, Wiri, the project will be presented throughout schools in the Manurewa community during School Year 2025		
Summary:	We are seeking contribution towards our 2025 annual operating costs of approximately \$728,874. This funding enables us to deliver our unique, school-invited programme to an estimated 25,728 children across the Counties Manukau area. This grant application relates to the 594 students in the Manurewa area who will be taught during Term 3 of the 2025 school year. The funding we currently seek is to support our Programme Delivery to these tamaraki and rangatahi.		
Expertise:	We are New Zealand’s largest and most trusted health education provider, committed to enhancing children’s health and wellbeing for over 30 years. Our unique programmes, delivered outside the standard curriculum, are brought to schools by invitation, using mobile classrooms and specialist educators. With a strong track record of positive outcomes and continuous programme development, schools invite us back year after year—a true testament to our expertise in this specialised field.		
Dates:	04/08/2025 - 31/08/2025		
People reached:	594		
% of participants from Local Board		100%	
Promotion:	All schools will be informed prior to our visit about the Local Board’s support and will be asked to promote this through their school newsletters, website, and Facebook page. Additionally, we will promote the support: <ul style="list-style-type: none">On our Facebook page: Life Education Counties Manukau FacebookOn our Instagram page: Life Education Counties Manukau InstagramOn our website: Life Education Counties Manukau WebsiteIn our regular newslettersIn our audited end-of-year accounts		

Community benefits

Identified community outcomes:

The Life Education Trust Counties Manukau project directly supports the Manurewa Local Board's priority of strengthening family, whānau, and social wellbeing by empowering tamariki and rangatahi with the knowledge and confidence to make healthy choices. Delivered in partnership with local schools, the programme addresses key issues such as mental health, resilience, identity, nutrition, and respectful relationships. These lessons build strong foundations for lifelong wellbeing, helping young people become confident, connected members of their communities.

The programme also benefits families and the wider community through parent engagement initiatives, such as take-home resources and community education sessions that promote practical tools around topics like cyber safety, healthy eating, and emotional wellbeing. These resources encourage open conversations at home and foster positive, informed relationships between caregivers and children.

While the primary delivery is through schools, the programme is accessible to the broader community through public events, local partnerships, and Harold the Giraffe's regular presence at community days. By reinforcing whānau involvement and cultural inclusivity, this project contributes to a healthier, more connected Manurewa—one where tamariki and rangatahi are supported by engaged families and communities working together toward a brighter future.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Save the Children	Aspects of Save the Children New Zealand's child rights education programme have been integrated into Life Education Trust resources.
Asthma and Respiratory Foundation	Works with Life Education Trust to tackle youth vaping. Our new initiatives to educate students, teachers and whānau about the risks of vaping are reviewed by the Foundation's respiratory health team.
Anxiety New Zealand	Life Education Trust works with Anxiety NZ to ensure we are following best practice in our programmes and to offer greater support to children and teachers.
Autism New Zealand	Works with Life Education in the development of our "Nurturing Healthy Minds" professional Development programme.
5+ a Day Charitable Trust	Two Raw Sisters and a giraffe programme developed to support our already existing health and nutrition programme.
Idea Services	Together we developed My Best Life, a programme to empower adults with intellectual disabilities with knowledge and skills for wellbeing
Barnardos	Our partnership focuses on supporting the mental wellbeing of tamariki. Our first step was to raise awareness of the 0800 WhatsUp free counselling helpline through our primary and secondary school programmes
Sexual Wellbeing Aotearoa	Life Education works with Sexual Wellbeing Aotearoa to support schools to educate rangatahi about sexuality and relationships.
Feel Brave Books	Used in our mobile classrooms each Feel Brave book tells a story about a real-life situation that children may face and offers a really simple strategy to cope with it.

Demographics

Māori outcomes:

- *Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

This grant will support tamariki and rangatahi in our community—now and into the future. Guided by Te Whare Tapa Whā, a holistic Māori wellbeing model, our Specialist Educators collaborate with local kaiako to deliver tailored, culturally responsive health and wellbeing programmes.

Our philosophy—He tangata motuhake ia tangata, he taonga, he mana tō ia tangata ("Every person is unique, a treasure, and deserves respect")—centres identity, belonging, and cultural pride. These values are woven through every session, empowering young people to make positive choices and reach their potential.

The lessons learned spark long-term wellbeing advocacy. Many former students—now community leaders—credit Life Education for helping them grow into confident, resilient individuals connected to whānau and hapori.

Accessible to people with disabilities

Yes - We are proud to be invited into many schools, including those with students who have learning and physical disabilities. To ensure every child is included, we provide sensory-appropriate resources, such as Braille workbooks, and maintain an accessible learning environment. Our mobile classrooms are equipped with a wheelchair ramp and lift, allowing all students to participate together in a safe and inclusive space.

Healthy environment approach:

Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

In our educational programme, we focus on "Substances" as a key subject. We engage students in discussions and role-playing to navigate decisions they might face regarding smoking and substance use. We highlight the impact of substances on the brain, body, finances, and decision-making. Using a high-quality Pull Apart Torso model, we vividly illustrate these points. Our lessons incorporate the latest research from all health sectors, ensuring up-to-date information.

We are the largest external program provider in schools, emphasising environmental health through lessons on reducing, reusing, and recycling. We teach how individuals and communities can collaborate to improve their surroundings.

Our program also promotes an active lifestyle and healthy eating, particularly encouraging water consumption. We work closely with whanau groups to integrate Life Education Trust's messages into our communities, fostering multi-generational education. This approach ensures everyone has the opportunity to live a healthy, active life and positively impact each other.

Does your project support any genders, ages or ethnicities specifically?

The project is dedicated to the youth of our community, ensuring that all genders and ethnicities are treated equally and without prejudice. A core pillar of Life Education is the belief that every child is unique and special. We actively encourage tamariki to embrace inclusivity by recognizing and respecting the individuality of others, whether those differences are cultural, ethnic, or attitudinal. This approach fosters a deeper sense of community and mutual respect among all.

Financial information

Amount requested: \$6108.00

Requesting grant for: Contribution towards the delivery of our health and well-being programme to the 594 students where we are booked to teach at Waimahia International and Wiri Central Schools schools; which encompasses the running costs of the mobile classrooms including educational resources, insurances, other compliance and teacher's salary

If part funded, how would you make up the difference:

We are dedicated to teaching at the schools we have been invited to during the 2025 school year. Using our mobile classrooms, we will educate over 25,000 Tamaraki and Rangatahi in the Counties Manukau region. We will adhere to our project plan and continue to seek funding from other sources.

Cost of participation: Schools pay a fee of \$320 plus GST a day whilst we are on site teaching

2024/2025 Manurewa Local Grants Round Four

LG2510-408

Retima House Limited

Legal status:	Informal group/ no legal structure	Activity focus:	Community
---------------	------------------------------------	-----------------	-----------

Project: Hand Sewing Workshop

Location:	Community hall		
Summary:	<ul style="list-style-type: none">- Acquire essential hand-sewing skills that can be practiced without a sewing machine.- Empower our community with valuable knowledge on saving resources- Embrace the freedom to learn at your own pace- Master the art of transforming old garments into something new, or easily repairing them at home		
Expertise:	I have a diploma in Fashion Design and I am a professional designer and seamstress.		
Dates:	23/08/2025 - 13/09/2025		
People reached:	20		
% of participants from Local Board	100%		
Promotion:	I will effectively promote the class through eye-catching flyers, engaging social media posts, and direct interactions during the class itself. Moreover, I will actively network to generate greater awareness and excitement about the class.		

Community benefits

Identified community outcomes:

- A basic hand-sewing class that does not require sewing machines.
- Educating the community on how to save money by doing minor alterations at home in a comfortable environment.
- Offering flexibility in learning, timeframes, and personal limits.
- Teaching skills to transform old garments into new styles through restyling.

Alignment with local board priorities:

Collaborating organisation/individual	Role
individual	skills and knowledge
fabric	to add to project
needles & trims	to add to project

Demographics

Māori outcomes: • No Māori outcomes identified

Accessible to people with disabilities No -

Healthy environment approach: Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

- Enjoy a healthier environment: Our workroom is proudly smoke-free.
- Maximize creativity: Every piece of fabric will be transformed into exciting projects.
- Stay hydrated: Remember to bring your water bottles to keep your energy up!
- Boost your energy: Let's start with some physical exercise before diving into our work.

Does your project support any genders, ages or ethnicities specifically?

This workshop aims to support individuals of all genders in gaining knowledge and using it appropriately.

Financial information

Amount requested: \$1000.00

Requesting grant for: IFunding is going to cover the cost of the sewing kit, Fabric for a project, my time engagement and travels, also little celebration

If part funded, how would you make up the difference:

To enhance community engagement, it would be beneficial to consider reducing the number of classes that have lower participation rates. This adjustment could lead to a more focused approach and create a more positive experience for all involved.

Cost of participation: Cost free

Total expenditure	Total income	Other grants approved	Applicant contribution
\$1050.00	\$0.00	\$1000.00	\$250.00

3. Increase family cohesion
4. Reduce financial burdens
5. Improve communication and social skills
6. Increase confidence
7. Increase resilience
8. Reduce self-harm and suicide

Alignment with local board priorities:

Collaborating organisation/individual	Role
Kingdom Fit	Venue Hire

Demographics

Māori outcomes:	<ul style="list-style-type: none">Māori participation - Māori priority group, target group, high representation or Māori staff delivering <p>Our programmes are open to everyone, from the reports we have done we have found the most support we provide is to Maori and Pacific Island Communities.</p>
Accessible to people with disabilities	Yes - We use venues that are accessible to all people.
Healthy environment approach:	<p>Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes</p> <p>Our topics always involve deep discussions around creating an environment that is conducive to a healthy mind and body. This healthy environment is imperative for our participants and their children to be able to reach their potential.</p> <p>As an example - part of our Father's Legacy Programmes are the gym memberships and sessions [currently paid for privately by facilitator].</p> <p>The catering for the programmes are always healthy home cooked meals for participants.</p>

Does your project support any genders, ages or ethnicities specifically?
Our programmes are open to everyone.

Financial information

Amount requested: \$15000.00

Requesting grant for: A portion towards the running of a Make Them Proud Seminar, Online Programmes, Tatou Talatalanoa

If part funded, how would you make up the difference:

The amount requested is to assist in delivering our flagship Make Them Proud-Parental Disputes Seminars [MTP] and Tatou Talatalanoa (TT) in Howick, we could still deliver a portion of the months of these with this funding. We will continue to run our seminars and programmes with our without funding.

LG2510-414

Manukau Photographic Society Incorporated

Legal status:	Incorporated Society	Activity focus:	Arts and culture
---------------	----------------------	-----------------	------------------

Project: Photography in the Community

Location:	St Luke's Anglican Church and Community Centre, 3 Russell Road, Manurewa		
Summary:	Our goal is to make photography more accessible to the wider community by: - increasing our club's visibility online by upgrading our website and social media platforms; Facebook, Instagram, Tiktok and Youtube - widen our offer of workshops, exhibitions and competitions both to our members and the general public, especially beginners of all ages while still catering for more advanced groups - improving the quality of our workshops and meetings for both in-person and online participants, both club members and the general public - display the creative work of our members and the photographic resources the club offers through exhibition and open day events		
Expertise:	The Manukau Photographic Society was created in 2006 and has nearly 20 years of experience in organising competitions, workshops and training for all levels of photographers. Our executive committee is composed of experienced amateur photographers, with a large proportion of them having been on this committee or other photographic club committees for many years.		
Dates:	01/10/2025 - 30/09/2026		
People reached:	200		
% of participants from Local Board	80%		
Promotion:	The Manurewa Local Board logo will appear on all our advertising material (website, Facebook).		

Community benefits

Identified community outcomes:

- Personal mental health for participants (members and public): like other arts, photography encourages mindfulness by requiring our full attention and encourages us to be "in the moment" and to look at the world differently. It also allows participants to express their creativity, feelings and their worldviews with others in safe and encouraging settings.
- Social cohesion: members make new friends who share a common love capturing moments. They discuss ideas and techniques with people they might not have interacted with otherwise due to background or age differences.
- Audience enjoyment and participation: the public can enjoy free exhibitions of beautiful images and can be introduced to the art of photography through workshops and open day in their local area.

Alignment with local board priorities:

Collaborating organisation/individual	Role
St Luke's Anglican Church and Community Centre	Venue for club meetings and workshops
Auckland Botanic Gardens	Public exhibitions, workshops and competitions, and open day
Manukau Library	Public workshops
Franklin Positive Aging Expo	Public exhibition

Demographics

Māori outcomes: • No Māori outcomes identified

Accessible to people with disabilities Yes - With our upgraded Google Meet and microphone system, we are able to offer excellent quality online meetings and workshops so people can join from their homes if they are unable to attend in-person.

Healthy environment approach:

Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Smoke-free - all our meetings, workshops and field trips are smoke-free.

Waste minimisation - we stopped printing for competitions years ago. The only printing done is for exhibitions only. Picture frames for exhibitions are reused in future exhibitions. At club nights, we use reusable cups for coffee/tea. Our trophies are reused year after year, simply engraved with the name of the year's winner.

Healthy food and drinks - we only offer water, coffee and tea at club nights, plus a few biscuits.

Active lifestyles - we encourage physical activity during our field trips with small hikes.

Reduction of carbon emissions - our meetings are hybrid, with the option of joining online, which saves on petrol emissions. A number of our members practice car sharing to meetings or field trips.

Does your project support any genders, ages or ethnicities specifically?

Our focus is on photography. We support any gender, age or ethnicity without discrimination.

Financial information

Amount requested: \$2363.00

Requesting grant for: Costs associated with the organisation of Photography in the Community. This includes:

- Venue hire
- Website costs - Google meet costs
- Exhibition costs
- Gifts to judges
- Tea/coffee for participants
- Photographic Society of NZ fee
- Trophies for competitions

Note that all prizes for public competitions (over \$2,700 in 2025) and all prints for exhibitions (over \$400 in 2025) are kindly sponsored by Harvey Norman photo Centre, Manukau.

If part funded, how would you make up the difference:

We are committed to offering the people of Manurewa beautiful exhibitions, photography workshops, field trips and exciting competitions. Any funding shortfall will need a further draw on our reserves. We are actively pursuing additional sources of funding.

Cost of participation: Membership fees for our members (\$40 to \$55 per year)

Total expenditure	Total income	Other grants approved	Applicant contribution

2024/2025 Manurewa Local Grants Round Four

LG2510-417

The Rising Foundation

Legal status:	Charitable Trust	Activity focus:	Community
---------------	------------------	-----------------	-----------

Project: TRF Programme Coordinator operating costs

Location:	Manurewa High School - 67 Browns Rd, Manurewa		
Summary:	Our full time Programme Coordinators are based in our four local High Schools around the South Auckland area, including Manurewa High School. We are seeking funding towards our programme delivery costs for five weeks for our full time employee at Manurewa High School. Please note: We do not receive any Government funding or funding from the schools where our external programmes are delivered.		
Expertise:	We have been working for over 15 years and the programme is running successfully in four South Auckland secondary schools. All our Programme Coordinators have grown up in The Rising Foundation programme during their schooling life, so they are uniquely equipped to identify with and support the current generation of students. We have a growing reputation as a source of reliable and employable young people. We have excellent support from all our schools and network with employers and tertiary providers, to navigate the transition from school to work effectively. We take the time and effort to know our students well as individuals and ensure they have what they need to flourish.		
Dates:	15/07/2025 - 31/08/2025		
People reached:	54		
% of participants from Local Board	100%		
Promotion:	We have over 900 people on our mailing list which receive quarterly newsletters annually. We publish our funders, sponsors and supporters logo's on our website and in our newsletters.		

Community benefits

Identified community outcomes:

1. Our students benefit from being part of The Rising Foundation because they are encouraged to excel in life and in academic achievement.
2. They benefit from having the backing of a professional and accredited team who know how to deal with the complex issues of adolescence.
3. Our students form deep friendships and supportive relationships, they learn to be honest with themselves and with others.
4. Our students' families and schools benefit because our students are more polite, respectful, responsible, caring, grateful, collaborative and cooperative.
5. Our students choose to avoid; using violence, abusing substances and resorting to self harm or suicide.
6. Our students are confident and wholehearted.
7. Our communities benefit because every year 35-50 of our students graduate and historically go

into full-time work, tertiary education or trade training which is great for the community. 8. Our students leave our programme with a full driver's licence and with a solid pathway and ongoing support into meaningful employment.

Alignment with local board priorities:

Collaborating organisation/individual	Role
KiwiHarvest	Weekly food donations that help those in need among TRF students and their families
Blue Light NZ	Venue for our TRF administrative team and driver licence workshops
Auckland Transport	Provide drivers licence workshop resources and driving lessons
Class 1 Driving School	Provide qualified driving instructors
Therapeutic Storytelling Intervention (TSI)	Collaborate with TSI International in the use of their GEM journey programme which helps young people find their identity and direction in life

Demographics

Māori outcomes: • No Māori outcomes identified

Accessible to people with disabilities No -

Healthy environment approach: Promote smoke-free messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes

We promote substance free living and actively reinforce the smoke free and substances free message promoted through the schools we serve.

We promote healthy food and drink options on camps/excursions and during our lunch time meetings.

We only provide water at camps and meetings. In collaborating with KiwiHarvest, we also deliver healthy food packages once a week to those families who we see as needing a 'hand up' to provide for their whanau. This also reduces the waste of food as near expired items are donated to whanau. We always reinforce healthy lifestyles and encourage our students and staff to participate in outdoor games and boot camps which are provided free of charge within some communities.

We also have access to a free gym at our shared space facility, which enables students to use under TRF supervision.

Does your project support any genders, ages or ethnicities specifically?

TRF supports all genders and ages from 12 years to 19 years during secondary schooling life. Once they leave high school we continue to support them through their adult life from 19 years to 25 years through our Transition 2 Service programme. Attached under 'supporting documents' is a pie-graph of our ethnicity stats from Manurewa High School as of February 2025.

Financial information

Amount requested: \$4759.00

Requesting grant for: Your grant will help contribute towards the on-going operating costs over a five week period, for our fulltime TRF Programme Coordinator based at Manurewa High School.

Please note: We have two Programme Coordinators based at Manurewa High School due to the number of students on our programme. We have one male and one female staff member which provides a good balance for our students.

If part funded, how would you make up the difference:

We have our annual fundraising event lined up for Friday 10th October which is held at Alexandra Park Greenlane. Through this event we aim to raise funds to support our on-going staff operating costs for all 11 full time employees. We also have corporate and private donations, philanthropic donations and the students participate in quarterly fundraisers at their respective schools to assist towards their camp costs. As we do not receive any local Government funding, we do rely on other funders, as well as those mentioned above to assist with our on-going operating costs.

We have been operating for 16 years now, our well respected programme is successful and our annual performance which is independently audited, endorses the excellent outcomes we are achieving within our South Auckland communities. As this is a local project, we would prefer if funding can come within the community.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$49500.00	\$0.00	\$5711.00	\$0.00

Expenditure item	Amount	Amount requested from Local Board

Income description	Amount
	\$0.00

Other funding sources	Amount	Current Status
Akarana Community Trust	\$5711.00	Pending

Donated materials	Amount
NA	\$0.00

Total number of volunteers	Total number of volunteer hours
8	1002

Additional information to support the application:	Our TRF Programme Coordinator Maia Tipu was also a student on our programme while attending one of our four secondary schools. This makes our programme unique in a way that our Programme Coordinators can relate to our students as they come from the same back grounds. Your on-going support encourages us to continue our efforts to enhance the overall wellbeing of the young people in our care. Knowing that Manurewa Local Board shares our vision and wishes to be a big part of it is genuinely inspiring too.

2024/2025 Manurewa Local Grants Round Four

LG2510-419

Senior Citizens Service Club Of Manurewa Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
----------------------	----------------------	------------------------	-----------

Project: Rangatira Toi

Location:	Tadmor Hall, 238 Great South Road, Manurewa		
Summary:	Materials to resource a community art program which aims to reduce antisocial behaviour and unsuitable housing trends in our local area through incorporating housing education and access to housing support in an interactive and inclusive space.		
Expertise:	We have comprehensive insight into our local community needs and social dynamics. Over the prior year or so, we can demonstrate that we have developed the local neighbourhood into improved security and cohesion. This is a demonstrated achievement that has been noticed by organisations who struggle to achieve the same rapport and are now approaching as a vehicle to advance their mahi with those same people. We are committed to upholding safe, cultural, ethical and professionally accountable standards of support in our engagement with our community. We excel with embracing new ideas and learning new things as a team. We all have experience delivering similar projects and understand the phases of safe and effective group work.		
Dates:	04/07/2025 - 16/08/2025		
People reached:	The wider community will benefit by reduced antisocial behaviour in the area. Participants - 20		
% of participants from Local Board	90%		
Promotion:	However is required by policy. By upholding council in a positive light to this population cohort. At present counsel have been disrupting our progress with a reduction in anti social behaviour in our local area. we need a unified approach, not a decisive approach. We need to role model stability and partnership because people experiencing hardship and marginalisation can be sensitive to uncertainty and disruption to the equilibrium in their local area.		

Community benefits

Identified community outcomes:

Enabling the population cohort who frequent public spaces in and around South Mall and our local vicinity, to contribute to our community in an inclusive and positive manner, offers the opportunity to advance community cohesion, growth and capital and reduce instances of anti-social behaviour (which we have already primarily achieved against all odds).

Our community will continue to feel safer, look tidier and the project will strengthen existing foundations of trust and communication which have taken community professionals time and effort to build. The result of this that we can already see, is the reduction in vandalism and anti-social behaviour around our immediate area along with enhanced QoL for socially marginalised people and stronger community partnerships with service providers. These factors will bring increased

pride and opportunities to our area as well as a safer future for all of our community. The project works to acknowledge the people living in our local area, rather than alienating them to the periphery of society. It aims to recognise diversity and promote opportunities for people to make change and find potential for a better future.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Thomas Tawa SCSCM	Community cohesion team
Sela Singh SCSCM	Facilitator
housing manager - LinkPeople	Education / housing support - want to participate
Fuarosa Taue SCSCM	Cultural safety advisor - group participant
Phil Cribb - SCSCM	Community cohesion team
Nalini Singh SCSCM	Group cohesion and facilitator
The Koru Trust - Tea Ropati, Chrystelle Edmonds	CEO and Program manager - co-participating
Jane Anstey	reporting , accountability, project management, participant

Demographics

Māori outcomes:	<ul style="list-style-type: none"><i>Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori), Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering</i> <p>This project directly speaks to positive outcomes for Māori as listed above. The project will be led by someone from the target cohort, who is Māori, we have cultural advisors in the operations team and our board and we prioritise a Te Ao Māori approach in our core values.</p>
Accessible to people with disabilities	Yes - We promote an inclusive approach to mental and physical health needs. The workshop will be outside on the lawn.
Healthy environment approach:	<p>Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*</p> <p>A healthy environment approach will be promoted through a prism offering consideration to - our natural environment. Promoting litter free spaces, A safe Environment - educating about community connection and cohesion through a strengths based framework and an inclusive approach to generate traction with responsibility and community participation. Healthy environment through self awareness - how do choices impact people around us - sleeping outdoors, feelings of security, and Te Whare Tapa Whā ..how do these aspects influence our spiritual, physical, emotional and mental wellbeing. We will promote a healthy environment by the theme of our project, role modelling, engagement and hope.</p>

Does your project support any genders, ages or ethnicities specifically?

Pacific and Māori. Mixed genders, mixed ages intergenerational

Financial information

Amount requested: \$2097.72

Requesting grant for: Project supplies - canvas (unstretched), paint, brushes and picnic food (x 4 workshops)

If part funded, how would you make up the difference:

Not sure it's about as cheap as it can be. Cheapest possible paint, canvas not stretched but loose and the cheapest brushes possible. We will do it outside in the park on the ground.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution

paints, canvas and brushes	\$175.20	\$175.20

Income description	Amount
	\$0.00

Other funding sources	Amount	Current Status
	\$0.00	

Donated materials	Amount
	\$
	\$
	\$

Total number of volunteers	Total number of volunteer hours
8	64

Additional information to support the application:	thank-you for considering this application which will acknowledge the hard work we have done over the last year in building improved relationships with community members and the importance of continuing to do so. The community referred to are keen to participate in this project and are asking when it can start. They feel excited to be included by council and to have an opportunity to participate in something positive. This is a great development in how things use to be in the area and it will be a shame to overlook its significance now and future, community cohesion and safety.

Project: Ngā Manu

Location:	Manurewa		
Summary:	<p>Netball Manurewa have reintroduced 'Ngā Manu' Club to cater for new junior teams following a successful "Have a Go" day, and our Netball In Schools delivery which introduced netball to tamariki in our local community. Many of these new participants are from low-income households and would otherwise face financial barriers to ongoing involvement in sport.</p> <p>We are seeking funding support for:</p> <p>Playing uniforms for these new junior teams to promote team identity, inclusion, and participation</p> <p>Affiliation fees to Northern Netball Zone and Netball New Zealand, which are essential for our teams to participate in sanctioned competitions and access development opportunities</p>		
Expertise:	<p>Netball Manurewa have been delivering netball since 1970 so has a 50+ year history. We have throughout that time worked with local schools, kids and whānau to build Netball Manurewa membership. We have had a targeted approach to netball delivery within our schools and community for the past six years since employing Netball Development staff. Our Strategy has always had focus on increasing participation especially focusing on tamariki and rangatahi. This is not a new focus that we are confident we have capability and capacity to provide a quality experience and product.</p>		
Dates:	01/07/2025 - 31/08/2026		
People reached:	450		
% of participants from Local Board	95%		
Promotion:	Through social media, in person and print acknowledgement. Also like to have signage acknowledging their contribution and support at facility		

Community benefits

Identified community outcomes:

Our project supports the formation of new junior netball teams following a "Have a Go" day and targeted school delivery by our Development Officers. Many participants come from low-income whānau in Manurewa, and this project removes cost-related barriers by providing team uniforms and covering required affiliation fees for all netball membership.

This initiative offers a safe, structured environment for tamariki to be active, develop teamwork skills, build confidence, and feel a sense of belonging. By engaging young people early in sport, we

also strengthen positive pathways and provide alternatives to antisocial or disengaged behaviour. The wider community benefits through increased family involvement, volunteering, and a sense of pride and unity. Local whānau are encouraged to connect through netball, fostering community wellbeing and intergenerational support.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Local schools and kura	Link and connect players and promote opportunitie
Volunteers	Provide time and support to mentor and guide the teams
Parents & whānau	Assist with transport, and whānau support

Demographics

Māori outcomes:	<ul style="list-style-type: none">Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering <p>Māori representation at Governance, Operational, Delivery and participant levels. Strategic Plan is underpinned by Tiriti Statement, kaupapa Māori values and focus on incorporating reo and tikanga Māori.</p>
Accessible to people with disabilities	Yes - We have a inclusion policy, an accesible facility and staff have been trained to deliver to all abilities.
Healthy environment approach:	<p>Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes</p> <p>Promoting smoke-free sidelines and healthy lifestyle messages through our coaching and parent communication.</p> <p>Encouraging zero waste practices, including reusable drink bottles and minimising single-use packaging.</p> <p>Supporting healthy kai choices, with water as the first choice at games and events.</p> <p>Promoting active lifestyles and regular movement for tamariki through weekly trainings and match play.</p> <p>Live Netball Manurewa values that align to hauora, whaiora and wairua pai</p>

Does your project support any genders, ages or ethnicities specifically?

Male / Female / Diverse gender representation and ages 5 - 60 yrs - demographics of Manurewa are high Māori, Pacific, Sth East Asian ethnicities.

Financial information

Amount requested:	\$7000.00
-------------------	-----------

Requesting grant for: Playing tops and affiliation fees

If part funded, how would you make up the difference:

We will pass on cost to participants, seek further funding and relook at strategies to keep netball affordable.

Cost of participation: \$40 per player

Wattle Downs Residents & Ratepayers Association Inc

Attachment A

Legal status:	Incorporated Society	Activity focus:	Community
----------------------	----------------------	------------------------	-----------

Project: Wattle Downs Residents & Ratepayers Inc. Annual Picnic

Location:	Wattle Downs Golf Course		
Summary:	We are hosting a community picnic in our local community of Wattle Downs in December. We are seeking funding to cover the costs of the band to play on the golf course for the duration of the picnic.		
Expertise:	We run this picnic every year and have done for the last 10-15 years on the peninsular. We have a groups of volunteers who help and assist.		
Dates:	14/12/2025 - 14/12/2025		
People reached:	400		
% of participants from Local Board	100%		
Promotion:	The Local Board Logo will be on all marketing. The local Board will be thanked on the residents meeting and on the day		

Community benefits

Identified community outcomes:

The community will benefit from the interaction with each other and getting to spend festive time together at a community event. The activities will be beneficial for the younger generation to enjoy the day in a healthy way outside in the fresh air and will create opportunity to stay active and enjoy themselves simultaneously. This is an excellent outlet for kids and adults to release energy, enjoy talking and playing with each other.

Alignment with local board priorities:

Collaborating organisation/individual	Role
Rock up North	On field activities
Imaginaire	Face painting
Band	Music Entertainment for the day
Police	Community involvement
Scouts & Cubs	On course activity

Demographics

Māori outcomes:

- No Māori outcomes identified

Accessible to people with disabilities Yes - The Golf Course is accessible for wheel chairs

Healthy environment approach: The field activities, music and band will be beneficial for the people to enjoy the day in a healthy way outside in the fresh air and will create opportunity to stay active and enjoy themselves simultaneously. It is an excellent outlet for kids to release energy. These activities will also be beneficial for their motor skills and physical strength. We would like to put on 3 activities for the various age ranges.

Does your project support any genders, ages or ethnicities specifically?
The residents in the community who will attend are from many ethnicities, ages and genders. We support them all.

Momentum Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
---------------	------------------	-----------------	-----------

Project: Life and financial skills programmes at the Manurewa Probation Centre

Location:	Manurewa Probation Centre - 20 Beatty Avenue, Manurewa		
Summary:	<p>Momentum is seeking funding of \$6,780.00 for four one-day life and financial skills programmes, facilitated by Life101, to be run at the Manurewa Probation Centre in July - September 2025. These programmes are for individuals soon to be released from prison, people recently released from prison and those serving community-based sentences. The programmes equip individuals with fundamental, practical life skills and self-confidence to find meaningful employment, achieve financial stability, reconnect with friends and whānau and not be a burden on their community. These four one-day programmes will directly benefit 80 at-risk individuals and indirectly the local Manurewa community.</p>		
Expertise:	<p>Momentum and our programme provider Life101 have a combined 17 years experience working with individuals in the criminal justice system. We have witnessed first-hand the challenges these individuals face in reintegration and Life101 have developed tailored programmes to address these needs. Our unique approach integrates both life skills and financial literacy, emphasising practical application to ensure participants can apply these skills effectively. Life101's programmes are tailored to address multiple barriers to reintegration, with a proven track record of success. Momentum's expertise and commitment to cultural responsiveness and continuous improvement further enhance our capacity to support at-risk individuals. Together, we empower participants to make meaningful changes and successfully reintegrate into society.</p>		
Dates:	02/07/2025 - 30/09/2025		
People reached:	80		
% of participants from Local Board	100%		
Promotion:	<p>We actively promote the project in collaboration with the Manurewa Probation Centre corrections staff to ensure maximum participation. We provide promotional posters to be displayed within the centre and distribute information sheets to potential participants, encouraging attendance. Additionally, a member of the Manurewa Local Board will be invited to attend the programmes to hand out participant certificates, fostering community recognition and support. Furthermore, we showcase each programme on our social media pages, highlighting participant achievements and publicly acknowledging the local board's contribution. Life101 also shares posts on their social media, expressing gratitude to the funder and showcasing programme highlights and learning achievements.</p>
